Welcome from the Camp Administration

Greetings All,

We are excited to have you as a guest at Camp William Hinds this coming summer. We are planning an exciting fun-filled program with lots of merit badges and new experiences. Our goal at Camp Hinds is to help each young Scout grow mentally and physically, and to assist them along the Trail to Eagle. Summer camp works for many different reasons: talented staff, fun activities, the outdoor setting, and the unique spirit of Camp Hinds to name a few. However, the most important reason summer camp becomes one of the most memorable experiences in a young person’s life is because of the dedicated leaders who guide them throughout the year. You are all appreciated! Remember the journey is often more important than the destination. All of us at Camp Hinds stand ready to support you and your Scouts on their Scouting journey.

Camp Hinds is located on over 300 acres of land on Panther Pond in Raymond, Maine. Less than an hour outside of Portland, Panther Pond is part of the Sebago Lakes Region of Maine. Camp Hinds is owned and maintained by the Pine Tree Council, Boy Scouts of America.

The camp was founded in 1927, and over the years has grown to include a number of summer and winter facilities and buildings including a new 499 seat Dining Hall along with a new STEAM NOVA center in the basement, Health Lodge, Recreation Hall, Trading Post, Craft Shop, Training Center, eighteen new High and Low Ropes Course elements and three waterfront areas. Several buildings are used for year-round camping but Hinds is used primarily as a traditional resident summer camp. When not serving as a summer camp, various Scout units from the area can be found utilizing its many camp sites and buildings throughout the fall, winter, and spring months.

Camp Hinds has a trained staff of approximately 60 Scouts and Scouters, who are all registered members of the Boy Scouts of America. Since its inception the staff at Camp Hinds dedicates itself to promoting the aims, values, and methods of Boy Scouting, while ensuring a quality program for every youth who attends. Our camp operation is overseen by a trained and certified Camp Administration team comprising of a Camp Director, Assistant Camp Director, Program Director, Head Commissioner and Camp Ranger. Each of our program and support areas are overseen by an Area Director, many of whom have attended the National Camping School program for training specific to their job. Camp Hinds is inspected yearly and meets the standards set down by the B.S.A. National Office for an Accredited Boy Scout Summer Camp. Our staff is trained to provide the highest level of customer service possible and will assist and work to accommodate your needs in every way possible. Please do not hesitate to ask for assistance. Occasionally, it may be necessary to shift or rearrange program plans or camp sites to accommodate everyone, but this will only be done when no other alternative is possible and when it is in the best interest of the Scouts and the program.

1:00 PM for Scoutmaster & SPL Orientation

We hold a meeting at Tabor Retreat for all Scoutmasters and Senior Patrol Leaders at 1:00PM on the day of your arrival. All Scoutmasters and SPL’s are expected to attend. **No one will be allowed into camp until 2:00PM.** This meeting is intended to give you the opportunity to bring in all paperwork for camp that was not mailed in ahead of time or submitted online. This includes Med forms. This is your opportunity to sign up for your troop rotation activities.

Please bring two copies of your troop rosters. We need this information so we can assign you appropriate table space in the dining Hall.

We will also provide you with information about any new programs that we added after the guide was posted, any changes to policy, and we will answer any questions you may have.

Arrival Time

Scouts should arrive at the Camp Hinds parking lot (not the parking lot on Plains Road but the one in camp) just prior to the gates opening at **2pm on Sunday.** Once there, troops will be greeted by their campsite guide, who will accompany the boys, parents and leaders to their campsite. A vehicle pass will be given to each troop to enable all gear to be brought to the campsite. Vehicles without a pass will not be allowed into camp. Once the unloading of gear is complete, vehicles need to be moved back to the parking lot. Each troop is allowed a trailer with gear to remain in the campsite.

Medical Forms

It is a regulation of the Boy Scouts of America that anyone who does not have a completed and signed medical form at the check-in time at camp will not be allowed to remain in camp. **NO exceptions will be made.** See page 13 for more details.

End of Week Paperwork

Leaders will receive a packet at the end of the Friday night campfire with your advancements reports, troop photos, and med forms. If you need to leave before the campfire, you may stop by the camp office at a later date to pick up your packet. Packets not picked up will be mailed out after August 21st.

No 11 Day Out Meetings

Rather than having an 11 Day out meeting we are doing three things:
1 – A member of the camp administration will be at each of the April District Roundtables.
2 – We will host pre-camp orientations meetings at camp on Wednesday May 9th at 7:00pm and Saturday May 12 at 2:00pm.
3 – We will hold a 1:00 PM Scoutmaster & SPL Orientation Meeting on the day of your arrival.

Scoutmaster Dinner

Tuesday Night at 6pm at Tabor Pavilion.
This is a chance to find out what new things are planned for next year. Camp staff and council representatives will be there to hear any concerns you might have. Please understand we need your help to make sure all of our Scouts have a great camp experience.
We ask that all camper and staff behavior follow the guidelines and principles set forth in the Scout Law. Negative and inappropriate conduct will not be tolerated. We ask for your cooperation and understanding in helping us maintain a high standard of personal behavior. Mature leadership is vital to the success of a unit’s stay in camp. If your unit’s leaders lack the necessary maturity to safely lead a troop, your unit may be asked to replace the leaders in question or, as a last resort, leave camp.
The following rules and policies have been established by the Pine Tree Council Camp Administration for the health, safety and protection of all Campers and leaders in camp.

All your actions should be guided by the Scout Oath, Scout Laws, Motto, and Slogan at all times.

