Camp William Hinds
Leader’s Guide
2017
90th Anniversary
Welcome from the Camp Administration

We are excited to have you as a guest at Camp William Hinds this coming summer. We are planning an exciting fun-filled program with lots of merit badges and new experiences. Our goal at Camp Hinds is to help each young scout grow mentally and physically, and to assist them along the Trail to Eagle. Summer camp works for many different reasons: talented staff, fun activities, the outdoor setting, and the unique spirit of Camp Hinds to name a few. However, the most important reason summer camp becomes one of the most memorable experiences in a young person’s life is because of the dedicated leaders who guide them throughout the year. You are all appreciated! Remember the journey is often more important than the destination. All of us at Camp Hinds stand ready to support you and your scouts on their Scouting journey.

Camp Hinds is located on over 300 acres of land on Panther Pond in Raymond, Maine. Less than an hour outside of Portland, Panther Pond is part of the Sebago Lakes Region of Maine. Camp Hinds is owned and maintained by the Pine Tree Council, Boy Scouts of America.

The camp was founded in 1927, and over the years has grown to include a number of summer and winter facilities and buildings including a 300+ seat Dining Hall (new one under construction and due to be complete in 2017 along with a new STEM NOVA center), Health Lodge, Recreation Hall, Trading Post, Craft Shop, Messer Training Center, eighteen new High and Low Ropes Course elements and three waterfront areas. Several buildings are used for year-round camping but Hinds is used primarily as a traditional resident summer camp. When not serving as a summer camp, various Scout units from the area can be found utilizing its many camp sites and buildings throughout the fall, winter, and spring months.

Camp Hinds has a trained staff of approximately 60 Scouts and Scouters, who are all registered members of the Boy Scouts of America. Since its inception the staff at Camp Hinds dedicates itself to promoting the aims, values, and methods of Boy Scouting, while ensuring a quality program for every youth who attends. Our camp operation is overseen by a trained and certified Camp Administration team comprising of a Camp Director, Program Director, Head Commissioner and Camp Ranger. Each of our program and support areas are overseen by an Area Director, many of whom have attended the National Camping School program for training specific to their job. Camp Hinds is inspected yearly and meets the standards set down by the B.S.A. National Office for an Accredited Boy Scout Summer Camp. Our staff is trained to provide the highest level of customer service possible and will assist and work to accommodate your needs in every way possible. Please do not hesitate to ask for assistance. Occasionally, it may be necessary to shift or rearrange program plans or campsites to accommodate everyone, but this will only be done when no other alternative is possible and when it is in the best interest of the Scouts and the program.

ATTENTION Scoutmasters!

11 Day Out Meetings
On Wednesday 7:00pm, 11 days before you are to arrive at camp, we hold a meeting in our new dining hall's scoutmaster lounge. This meeting is intended to give you the opportunity to bring in all paperwork for camp ahead of time. This includes Med forms and Troop rotation forms. This is your opportunity to sign up for your troop rotations prior to arrival at camp. We will provide you with any new programs that we added after the guide was posted, any changes to policy, and we will answer any questions you may have.
One new policy we will discuss at this meeting is our new Medication Distribution Policy.
We will be providing snacks and a tour of your new dining facility.

Scoutmaster Coffees and Leaders Meeting
Don’t miss your chance to sit back with the Program Director and Camp Director and learn from other Scoutmasters. Meetings will be held Tuesday and Thursday mornings at 9:30 a.m. A closing informational meeting will be held on Friday morning to confirm check out and departure procedures.

Arrival Time
Arrival on Sunday will begin at 2PM.
On arrival Units will meet their Guides to begin check in and must present their guide with a current updated roster for all those attending camp.
Leaders should also ensure they have extra copies of medical forms to ensure a smooth check in.

Scoutmaster Dinner
Tuesday Night at 6pm at Tabor Pavillion
This is a chance to find out what new things are planned for next year. Camp staff and council representatives will be there to hear any concerns you might have. Please understand we need your help to make sure all of our scouts have a great camp experience.

**Online Camp Registration & Merit Badge & activity Signup**

Please register and pay for your scouts and leaders by visiting us online at www.pinetreebsa.org and clicking on the `<SIGN UP FOR ADVENTURE>` button. Once registered you'll be able to sign up your scouts for Merit Badges, older boy activities, and troop rotations. Parents and scouts will also be able to access their schedules and pay via the parent portal. Call us for assistance at 207-797-5252 ext 10 if you have any questions.
The heart of Camp William Hinds is the quality, once-in-a-lifetime program we offer each week during the summer. Our program is diverse with something to challenge every Scout of any age and interest.

For our First year Scouts (those who have just crossed over) we have the POLARIS program which will provide a wonderful beginning to their Scouting journey. This exciting program will introduce the new Scout to the skills of Scouting and will allow new Scouts to complete many Tenderfoot to First Class rank requirements as well as earning their first merit badges. Highlights include an ice cream social, overnight, and a hike up scenic Rattlesnake Mountain!

For returning Scouts, our Traditional Summer Camp Program will provide a multitude of opportunities. These Scouts who are in the middle of their Scouting career can earn merit badges, gain leadership skills, build troop unity and develop advanced Scouting skills and experiences.

For the Older Scout, we have made several additions to our selection of badges and afternoon programming. Older boys can choose from opportunities such as:

- **COPE Program** (Challenging Outdoor Personal Experience) learning teamwork and advanced leadership skills while getting to experience a high adventure thrill on our high ropes course!
- **Pistol Program** where older Scouts will learn safe, competitive pistol shooting.
- **Motor Boating Merit Badge** where older Scouts will learn how to safely operate and care for motorized watercrafts.
- **Trail To Eagle Program** where older Scouts can work on many Eagle required merit badges, learn the process for becoming an Eagle Scout, and most importantly what it means to become an Eagle Scouts.
- **The SCUBA and BSA Lifeguard program** will keep them on or below the waves all week.
- Our 50 mile Treks will challenge any scout. Have an older scout that is bored with Summer camp? See if they are interested in this challenge. This is a provisional program so scouts can do this without leaders.
- Have a scout that you would hold up as an example to your troop? Have a scout that loves to lead the way and teach younger scouts? The Counselor in Training (CIT) program is likely a great fit. In this 3 week program a scout will get to attend camp for a week as part of the provisional CIT troop. Week 2 will be spent learning to teach and lead younger scouts while mastering some new skills. Week 3 will be a week of internship and mentoring spent with the Camp Hinds staff. This is a great opportunity for aspiring staffers and an amazing value for 3 weeks of camp.

**MERIT BADGE OFFERINGS AND SELECTION**

For 2017, we are offering over 50 different merit badges and additional classes in our traditional program. Scouts and Scoutmasters should have a meeting to decide the right badges for their Scouts. It is important that badge selection is carefully thought through; a Scout may have the impression that they may want to take a certain badge but it may not be the right fit for that year.

**Age Restrictions and Prerequisites**

Many of the badges in our directory have age restrictions that have been placed on them to make sure that the maturity level and educational skill are appropriate for the material that comes with the badge. Many merit badges have pre-requisites that need to be completed prior to camp. It is important to look over the prerequisites in this guide and make sure that Scouts have the appropriate qualifications and materials needed to successfully complete the badge at camp.

**Registration**

Our preferred method of registration is through our online portal located at [http://www.pinetreebsa.org](http://www.pinetreebsa.org). This can be done as soon as you register your troop. If you are not ready at that time you may log back in to sign scouts up for specific merit badges at a later date. Scoutmasters and Scouts in Provisional will be able to log in an add individuals to the roster, sign Scouts up for merit badges, select afternoon activities and sign older Scouts up for older boy programs. Registration is a first come – first serve system and those who register early online will be given preference. If internet access is an issue, please contact Council or camp (when in season).

If registration must be done via mail, it is strongly suggested to send registrations in to Council no later than two weeks prior to camp. Please note that registrations mailed in will not be addressed until staff arrives at the end of June. Forms received late will be handled on your Sunday arrival day or Monday morning.

**Scouts Daily Schedule Confirmation**

The office staff will provide you with master and individual schedule printouts for Adult Leaders and Scouts by the Sunday Night Campfire. If you find problems with Scout schedules, please come to the camp office.