- **Youth Protection Training** is required to be current for all adults present at any Scout activity. No exceptions. All units will maintain two-deep leadership and meet national BSA Youth Protection requirements.
- **Any physical, emotional, sexual or neglectful abuse** must be reported to the Camp Director immediately so proper steps can be taken to protect the Scout.
- **The buddy system** should be used during camp. Buddies should be within two years of each other and be comfortable with the selection of the buddy.
- **Hazing and physical intimidation** of any kind is not permitted in the Scouting program and will not be tolerated at camp.
- Bullying, whether verbal, physical or cyber-bullying, is prohibited in Scouting.
- **Possession, consumption or being under the influence** of alcohol, narcotics or dangerous drugs will not be tolerated on the properties of the Boy Scouts of America.
- **No firearms, ammunition, fireworks, handheld weapons (swords, nightsticks, butterfly knives, etc.) or archery equipment** may be brought into camp. Due to our liability insurance, youth may only use the equipment provided by the camp.
- **No privately owned watercraft** are allowed in camp.
- **No flames in tents**! Troops may only use self-contained stoves and lanterns in their campsites, under the supervision of knowledgeable adults.
- **No liquid fuels** may be used to start fires or charcoal. All liquid fuels must be kept in the liquid fuel locker provided by camp.
- **Campfires** are permitted only in established campfire rings in each campsite, fire restrictions permitting.
- **Non-standing trees** may be cut. Any dead fall may be used for firewood.
- **All fires** must be extinguished before the unit leaves their campsite.
- **Non-running in camp**, except in an athletic field or sporting event. In an emergency, you may move quickly without running.
- **Closed-toed footwear** is required in camp at all times.
- **No pets** allowed by campers or visitors.
- **Vehicles** are to be parked only in designated parking areas, unless arrangements have been made with the Camp Director. Please lock your vehicle.
- To assure the safety of the units at camp and to minimize the impact on the environment and trails, only one vehicle at a time will be permitted to go to the campsite to unload and load. All vehicles must be returned to the designated parking areas. No vehicles will be kept at the campsite except for campers with a physical handicap and arrangements have been made prior to camp with the Camp Director.
- **All trash** must be properly disposed of during camp as well as upon check out. Dumpsters are located near the dining hall.
- **Quiet time** is from 9:30 pm to 7:00 am.
- **Check out** is following the campfire on Friday. Units wishing to leave prior to or after check out must make arrangements with the Camp Director.
- Units must clear their campsite with their Troop Guide or commissioner before leaving camp. Units leaving facilities in an unsatisfactory condition may be assessed a fee for cleaning and/or repairs.
- Campers are not permitted to use tobacco in any form at Camp Hinds. Adults are asked to confine smoking to designated smoking areas as selected by camp administration. The use of vapor or e-cigarettes is not permitted at any time in camp.
- **Scouts and leaders leaving/entering camp at anytime must sign in and out at the camp office.** No Scout shall be released from camp without the permission of his parent or guardians.
- **All visitors must sign** in and out at the camp office. Older and younger siblings are not allowed to stay overnight in camp, even if their parents are leaders in the campsite.
- **Valuables** should be left at home! Please encourage Scouts to leave all electronic or expensive equipment at home. Advise your Scouts not to leave valuable items they do have in camp unlocked in their campsites. Camp is not responsible for damaged or lost items during your stay.
Scouts come to camp for fun, friends, and adventure. Where else will your Scout have a squirrel run through their tent in the morning as they’re getting ready for the breakfast? Where else will they have an opportunity to grow current friendships, and make ones that will last a lifetime? Where else will they discover the best place to see the Milky Way in the night sky? The daily or weekly schedule in camp is only an instrument for planning and administering the program. It is a timetable for certain formal activities and a checklist of opportunities. Arguably fun, friends, and adventure is a big part of Scouting, but it isn’t always found on the schedule. It is found in free experiences or in doing unscheduled or unplanned activities.

- Ask the Scouts what they want to do at camp. Share a list of suggested activities. Get them excited about going to camp. Find out what the Scouts would like to do together as a troop, as a patrol, with a friend, or on their own.
- Determine advancement needs. Update your individual advancement records and have each Scout build his week-long program based on his goals.
- Plan for camp routine. The camp program includes and allows time for camp housekeeping, set up, clean up, and inspections. Learning to live and work together can be a very important part of Scouting’s purpose.
- Plan for troop programs. Be sure to leave time for the activities your troop would like to do together, including swims, hikes and shooting.
- Do not be afraid to let the Scouts make mistakes. Mistakes are the seeds that germinate learning and success. Always keep safety in mind!
- Make your campsite the heart of the camp. Your campsite is your home for the week, so work at making it more comfortable. Try using banners and flags to dress it up.
- Show troop spirit. Challenge the rest of camp by bringing your troop cheer to camp and show everyone you’re number one!
- Hold daily troop meetings. SPLs can share important information and give daily recognition to troop members.

Scouts and adult leaders are not obligated to take part in every activity. It is important to remember that Scouts grow and learn just as much from leisurely pursuits as they do from earning merit badges and picking up camping skills. One of the goals of the Boy Scouts is to foster an appreciation of the outdoors, and sometimes that is best accomplished simply by being outdoors on the natural setting of camp. Some tips to avoid over-programming:

- Summer camp is not a merit badge mill. They are one portion of the overall program.
- Be aware of which badges require the most skill, endurance, or written work, since those will require more time during the week.
- Merit badge work at camp can be made easier if the Scout does some preparation in advance. Camp is not an ideal place for Scouts to complete written work and Scouts can prepare by completing their written work before arrival. Obtaining the merit badge pamphlet and at least knowing the requirements is a great place to start.
- Don’t forget to schedule rest time. Too often Scouts don’t take the time to sit back and enjoy the beauty Mother Nature has to offer. This goes for Scoutmasters as well!
The Role of the Scoutmaster at Camp

As Scoutmaster or adult leader, you have a key role in assisting your troop in executing your planned program and tending to your troop’s needs. Commissioners are available to guide and assist you, instructors provide programs, and food service staff help to make sure you’re fed adequately.