Class Operation

When leaders receive their proof copies on Sunday, they may notice blank and moved slots in Scouts schedules. While we do what is possible to accommodate your Scouts' requests, they may not always get what they signed up for. Some classes have size limits that are dependent on equipment; other cannot operate when there are too few people because of youth protection guidelines. Scouts may need to be moved to a different time slot of a particular activity to offset large differences in class sizes.

Additional Equipment

Some merit badges require special equipment (fishing reel, musical instrument, etc.) While the camp has some equipment, a Scout will increase his learning opportunities by bringing his own from home. Please bring a way to secure and label any items brought from home. The camp is not be responsible for lost or damaged items.

Merit badge pamphlets may be required for a class. We recommend that Scouts utilize their troop library or purchase them from the Pine Tree Scout Shop ahead of time. There is a selection of merit badge pamphlets at the Trading Post, but only in limited quantities [http://pinetreebsa.org/pine-tree-scout-shop/].

Paperwork

Camp Hinds uses a camp version of the blue cards to record all work done in camp. Leaders will be able to pick up copies of the Camp Hinds merit badge sheets or access their scouts Merit Badge information electronically on Friday afternoon after 3pm.

Completed merit badges will be recorded and kept in the records at Camp Hinds. If you are missing paperwork, please contact the camp office before August 21st. After camp please contact the Pine Tree Council Offices at 207 797 5252 ext. 10 to request any copies of missing merit badge paperwork from the summer.

Prerequisites

Many merit badges, including most of the Eagle required ones, have requirements that Scouts must complete before attending summer camp. If those requirements are not completed or the Scout does not bring documentation that the requirements were completed, the Scout will go home with a partial. See the chart starting on page 13 for details.

Partials

Partials are given when a Scout does not complete the pre-requisites before camp, is absent from class, their work is not passed in, or the work is not up to expectations. Staff will try to inform Leaders if their Scouts are having trouble completing the required work. It is important for Leaders to check with Scouts throughout the week to make sure their assignments in and out of class are being completed. Staff is prepared to work with a Scout in the afternoon or evening if they need extra time or extra help. If the week is over and requirements are left undone the paper work will reflect a partial. They they may complete what was not finished with a local Merit Badge Counselor or at another week or season of camp.

If a Scout does take advantage of another week or comes back for another season they must bring a copy of the paperwork that was released at the end of their original week to the makeup counselor.

TRADITIONAL SCOUT PROGRAM
For Second Year Campers
Offered Every Week

PROGRAM OVERVIEW:
The traditional program is the best option for returning and older Scouts that want to take merit badges. It encompasses a week of activity that is good for advancement, involves time for popular summer favorites and allows Scouts to enjoy some free time to spend with their unit to do some troop-led activities.

In the morning following breakfast, Scouts can attend up to three merit badges or specialized skill classes offered in several different topics like aquatics, crafts, nature, shooting, and more. The morning program is designed to help in advancement and to expand Scout skills and new interests.

In the afternoon, Troops will work together in activities all over camp helping to build teamwork. On Friday we will have the Camp Wide Event, which is a challenge-based program where Troop members are encouraged to work together to gain points or race against the clock in order to beat the other Troops staying in camp. Each afternoon will end with some open area time where Scouts can return to a favorite activity or try something new!

Evenings at Camp Hinds include merit badges, specialty program and events, campfires and open areas. With different activities every night, Scouts have plenty to do or they might choose to play a game of chess or hang at their campsite!

Most of our special programs like SCUBA are limited to specific weeks. We recommend Scouts who want to participate in these activities to join Camp Hinds Troop H, the provisional troop, if their troop is not coming on the specific week of a
Not all Scout troops can go to summer camp and some Scouts would like to stay at camp longer than the troop does. So here is a way for Scouts to enjoy Camp Hinds for as many weeks as they would like. The camp will provide the leadership by having a qualified trained Scoutmaster and assistants serve as your boy’s leaders for the week. Each Scout will join the provisional troop in Wilderness campsite which is made up of Scouts from different troop throughout the area and even out of state. He will be entitled to participate in all camp activities as any other Scout would. Only he will have the added excitement of meeting and making friends from around the council.

This program is a great way for boys to spend an extra week at camp. It will extend the fun and adventure of summer camp. In addition to taking part in the individual advancement program, the provisional campsites will be organized like a troop and will participate as a group in camp activities. Each week will be filled with hikes, games, campfires, and competitions as well as some other activities available only to provisional campers.

**Expense:** Cost for this Experience is the camp fee (early bird or late depending on when the Scout registers) plus the $405.00 Scuba fee for the week. This includes your weeks stay, instruction from Skin Diver’s Paradise, NAUI Certification fees and education materials, and SCUBA equipment use.

BSA Lifeguard

Full Week-All Day Program | Age 15+ (and adults)

Offered Every Week

BSA Lifeguard is an intensive program lead by our aquatics team at Hinds. Its greatest purpose is to educate older Scouts and adults giving them the skills necessary to be a certified lifeguard for BSA activities. The outcome of this program will give them a certification that is good for 3 years that will enable them to operate as a lifeguard at Scouting Camps and Aquatic Events, but can also be accepted by some public/private beaches, camps and YMCA’s.

Prerequisites: Scouts and Adults in this program must be outstanding swimmers; a little boating experience is preferred but not required. Youth need to have Swimming, Lifesaving and First Aid merit badges. Adults will need to contact Hinds prior to sign up for approval for this program, additionally they will be charged the “extra leader” fee of $110.00 as they will not be available to oversee their troop.

Space is limited so applicants that send in registration will be accepted first. This program is open to Scouts and leaders staying with their own troop or staying with our provisional unit.

Program Overview: This is an intensive program that will run all week and involve the candidate for most of the camp week, including evenings. Scouts will learn multiple rescue techniques including rescue from a watercraft, swimming extension rescue, active drowning rescue, passive drowning rescue, and submerged victim rescue. Course also covers long shallow diving, stride jumping, compact jump and defense, grip escapes, and back boarding procedures. Students will need to pass a written exam on theory and knowledge showing an understanding of aquatics program and emergency management skills. Scouts will serve as a lifeguard at 2 or more aquatic events during the week.

COUNSELOR IN TRAINING PROGRAM

Three Full Weeks | Recommended Age 15
& 16 Session 1 (week 1-3)
Session 2 (week 4-6)

What is it?

Have a Scout in your unit with an interest in the dynamics of camp life as a staff member? Then the Counselor in Training (CIT) Program is the perfect fit for them. Scouts who apply for this program will spend three weeks working alongside our staff learning and experiencing the perks of being a Hinds Staffer, building leadership and communication skills and getting an early start in some work experience.

Benefits of this program:

There are an infinite number of benefits that come from the CIT program. During the 1st week CIT’s will engage in the traditional program at Hinds taking merit badges, building relationships with other CIT’s in the group, and participating in summer camp highlights like swimming, boating, shooting and crafts just like a Scout visiting for a normal week. Week 2 finds our CITs taking limited merit badges while doing observations and some limited assisting in many different areas throughout camp. It is our goal to introduce our CITs to all the programs at camp, including COPE. Week 3 they will experience life as a camp staff – assisting in some merit badge instruction, helping with troop afternoon activities and evening activities at camp, including our campfires.

Cost:

The CIT program is a great value. Scouts who participate will pay for one week but get three! This includes a t-shirt, food and living arrangements. CIT’s will be required to follow the same staff uniform policies, meaning in addition to their Class A shirt they will need to have a week’s worth of Staff Class B uniform which includes any Scouting shirt, Scout shorts, centennial green crew socks, and a belt. A complete supply list will be provided upon acceptance to the program.

Sign Up:

The CIT Program uses an application process, where Scouts interested in participating should download, fill out, and send in the application from www.camphinds.org. Applications should be sent in by May 2nd. Late applications will be accepted but will only be considered as space is available. A short interview will be done with the scout in the month of May. If accepted into the program there will be a CIT & Parent meeting in June.