Suggestions for Scoutmasters:

- Follow all camp policies.
- Distribute troop medications individually.
- Monitor Scouts’ behavior and enforce camp rules and policies.
- Adults should know the approximate location of their Scouts at all times and be aware of the activities they are involved in.
- Enforce the buddy system. Scouts need to have a buddy in the program areas, on hikes, while swimming, and during other activities.
- Monitor your Scouts’ advancement. Spot check attendance and progress.
- Empower the SPL to enact and use a duty roster for the week.
- Attend leader meetings. Take advantage of leader development opportunities. Explore ways to enhance your year-round program.

The Role of the SPL at Camp

The senior patrol leader is the key youth leader in the troop. Listed below are the camp duties of the SPL. The SPL - not the adults - should be the primary leader for your troop during your stay at camp.

Suggestions for SPLs:

- Assist your troop in planning their summer camp adventure.
- With your troop leader, attend the pre-camp orientation meeting.
- Upon arrival, meet your camp guide and become familiar with your campsite and campwide duties and responsibilities.
- Attend daily SPL meetings and relay information and ideas to and from your troop.
- Be responsible for your troop’s bulletin board.
- Create a daily duty roster and make sure members follow it.
- Make daily announcements about upcoming programs and results of campsite inspections.
- Be sure your troop members observe times for taps and reveille. As a leader, you know they need their sleep and you must respect your campsite neighbors.
- Be sure your troop completes all camp-wide duties you are scheduled to complete!

Any exception to this policy will need a written request with documentation (i.e. a Scout broke his leg, we would need documentation from a physician) for a refund to be considered.
Arrival

Scoutmasters and SPL attend the 1:00pm Scoutmaster & SPL Orientation Meeting at Tabor Retreat.

All other Scouts should arrive at the Camp Hinds parking lot (not the parking lot on Plains Road but the new one part way down the road) just prior to the gates opening at 2pm on Sunday. Once there, troops will be greeted by their campsite guide, who will accompany the boys, parents and leaders to their campsite. One vehicle pass will be given to each troop to enable all gear to be brought to the campsite. Vehicles without a pass will not be allowed into camp. Once the unloading of gear is complete, vehicles need to be moved back to the parking lot. Each troop is allowed a trailer with gear to remain in the campsite.

After unloading is complete, and the vehicles are parked, the campsite guide will accompany the boys on a tour of camp and to the Health Lodge for a medical check-in. All medications must be checked in at the Health Lodge at this time. As a reminder, it would be prudent for leaders to have copies of all medical forms in the event some are missing. Once the boys and leaders have completed their medical check-ins, they will be given identifying armbands that they are to wear for the duration of their week stay.

Following the medical checks, buddy tags will be given and all must complete their swim classification followed by time to get settled into your campsite. A brief waterfront orientation, mandatory for all, will follow the evening meal on Sunday.

Departure

On Friday, the camp gathers for a sit down lunch, highlighted by the traditional plaque hanging ceremony in the dining hall. Following lunch there is some time to begin the process of packing and cleaning the campsites before the camp wide event which will end at approximately 4:30pm! Starting at 5pm, parents and guardians should begin to arrive and join us for our family BBQ, retreat & closing Friday Night Campfire! Bring the family for an evening of fun for all!

Please note: given the large amount of pedestrian traffic, only one troop vehicle will be allowed in each campsite to haul out troop and personal gear. Vehicle passes will be issued to Scoutmasters on Friday.

For your safety, when traveling to and from the parking lot all pedestrians are asked to walk the trail to Tabor Retreat and then the Cadigan Road rather than on the main camp road.
Medical Supervision
Dr. Donald Burgess oversees the camp medical staff. A licensed health officer is in camp, on duty at all times, to handle all medical emergencies. If the injury or illness is serious, the person is brought to a local health care facility. Written agreements are in place between Camp Hinds and local health care providers to care for our campers, staff and guests. All medical illnesses or injuries must be reported to the health officers in camp - no matter how minor the incident. Please report any dietary or health restrictions to the camp office at least two weeks prior to your arrival in camp.

Medical Forms
All campers and leaders attending camp must have a completed BSA medical form on file with the camp health office while at camp. Please be sure to use the 2018 BSA health form that has been developed (it is included in this packet). Scouts and leaders must have a valid physical within 12 months of camp. The height and weight restrictions are only guidelines for summer camp but are mandatory for high adventure activities. Remember, for the section labeled “Adults Authorized to Take Youth to and From Events,” we are recommending that under the “designate” portion you have parents/guardians write “Licensed Driver over the age of 18 with permission of the Scoutmaster.” Then, be sure to have parents/guardians include any adults NOT authorized in the next section. Note: Scouts participating in the SCUBA must also complete the Medical Form provided by Skin Driver’s Paradise.

It is a regulation of the Boy Scouts of America that anyone who does not have a completed and signed medical form at the check-in time at camp will not be allowed to remain in camp. NO exceptions will be made. Camp leaders should collect all medical forms and check them to make sure they are complete prior to leaving for camp. Please mail a copy of each person’s health form to Camp Hinds at least two weeks prior to your stay in camp. The health officers will review the forms before your arrival to help provide your troop with a smooth check-in once camp begins. Please make two copies of your medical forms; one for camp and one for your records.

Medical Recheck & Medications
Upon arrival in camp, all campers and leaders will go through a medical recheck at the Camp Health Lodge. Pine Tree Council and Camp Hinds must comply with all State of Maine laws and BSA politics concerning medication in camp. ALL medications brought to camp by campers, leaders and staff MUST be given to the Health Officer upon arrival in camp. This includes prescription and non-prescription medicine. This medication will be put into a locked box for each troop. The adult leader in charge of the troop medication will check the box in and out with medical staff at the beginning and end of each day.

Exceptions will be made for a limited amount of medications to be carried by the Scouts or adult for life threatening conditions including bee sting kits, nitroglycerin, inhalers and medication specifically prescribed “to be carried at all times” by a physician. Camp supplies any over the counter medications and first aid supplies that your Scout may need during his week at camp.