We are offering two sessions of the program. CITs will be dismissed from each week of camp at around 9 p.m. on Friday, (and will need to be picked up) have Saturday off, and will need to be back to camp on Sunday at 11:29 a.m (we can make accommodations for church services).
OLDER BOY PROGRAMS

If your Scout is 13 years or older, they can participate in unique afternoon programs that are focused on a specific subject like water, sports or recreational challenges. Space is limited for all programs. Scouts should plan on attending every day that their activity is offered.

AFTERNOON TROOP ROTATIONS

Make the most of your afternoons at camp this year with our new afternoon schedule. Following an hour siesta the afternoon program opens up to allow Scouts to experience summer fun as a troop. On Monday through Thursday, Camp Hinds offers 12 activities periods (three each day) for troops to experience all the areas of camp. Most activities are 45 minute sessions but some are longer. It is our hope that each troop will try to schedule at least one activity in each of our 12 program areas.

- Please attend activities as a group, encourage all Scouts to come and try the activity. All troops must have an adult present at the activity.
- If you opt for a troop time and want to visit a program area please ask them ahead of time.
- We will try to accommodate your requests however we may have to move one of your selections to another period or have to cancel an activity due to weather or staff limitations.
- If you end up not going to a scheduled session please let the office or the area know! Realize that you may be sharing an area with another troop!
- Never invite yourself into a program area that is not staffed!

To Register: Registration for afternoon activities should be done at the leaders 11 day out meeting. Many sessions have restricted sizes or certain days of operation so preference will be given to those who register at the 11 day out meeting prior to camp, all others will be put into the system Sunday afternoon following check-in.

**Service Hour:**
Members of the Order of the Arrow will have the opportunity to participate in the OA Service Hour each week. On Thursday evenings, members of the OA will join with the OA staff members for a service project at camp. Your participation will earn your troop points in the campsite inspections and all workers will receive a specially designed patch after their "cheerful service."

**Brotherhood Conversions**
A brotherhood conversion ceremony will take place on Thursday nights starting at 7pm. To be eligible, the Ordeal Member must have over 10 months of tenure as well as be a member in good standing (dues paid in full). There will be a small fee attached to cover the cost of the Brotherhood sash.

**Venturing Day**

Tuesdays at Camp Hinds will be dedicated to Scouting's older youth co-ed program called Venturing. We encourage all Ventures attending camp to wearing their favorite Class “B” venturing shirt and their venturing uniform to retreat and dinner. Camp will host a special event in the evening to talk about the exciting program opportunities that Venturing offers.

**AWARDS AND RECOGNITIONS**

At Camp Hinds we want to encourage all Campers and Scoutmasters to do their best, live the Scout Law and fully participate in everything that Camp Hinds has to offer. To encourage individual Scouts, Scoutmasters, troops, and outstanding staff, we have the following awards. Award winners will be recognized at the closing campfire on Friday.

**Best Troop Award**
Show us what your troop can do! Many things will combine to help us decide on the honor troop of the week! Camp inspections, participation in special events like the Zombie Disco theme, Scoutmaster Splash, and your score earned in the Camp Wide Event will all combine to earn you this coveted award! More information will be given out at the Scoutmaster meeting.

**Honor Camper Award**
At the conclusion of the week, each troop should vote for the Scout that they feel has best lived up to the Scout Oath and Law during their week at camp. Honor campers will be recognized during a meal time as well as at the Friday Campfire.

Camp Hinds wants to recognize outstanding Scoutmasters who fully participate and enjoy their week at Camp Hinds. Information will be given out at the Sunday Scoutmaster meeting. Do you have what it takes?

TROOP LEADERSHIP IN CAMP

Arrangements for this can be done through Camp Director.

The troop is responsible for providing adult leadership for its Scouts. Discipline is the responsibility of the Troop leadership, with help from the camp administration when necessary. Feel free to contact the Camp Director with any concerns while in camp. Leaders are responsible for making sure their Scouts receive their medications and follow dietary restrictions.

SPL Council
All SPL’s will meet daily with the Program Director at 12:30 pm inside the Rec Hall. If the SPL is not available, please send a representative.
HEALTH AND SAFETY

CAMP RULES

The following rules and policies have been established by the Pine Tree Council Camp Administration for the health, safety and protection of all Campers and leaders in camp.

- **No alcohol or illegal drugs** are permitted in camp at any time!
- **No firearms, ammunition, fireworks, hand held weapons** (swords, nightsticks, butterfly knives, etc.) or **archery equipment** may be brought into camp. Due to our liability insurance, youth may only use the equipment provided by the camp.
- **No privately owned watercraft** are allowed in camp.
- **No flames in tents**! Troops may only use self-contained stoves and lanterns in their campsites, under the direction of knowledgeable adults.
- **No liquid fuels may be used to start fires or charcoal.**
- **No running in camp**, except in an athletic field or sporting event. In an emergency, you may move quickly without running.
- **No pets** allowed by campers or visitors.
- **Closed Toe Shoes** are required at all times when not swimming.
- **The buddy system** for Scouts is required for all activities in camp!
- **Smoking is only allowed in designated signed smoking areas, by 18+ year old adults.** These areas will be selected by the camp administration.
- **All vehicles**, not necessary for the operation of camp, **will be kept in the parking lot.** The no vehicle policy is for the safety of our Scouts, leaders and guests.
  - Exceptions to the vehicle rule will be made and monitored for those with a physical handicap through arrangements with the Camp Director.
- **Youth protection guidelines**, as established by the BSA, **are to be enforced at all times. Any physical, emotional, sexual or neglectful abuse must be reported to the Camp Director immediately so the proper steps can be taken to protect the Scout.**
- **Scouts, Leaders, and Guests leaving/entering camp at any time must sign in and out at the camp office.** No Scout shall be released from camp without the permission of his parent or guardian.
- **Valuables should be left at home!** Please encourage Scouts to leave all electronic or expensive equipment at home. Advise your Scouts not to leave valuable items unlocked in their campsites. Camp is not responsible for damaged or lost items during your stay.

Medical Supervision

Dr. Donald Burgess oversees the camp medical staff. A licensed health officer is in camp, on duty at all times, to handle all medical emergencies. If the injury or illness is serious, the person is brought to a local health care facility. Written agreements are in place between Camp Hinds and local health care providers to care for our campers, staff and guests. All medical illnesses or injuries must be reported to the health officers in camp - no matter how minor the incident.

Medical Forms

All Campers and Leaders attending camp must have a completed BSA medical form on file with the camp health office while at camp. Scouts and Leaders must have a valid physical within 12 months of camp. The height and weight restrictions are only guidelines for summer camp. Remember, for the section labeled “Adults Authorized to Take Youth to and From Events,” we are recommending that under the “designate” portion you have parents/guardians write “Licensed Driver over the age of 18 with permission of the Scoutmaster.” Then, be sure to have parents/guardians include any adults NOT authorized in the next section.

It is a regulation of the Boy Scouts of America that anyone who does not have a completed and signed medical form at the check-in time at camp will not be allowed to participate in camp activities until their med form is received. NO exceptions will be made. Camp Leaders should collect all medical forms and check them to make sure they are complete prior to leaving for camp. Please mail a copy of each person’s health form to Camp Hinds at least two weeks prior to your stay in camp or deliver them at the 11 day out meeting. The health officers will review the forms before your arrival to help provide your troop with a smooth check-in once camp begins. Please make two copies of your medical forms; one for camp and one for your records.
**Medical Recheck & Medications**
Upon arrival in camp, all Campers and Leaders will go through a medical recheck at the Camp Health Lodge. Pine Tree Council and Camp Hinds must comply with all State of Maine laws and BSA politics concerning medication in camp.

ALL medications brought to camp by campers, leaders and staff MUST be given to the Health Officer upon arrival in camp. This includes prescription and non-prescription medicine. This medication will be put into a box for each troop. The adult leader in charge of the troop medication will check the box in and out with medical staff at the beginning and end of each day.

Exceptions will be made for a limited amount of medications to be carried by the Scouts or adult for life-threatening conditions including; bee-sting kits, nitroglycerin, inhalers and medication specifically prescribed “to be carried at all times” by a physician. Camp supplies any over-the-counter medications and first aid supplies that your Scout may need during his week at camp.