Contacting Health Office Staff
If you have any questions about the health lodge, health forms, or medications, please send us an email. This is also an alternative should parents want to scan their child’s health form and just send it directly to us. Be sure all forms include the Scout’s troop and weeks in camp. The email address is: hinds.healthlodge@gmail.com

Emergency Medication Plan (For Patients with Asthma or Severe Allergies Only!)
The State of Maine requires that all campers that are going to carry a rescue inhaler or Epi-pens, provide the camp with an Emergency Medication Plan. Additionally, each camper must have their parent’s and physician’s approval to carry the inhaler and indicate that the camper is able to use the inhaler. At the time of check in, the camp health staff must also evaluate the camper’s ability to use the inhaler. Please be sure to complete the Emergency Medication Plan with the physician and send it to camp with the health form. A copy of the school asthma plan will be acceptable as well.

Peanut Free Zone
Due to the increase in campers having peanut allergies, some which are life threatening, we have decided to make the Camp Hinds dining hall a peanut free zone. This means no foods with peanuts, peanut oil or peanut butter will be used in the kitchen or dining hall.

Any parents, who have a camper with food allergies, still need to list the allergies on the camper's health form and notify the camp at least two weeks in advance.

Many campers love a peanut butter sandwich, and this can be a great snack! Troops may still choose to have peanut butter in their campsites as long as the Scouts in their campsite don't have a peanut allergy. Our Trading Post will still carry individually wrapped candy bars that may have peanuts or peanut butter in them.

Handicapped Information
Camp Hinds aims to make our program available to all campers. If you have a person with a disability that may require special attention, auxiliary aids or any reasonable accommodations, please contact the Camp Director at least two weeks prior to your stay at Camp Hinds.

Preventing Homesickness
One of the biggest challenges facing Scouts at camp is homesickness. A great way to prevent homesickness is for families and leaders to stress all the fun the Scout will have at camp and the many new experiences that are in store. It is good advice for family members to refrain from comments about how much they will miss the Scout or how much the Scout will miss everything at home.

A big cause of homesickness is a phone call home. If a boy is not homesick, there’s a good chance he will be after he calls home. Scouts are discouraged from bringing cell phones to camp. Parents should be discouraged from having their Scouts call home, except in an emergency.

Rest
Adequate sleep can be the key to a great week at camp. Each person needs a certain number of hours of sleep each night. Troop leaders need to ensure their campsite is quiet at 9:30 pm to permit those who wish the chance to get at least eight hours of sleep. Some people need more time to rest during the day. Leaders need to be sensitive to this and provide opportunities for rest time.
Camp Hinds has long established procedures recommended by the BSA for lost campers, lost swimmers, fires and severe storms. We use a siren as a warning device if and when it becomes necessary to call the camp together. When you hear the siren, all campers, leaders, and guests are to report immediately to the council ring. Please move quickly, but no running. The Scoutmaster needs to take a head count and report “Troop # all present” or “Troop # is missing # Scouts” as the Camp Director takes a troop roll call. The staff may have different roles depending on the nature of the emergency.

In the case of a severe storm warning, staff will be informed via the camp radio system. At the sound of air horns, all Scouts, leaders, and staff will seek shelter in the Rec Hall, the Dining Hall, Ring Hall, Cadigan Lodge (if not used for housing), Bates Cabin, Tenny Rec Hall, or the Training Center depending on their location. A roll call will be taken. The camp will be dismissed once an all clear has been given.

Because of the many recent mass shooting events around the country, Camp Hinds has added an active shooter/disperse procedure to our emergency procedures. This is a different response to the alarms described above and being mindful of the difference is vital. You will receive official emergency procedure when you enter camp, they are posted on your campsite bulletin board. We will have a drill within the first 24 hours and at that time we will discuss the two types of alarms: “gather” and “disperse” and listen to both so that leaders and Scouts can differentiate between the two. Staff will be well informed as to how to respond to these alarms and what action to take to ensure the safety of all.

Camp Hinds has written agreements with local fire, police and medical departments to provide Camp Hinds with the necessary coverage for any emergency.
FAMILY STYLE MEALS

Meals are prepared by our kitchen staff and served in the dining hall. The camp menu has been dietician approved to ensure that properly balanced meals are being served to the growing young men that visit Camp Hinds each summer. A copy of the camp menu will be posted in the dining hall.

All meals except for the Wednesday “cook in your campsite” dinner and the Friday evening BBQ will be served family style. Troops are assigned tables at the dining hall on Sunday by the Dining Hall Steward based on the number of people listed on your troop roster, including adult leadership. Tables are set to hold eight people. Troops are strongly encouraged to assign one adult leader to each table. Some camp staff members may join you at your tables.

The Waiter System
The waiter system is used at camp during the family style meals to help facilitate the serving and cleanup of the meals. Each troop needs to assign waiters, one per table assigned to the troop, for breakfast, dinner and lunch. Where possible each waiter should serve three meals (dinner, breakfast, and lunch)

All waiters are responsible for arriving at the dining hall 20 minutes before each meal. The Dining Hall Steward will instruct waiters in setting the tables for the meal being served. Waiters are the only Scouts allowed to be up during the meal to get seconds and desserts from the kitchen. Waiters are also responsible for staying after the meal to clear their tables and sweep the floor. The Dining Hall Steward will dismiss them from their duties when he or she feels the hall has been properly cleaned.

We use a light system to signal waiters when its time to go to the kitchen. We ask that ALL Scouts and leaders stay seated at their table when the RED light is on.

Theme Dinner
On Tuesday at dinner we celebrate the 2018 theme: Sci-Fi. Come dressed as your favorite Sci-Fi character.

Camp Songs
Not sure of the words to some of the song we sing in the dining hall and at campfires, visit the Camp Hinds song book at: http://friendsofhinds.org/resources/songbook/index.stm
Troop Cooking
All troops will be cooking Wednesday night dinner in their campsite!
The kitchen will provide the following ingredients per person:

- Apple
- 1/4 lb ground beef
- 1/8 lb onion
- 1/4 lb potatoes
- 1/8 lb carrots
- 2 tbsp butter
- 3 pieces of foil
- 1 banana
- 1/8 cup chocolate chips
- 1/8 cup marshmallows
- Drink mix

Troops can cook according to their own personal taste and cooking techniques.
Troops can supplement their meal or replace it at their cost.
Troops will need to provide:
- Cookware (including your own pots, pans, dutch ovens as needed)
- Cooking utensils
- Container for mixing drink
- Mess kits
- Tools needed for cooking on an open fire if doing foil dinners.
- Cook stove if you prefer not to cook on open fire.

As an option troops may want to bring their own food for a special or unique meal or order out from a local business.

If your troop is interested in doing more troop cooking in your campsite, arrangements may be made through the Camp Office for in camp meals and through the Camp Director for Outpost trips.

Special Diets
Arrangements can be made with the cook for those with special dietary concerns (religious or health based). Please contact the camp at least one week prior to your arrival at camp for special diets so that arrangements can be made and food can be ordered. These meals will be individually prepared for each Scout. The Dining Hall Steward will make a special call when these special diet meals are ready for pickup.

Friday BBQ and Parents Night
Parents and Family are invited to attend the Friday evening activities, including BBQ, retreat, and closing campfire. Dinner will be at 6 p.m. followed by the Flag ceremony and retreat at 7:15 p.m. and the campfire at 7:30pm. Please stay and attend the Friday closing campfire with your Scout! It’s the culmination of what is the highlight of their summer! The staff will be putting on a show for all of our visitors that your Scout will not want to miss! Scouts and leaders will be recognized. Awards for certain activities completed during the week will be distributed.

BBQ Tickets are available for purchase at the Trading Post starting on Sunday. Tickets must be purchased by noon on Tuesday to allow time for ordering food. The meal will be hamburgers, hot dogs and all the fixings (Vegetarian options will be available)! Campers do not need to purchase tickets. The tickets are $5.00 per person. In the event of "liquid sunshine", activities may be moved inside and dining times will be assigned to campsites.
The heart of Camp William Hinds is the quality, once in a lifetime program we offer each week during the summer. Our program is diverse with something to challenge every Scout of any age and of any interest.

1 - For our **First year Scouts** (those who have just crossed over) our POLARIS program will provide a wonderful beginning to their Scouting journey. This exciting program will introduce the new Scout to the skills of Scouting and will allow new Scouts to complete many Tenderfoot to First Class rank requirements as well as earning their first merit badges. Highlights include an ice cream social, overnight, and a hike up scenic Rattlesnake Mountain!

2 - For returning Scouts, our **Traditional Summer Camp Program** will provide a multitude of opportunities. These Scouts who are in the middle of their Scouting career can earn merit badges, gain leadership skills, build troop unity and develop advanced Scouting skills and experiences.

3 - For the **Older Scout** we have made several additions to our selection of badges and afternoon programming. Older boys can choose from opportunities such as these. The number in parentheses is the minimum age required to participate.

- **(14+) COPE program** (Challenging Outdoor Personal Experiences) learning teamwork and advanced leadership skills while getting to experience a high adventure thrill on our high ropes course!
- **(14+) Pistol program** where older Scouts will learn safe, competitive pistol shooting, and earn their First Steps certification
- **(13+) Motorboating Merit Badge** where older Scouts will learn how to safely operate and care for motorized watercrafts
- **(13+) Trail To Eagle program** where older Scouts can work on many Eagle required merit badges, learn the process for becoming an Eagle Scout, and most importantly what it means to become an Eagle Scouts
- **The Scuba (13+) and BSA Lifeguard (15+) program** will keep them on or below the waves all week.

4 - **Pine Tree Council Treks.** Our 50 mile Treks will challenge any Scout. Have an older Scout that is bored with summer camp? See if they are interested in this challenge. This is a provisional program so Scouts can do this without leaders.

5 - Have a Scout that you would hold up as an example to your troop? Have a Scout that loves to lead the way and teach younger Scouts? The **Counselor in Training (CIT) program** is likely a great fit. In this 3 week program a Scout will get to attend camp for a week as part of the provisional CIT troop. Week 2 will be spent learning to teach and lead younger Scouts while mastering some new skills. Week 3 will be a week of internship and mentoring spent with the Camp Hinds staff. This is a great opportunity for aspiring staffers and an amazing value for 3 weeks of camp.

Polaris  
**Full Week-Periods 2&3 | Recommended Age 10 & 11**  
**Offered Every Week**

Polaris is our First Year Camper Experience, which will introduce your new Scout to new skills, provide an opportunity to advance, and experience unique summer actives in one action packed program. This program is ideal for new Scouts as each Scout will get...

- A great energetic, caring and knowledgeable staff all week long!
- Completion of many requirements for the ranks of Tenderfoot through First Class
- To visit and participate in activities in every area in camp!
- Tons of Scout spirit, work as a team, and develop their leadership skills!
- The Polaris patch to wear on your uniform!
- A supportive environment and will be grouped with other Scouts just like them!
- To make new friends
- To learn the patrol method and how it forms the basis of Scouting.

During the week the Polaris group will have an over-night this year on Wednesday night, wake up cook a delicious breakfast as a Polaris group and as a group hike beautifully scenic Rattlesnake Mountain together on Thursday!

The Polaris program runs periods 2 and 3 in the morning, the first period is open for Scouts to earn their first merit badge in a topic of their interest like swimming, crafts, or nature. Scouts can also get some tutoring in swimming provided by our great aqua staff and work towards swimming skills needed for rank advancement.

**Polaris First Class**  
**Full Week-Period 1 | Recommended Age 11**  
**Offered Every Week**

Whereas Polaris is a double period session, Polaris First Class is a one period session. Most of the features listed in the Polaris description above including the Wednesday overnight will be included in this program but the emphasis will be on the requirements for First Class only.