**Emergency Medication Plan**
The State of Maine requires that All Campers that are going to carry a rescue inhaler or Epi-pens, provide the camp with an Emergency Medication Plan. Additionally, each camper must have their parent’s and physician’s approval to carry the inhaler and indicate that the camper is able to use the inhaler. At the time of check in, the camp health staff must also evaluate the camper’s ability to use the inhaler. Please be sure to complete the Emergency Medication Plan with the physician and send it to camp with the health form. A copy of their school asthma plan will be acceptable as well.

**Peanut Free Zone**
Due to the increase in campers having peanut allergies, some which are life threatening, we have decided to make the Camp Hinds dining hall a peanut free zone. This means no foods with peanuts, peanut oil or peanut butter will be used in the kitchen or dining hall. Any parents, who have a camper with food allergies, still need to list the allergies on the campers health form and notify the camp at least two weeks in advance.

Many campers love a peanut butter sandwich, and this can be a great snack! Troops may still choose to have peanut butter in their campsites as long as the Scouts in their campsite don’t have a peanut allergy. Our Trading Post will still carry individually wrapped candy bars that may have peanuts or peanut butter in them.

**Handicapped Information**
Camp Hinds aims to make our program available to All Campers. If you have a person with a disability that may require special attention, auxiliary aids or any reasonable accommodations, please contact the Camp Director at least two weeks prior to your stay at Camp Hinds.

**Emergency Procedures**
Camp Hinds has added an active shooter/disperse drill to our emergency procedures. This is a different response to the alarm described above and being mindful of the difference is vital. You will receive official emergency procedure when you enter camp, they are posted on your campsite board. We will have a drill within the first 24 hours and at that time we will discuss the two types of alarms.

*Gather and Disperse* and listen to both so that leaders and boys can differentiate between the two. Staff will be well informed as to how to respond to these drills and what action to take to ensure the safety of all.

In the case of a severe storm warning staff will be informed via the camp radio system. At the sound of air horns, all Scouts, leaders, and staff will seek a designated shelter in the Rec Hall, the Dining Hall, Cadigan Lodge, Bates Cabin, or the Training Center depending on their location. A roll call will be taken. The camp will be dismissed once an all clear has been given.

Camp Hinds has written agreements with local fire, police and medical departments to provide Camp Hinds with the necessary coverage for any emergency.

**Campsite Information**
Each campsite has two-man tents or shelters on platforms for all of our Scouts and Leaders. Bunks with mattresses or cots, picnic tables with tarps, water buckets, a flagpole and a bulletin board are also provided in each campsite. Troops are encouraged to spruce up their campsite with troop flags or banners, cooking equipment and lanterns. Troops may want to bring along sports equipment, paper products, water jugs and campsite games.
Campsite Etiquette & Quiet Hours
Getting enough sleep can make a difference between having a great or poor week at camp! Camp Leaders should see that their Scouts are in the campsite by 9pm and that quiet hours are observed from 9:30pm-7am. A siesta is scheduled for rest time everyday directly following lunch. Everyone should show respect for others within the campsite by following the quiet hours, assisting with campsites and general camp cleanliness by following the Scout Law.

Campsite Inspection
Camp Commissioners will inspect each campsite on a daily basis for cleanliness, safety, conservation, organization and Scout spirit! Troop Inspection Sheets are posted in each campsite. Can your Troop have the best site in camp? The top troops will be recognized in front of their peers!

Campsite Supplies & Fire Protection
A broom, shovel, rake, fire buckets and a water hose will be kept in each campsite. Commissioners will check daily to see if the camp equipment is there. Equipment that is lost or broken due to misuse will be charged to the unit. There is no need to bring this equipment back to the camp room at the end of the week.

Please use care around the campfires in your site. Only established campfire rings may be used in camp for fires. No liquid fuel may be used to start any fires. No open flames, of any type, are permitted around or in any tent. Full fire buckets are required around your campfire ring. Troops need to fill out and follow the posted Troop Fire Guard Plan found on the bulletin board in your campsite.