**Polaris Aquatics**  
**Full Week-Period 1 | Recommended Age 10 or 11**  
**Offered Every Week**

This is an optional program for younger Scouts. Each participant will receive instruction in swimming, rowing, canoeing, lifesaving, sailing, and their 1st & to 2nd class aquatics requirements. This does not replace the Swimming Instruction Class. This will also help troop boating events where paddling straight is a challenge for some Scouts.
PROGRAM OVERVIEW:

The traditional program is the best option for returning and older Scouts that want to take merit badges. It encompasses a week of activity that is good for advancement, involves time for popular summer favorites and allows Scouts to enjoy some free time to spend with their unit to do some troop-led activities.

In the morning following breakfast, Scouts can attend up to three merit badges or specialized skill classes offered in several different topics like aquatics, crafts, nature, shooting, and more. The morning program is designed to help in advancement and to expand on Scout skills and new interests.

In the afternoon, troops will work together in activities all over camp helping to build teamwork and allow Scouts to see other parts of the camp. On Friday we will have the Camp Wide Event, which is a challenge type program where troop members are encouraged to work together to gain points or race against the clock in order to beat the other troops staying in camp. Each afternoon will end with some open area time where Scouts can return to a favorite activity or try something new!

Evenings at Camp Hinds include merit badges, specialty program and events, campfires and open areas. With different activities every night, Scouts have plenty to do or they might choose to play a game of chess or hang at their campsite!

Most of our special programs like SCUBA are limited to one or two weeks. We recommend Scouts who want to participate in these activities join the provisional group if their troop is not coming on the specific week of a specialty program. We also give a discount to Scouts that attend camp for more than one week.

</table>
For 2018, we are offering nearly 60 different badges and classes in our traditional program. Scouts and Scoutmasters should have a meeting to decide the right badges for their Scouts. **It is important that badge selection is carefully thought through; a Scout may have the impression that they may want to take a certain badge but it may not be the right fit for that year.**

**Age Restrictions and Prerequisites**
Many of the badges in our directory have age restrictions that have been placed on them to make sure that the maturity level and educational skill are appropriate for the material that comes with the badge. **Many merit badges have prerequisites that need to be completed prior to camp.** It is important to look over the prerequisites in this guide and make sure that Scouts have the appropriate qualifications and materials needed to successfully complete the badge at camp.

**Registration**
Our preferred method of registration is through our online portal located at [https://scoutingevent.com/218-2018Hinds](https://scoutingevent.com/218-2018Hinds). This can be done as you register your troop. If you are not ready at that time you may log back in to sign Scouts up for specific merit badges at a later date. Scoutmasters and Scouts in Provisional will be able to log in an add individuals to the roster, sign Scouts up for merit badges and sign older Scouts up for older boy programs. Registration is a first come – first serve system and those who register early online will be given preference. If internet access is an issue, please contact Council or camp (when in season).

If registration must be done via mail, it is strongly suggested to send registrations in to camp no later than two weeks prior to camp. Please note that registrations mailed in will not be addressed until staff arrives at the end of June. Forms received late will be handled on your Sunday arrival day or Monday morning.

**Scouts Daily Schedule Confirmation**
If your unit has preregistered with us, leaders will get a copy of their Scouts’ signups at the Scoutmaster and SPL meeting at 1:00pm on Sunday. This will give them the opportunity to make a final check of what their Scouts are enrolled in and make final changes or correct errors.

The office staff will provide you with master and individual schedule printouts for adult leaders and Scouts by the Sunday night campfire. If you find problems with Scout schedules, please come to the camp office. Changes can be made before 5PM on Sunday or at 8:00AM on Monday.
**Class Operation**

When leaders receive their proof copies on Sunday, they may notice blank and moved slots in Scouts’ schedules. While we do what is possible to accommodate your Scouts’ requests, they may not always get what they signed up for. Some classes have size limits that are dependent on equipment; others cannot operate when there are too few people because of youth protection guidelines. Scouts may need to be moved to a different time slot of a particular activity to offset large differences in class sizes.

**Additional Equipment**

Some merit badges require special equipment (fishing reel, musical instrument, etc.) While the camp has some equipment, a Scout will increase his learning opportunities by bringing his own from home. Please label any items brought from home. The camp is not responsible for lost or damaged items.

Merit badge pamphlets may be required for a class. We recommend that Scouts utilize their troop library or purchase them from the Pine Tree Scout Shop ahead of time. There is a selection of merit badge pamphlets at the Trading Post, but only in limited quantities.

**Paperwork**

Camp Hinds uses a report generated by Scouting247/Black Pug to report all work done in camp. Completed merit badges will be recorded and kept in the records at Camp Hinds. If you are missing paperwork, please contact the camp office before August 21st. After camp please contact the Pine Tree Council Offices at 207 797 5252 ext. 33 to request any copies of missing merit badge paperwork from the summer. Leaders will receive a packet at the end of the Friday night campfire with your advancements reports, troop photos, and med forms. If you need to leave before the campfire, you may stop by the camp office at a later date to pick up your packet. Packets not picked up will be mailed out after August 21st.

**Prerequisites**

Many merit badges, including most of the Eagle required ones, have requirements that Scouts **must complete before** attending summer camp. If those requirements are not completed or the Scout does not bring documentation that the requirements were completed, the Scout will go home with a partial. See the chart starting on page 27 for details.

**Partials**

Partials are given when a Scout does not complete the prerequisites before camp, is absent from class, their work is not passed in, or the work is not to expectations within reason. Staff will try to inform leaders if their Scouts are having trouble completing the required work. It is important for leaders to check with Scouts throughout the week to make sure their assignments in and out of class are being completed. Staff is prepared to work one-on-one with a Scout in the afternoon or evening, if they need extra time or extra help. If the week is over and requirements are left undone the paperwork will reflect a partial so that they may come back and finish only what was not completed to a Counselor in their troop or at another week or season of camp.

If a Scout does take advantage of another week or comes back for another season they must bring a copy of the paperwork that was released at the end of their original week to the makeup counselor. Hinds does keep records up to a certain date but if paperwork is lost by the unit we cannot guarantee that we can recall the records quickly or at all (they are stored off campus) after a season is completed.

If a partial is to be completed after camp, you will need to find a local merit badge counselor to sign off on their paperwork (talk to your Scoutmaster or Troop Advancement Person).

All participants at camp are invited and encouraged to join the Camp Hinds family in our daily program. The program is open to all scouts and their leaders. Our Program consists of a variety of opportunities ranging from basic scout skills to more advanced scout skills: including camping, cooking, axemanship, wilderness survival, nature, astronomy, technology, shooting sports and swimming and boating. Engaging in these various opportunities will help instill good citizenship, establish and expand positive characteristics in youth, and offer supports to the unit’s year round program.

Anticipated behavioral outcomes will include: a higher learning opportunity for each participant, fellowship opportunities, and a broadening of social, behavioral and general good will. This program will allow opportunities for Scouts and leaders to be involved in the camp program and help us to further develop choices and opportunities for the future.
Troop H (Provisional Troop)
Offered Every Week

Not all Scout troops can go to summer camp and some Scouts would like to stay at camp longer than the troop does. So here is a way for Scouts to enjoy Camp Hinds for as many weeks as they would like. The camp will provide the leadership by having a qualified trained Scoutmaster and assistants serve as your boy’s leaders for the week. Each Scout will join the provisional troop in Wilderness campsite which is made up of Scouts from different troops throughout the area and even out of state. He will be entitled to participate in all camp activities as any other Scout would. He will have the added excitement of meeting and making friends from around the council. This program is a great way for boys to spend an extra week at camp after their troop has gone home. It will extend the fun and adventure of summer camp. In addition to taking part in the individual advancement program, the provisional campsite will be organized like a troop and will participate as a group in camp activities. Each week will be filled with hikes, games, campfires, and competitions as well as some other activities available only to provisional campers.

Pistol Program
Two Day Program | Age 14+
Offered Every Week

Camp Hinds is excited to announce that we have been selected to continue the pistol program in 2018! We are the only camp in New England to offer this program and we look forward to showing Scouts the excitement and responsibility of handgun marksmanship. We will be offering two sessions during the week.

The first session meets from 1:00 pm to 5:00 pm Monday and Tuesday.

The second session meets from 1:00 pm to 5:00 pm Wednesday and Thursday.

You will need to signup for and attend one of the sessions for the entire week. Space is limited to 8 Scouts per session and parents need to complete the Pine Tree Council Pistol Program Participation and Hold Harmless Agreement form.
Scuba BSA, SCUBA Diving MB & NAUI Certification
Full Week-Morning Program | Age 13+ and Adults
Weeks 2, 3, and 4

Want to explore the world beneath the waves? The SCUBA program at Hinds will take any Scout or adult to new depths in an experience that will give them several rewards including the Scuba BSA Award, Scuba Diving Merit Badge and the NAUI Certification.

What is the NAUI Certification? The NAUI Certification is an international certification that will accredit adults and Scouts (with limitations until 18) with the ability to Scuba dive in open waters. Once you have finished this week and all other required material you will be able to independently go on voyages with a group or buddy and have your own underwater adventures anywhere around the world.

This is a morning only program instructed by SkinDiver’s Paradise (www.skindiversparadise.com). Some online instruction and an assessment will be required for the NAUI certification and should be completed prior to camp. A minimum of 3 Scouts must be enrolled to hold the class.

**Expense:** Cost for this Experience is the camp fee (early bird or late depending on when the Scout registers) plus the $405.00 Scuba fee for the week. This includes your week’s stay, instruction from Skin Diver’s Paradise, NAUI Certification fees and Education materials, and scuba equipment use*.

**Requirements:**
- Must meet the age requirement
- Scouts must be strong swimmers with prerequisites of Swimming MB and Lifesaving MB
- Will require some online classwork starting in June
- Medical clearance will be required – Scouts must provide a completed copy of the medical form provided by Skin Diver’s Paradise. Can be downloaded from www.camphinds.org

**How to Register:** Registration will be done online. Please be advised that space is very limited due to instructor ratios. Homework will be required and there will be a certification test administered to receive the NAUI credentials.

*Students wanting to purchase their own personal equipment (snorkel mask & fins) can do so at a discounted rate through Skin Diver’s Paradise.
BSA Lifeguard
Full Week-Half Day Program | Age 15+ (and adults)
Offered Every Week

The BSA lifeguard is an intensive program led by our aquatics team at Hinds. Its greatest purpose is to educate older Scouts and adults giving them the skills necessary to be a certified lifeguard for BSA activities. The outcome of this program will give them a certification that is good for 3 years that will enable them to operate as a lifeguard at scouting camps and aquatic events, and can also be accepted by some public/private beaches, camps and YMCA’s.

Prerequisites: Scouts and adults in this program must be outstanding swimmers; a little boating experience is preferred but not required. Youth need to have Swimming, Lifesaving and First Aid merit badges. Adults will need to contact Hinds prior to sign up for approval for this program, additionally they will be charged the “extra leader” fee of $110.00 as they will not be available to oversee their troop.

Space is limited so applicants that send in registration will be accepted first. This program is open to Scouts and leaders staying with their own troop or staying with our provisional unit.

Program Overview: This is an intensive program that will run all week and involve the candidate for most of the camp week, including evenings. Scouts will learn multiple rescue techniques including rescue from a watercraft, swimming extension rescue, active drowning rescue, passive drowning rescue, and submerged victim rescue. Trail to Eagle Program
Age 13+
Offered Every Week

Unlike years past this is no longer a stand alone program. This program is designed to help older Scouts who are in the middle or nearing the end of their Trail to Eagle. Scouts may select to work towards required merit badges for the Eagle Scout rank along with other camp merit badges, troop afternoon activities, and other older boy activities to create a unique schedule for themselves. Eagle required merit badges are offered throughout the program in the morning and afternoon. Many of the Eagle required merit badges offered by other areas in the morning do not require Scouts to be 13 years of age or older.