Bath Facilities
Hot showers, with individual shower stalls, are available for all campers and leaders. Latrines with toilets and hand-washing facilities are found in each campsite.

The Camp Room
The camp room is located next to the camp office. Toilet paper, cleaning supplies and extra fire buckets are available at the camp room. A limited supply of cooking equipment and American Flags are also available for units to check out. The camp room will be open daily at 8:00am. Please try to send a representative of your campsite during this time. If supplies are needed in an emergency basis, please check with the camp office.

Camp Good Turns
A Scout is helpful and clean! Each day troops are asked to assist in keeping camp clean with a rotating schedule of good turns. Good turns should be done directly after breakfast. Schedules of good turns are posted on your campsite bulletin board!

Donations & Camp Projects
We encourage troops to contact the Camp Director during the off-season, in order to find out what the camp needs for help and equipment. Troops are always welcome to perform a small service project for camp such as building erosion walls and brush removal! There will be a list and supplies available for all units who wish to complete a service project during their camp stay.

UNIFORMS, TROOP PHOTOS AND TRADING POST

Uniforms
Camp Hinds has a long established tradition of wearing uniforms in camp. Our staff is in uniform at all times, unless their job requires something else. We encourage all of our Scouts and Leaders to proudly wear the Class A Scout Uniform every evening for retreat and the dinner meal. The 2015 camp T-shirt, hats, etc. will be available in the Trading Post for those that would like to purchase them.
Troop Photos & Photo Release Form
A photographer will be in camp on Sunday to take troop photos between 4 and 5:30 before evening retreat for those units wanting them. Photos are color 8 x 10’s. The cost for each photograph will be $10.00. A troop photo order form will be given to each troop at camp. Money needs to be collected and turned in with the order form to the Trading Post by noon on Tuesday. Troops will receive their photos with their advancement packet after 4:00 on Friday.
Pictures may be taken in camp to be used by Pine Tree Council for advertising, marketing or to highlight our programs.

The Trading Post
Camp Hinds operates a trading post, like a general store. The trading post offers camp T-shirt, hats, sweatshirts, postcards and stamps, souvenir items, candy, soda and toiletries. We also offer camping equipment like flashlights, insect repellent, knives and much more! The amount of money that each Scout brings is an individual matter and should be determined by the Scout and his parents. Generally speaking, $40.00 is plenty for a week’s stay.

$5.00 Guest BBQ Tickets are available for purchase at the Trading Post starting on Sunday. Tickets must be purchased by noon on Tuesday to allow time for ordering food.

Remember, there is no phone next to your son’s tent, so parents should only use this number in case of emergency.

We strongly encourage parents to keep their Scout’s cell phone at home & all leaders to keep their Scouts away from phones during the week. Experience has taught us that this really helps with homesickness. We also encourage parents to get the cell phone number of your troop’s leaders in case you need to get in touch.

Scouts enjoy receiving mail from home during their stay at camp! We encourage you to write, but be sure to write early in the week as even though mail is delivered daily, sometimes it can take a day or two for mail to reach camp depending on your location. Each campsite has a mailbox in the Trading Post for mail and non-emergency messages! Leaders, please check your mailbox a couple of times each day for incoming mail and messages. All emergency messages received in the camp office will be delivered immediately to the adult leadership of the Scout by the camp staff.

Visitors & Siblings
Visitors are welcome in camp, but please understand that everybody is on a busy schedule and Scouts prone to homesickness may do better without visitors. All visitors must sign in and out at the camp office. Remember that the camp facilities are primarily for the use of campers and leaders. Visitors must purchase tickets for meals, which are available in the trading post. Visitors should limit their visits to dinner & "open area" time immediately following dinner. We ask that all visitors sign out and leave before 9pm.

Due to insurance issues, limited space requirements and program needs, younger or older siblings of Scouts are not allowed to stay overnight in camp, even if their parents are Scout leaders in the campsite. They may come as an occasional guest to visit during the week. Program activities are open for Scouts and leaders only unless advertised as a family event - such as the Friday night Campfire & BBQ. Please be aware, there may be some children of the staff that live in the camp for the summer.