Pre-camp Preparation: Many of the Eagle required badges have prerequisites that should be addressed prior to camp (See Merit Badge Description and Requirements). If a Scout has fulfilled a prerequisite he will need to bring proof in an applicable form such as letter from a Scoutmaster, parent or advisor; photograph of a project, or a chart or written report. Also several badges will require the Scout to bring the merit badge pamphlet to class. We recommend that Scouts make use of their troop library or purchase a booklet from our trading post.

In addition to Eagle required merit badges a special “Eagle Topics” workshop will be held where information about the Eagle Trail will be discussed such as the Eagle Service Project, paper work, and board of review.
Counselor in Training Program
Three Full Weeks | Recommended Age 15 & 16
Session 1 (July 8th- July 27th)
Session 2 (July 29th- August 17th)

What is it?
Have a Scout in your unit with an interest in the dynamics of camp life as a staff member? Then the Counselor in Training (CIT) Program is the perfect fit for them. Scouts who apply for this program will spend three weeks working alongside our staff learning and experiencing the perks of being a Hinds Staffer, building leadership and communication skills and getting an early start in some work experience.

Benefits of this Program:
There are an infinite number of benefits that come from the CIT program. During the 1st week CIT's will engage in the traditional program at Hinds taking merit badges, building relationships with other CIT's in the group, and participating in summer camp highlights like swimming, boating, shooting and crafts just like a Scout visiting for a normal week. Week 2 finds our CITs taking limited merit badges while doing observations and some limited assisting in many different areas throughout camp. It is our goal to introduce our CITs to all the programs at camp, including COPE. Week 3 they will experience life as a camp staff – assisting in some merit badge instruction, helping with troop afternoon activities and evening activities at camp, including our campfires.

Cost:
Early Bird: $365.00 when paid in full by April 28, 2018
Regular Fee: $405.00
This includes a 2018 t-shirt, food and living arrangements. CIT's will be required to follow the same staff uniform policies, meaning in addition to their Class A shirt they will need to have a week’s worth of Staff Class B uniform which includes any Scouting shirt, Scout shorts, centennial green crew socks, and a belt. A complete supply list will be provided upon acceptance to the program.

Sign Up:
The CIT program uses an application process, where Scouts interested in participating should download, fill out, and send in the application from www.camphinds.org. Applications should be sent in by April 28th. Late applications will be accepted but will only be considered as space is available. A short interview will be made in the month of May. If accepted into the program there will be a CIT & Parent meeting in June.

We are offering two sessions of the program. Session 1 spans from week 1 (July 8th) thru week 3 (July 27th). Session 2 runs from week 4 (July 29th) thru week 6 (August 17th). CIT's will be dismissed from a week of camp at around 9 p.m. on Friday, have Saturday off, and will need to be back to camp on Sunday at 11:29 a.m (we can make accommodations for church services).
If your Scout is 13 years or older, they can participate in unique afternoon programs that are focused on a specific subject like water, sports or recreational challenges. Space is limited for all programs. Scouts should plan on attending every day that their activity is offered.

On Monday through Thursday, Camp Hinds offers 12 activities periods (three each day) for troops to experience all the areas of camp. Many activities are 50 minute sessions but some are longer. It is our hope that each troop will try to schedule at least one activity in each of our 12 program areas.

- Please attend activities as a group, encourage all Scouts to come and try the activity.
- All troops must have an adult present at the activity.
- If you opt for a troop time and want to visit a program area please ask them ahead of time.
- We will try to accommodate your requests however we may have to move one of your selections to another period or have to cancel an activity due to weather or staff limitations.
- If you end up not going to a scheduled session please let the office or the area know!
- Realize that you may be sharing an area with another troop!
- Never invite yourself into a program area that is not staffed!

**To Register:** Register for afternoon activities by completing the form in the back of this guide or at the Scoutmaster and SPL orientation meeting at 1:00pm on the Sunday you come to camp. **Blast Car Design, Construction, and Racing**

Blastcar is a CO₂ powered car for Boy Scouts. Blastcar is similar to a pinewood derby car in that the scout gets a pine wood block, 4 wheels and 4 axles to build a car, but the similarity stops there. Scouts can use their knowledge to experience the engineering design process through sketching an idea for their racer, laying out a design, constructing the car, conducting trial tests, modifying their design, and adding finishing details. Scouts design their racers for optimum performance on the course.

Scouts need to attend all four evenings  
Monday: Scouts work on the design phase. Staff will rough cut the cars for Tuesday evening.  
Tuesday & Wednesday: Scouts will finish car construction – shaping, painting, adding wheels, etc.  
Thursday: Race event.

Scouts will be required to purchase the kit - $5.00

**Drop-in Coding (Monday thru Thursday)**

Scouts may drop-in for one, two, three, or four evenings. Scouts will experience various coding activities from graphic based to text based to program a Sphero or BB8 robot. Beginners can give robots commands by drawing a path in the app for their robot to follow. Intermediate coders can utilize the familiar block-based drag and drop interface, while pros can use text programming and write their own code.
Waterfront Orientation
A brief, but mandatory, waterfront orientation for all campers and leaders will be held at the waterfront directly after dinner on Sunday night. Everyone in camp must attend.

Themed Camp-Wide Event
The theme for 2018 is Sci-fi. You won’t want to miss this fun and friendly competition on Friday afternoon with this great way to build unity in your campsite. Dress as your favorite Sci-Fi character and come join us for an afternoon of fun! Senior Patrol Leaders will get more information at the SPL meetings!

Polar Bear Dip
Are you an early riser? Say “hello” to the day – and our aquatics staff – by jumping into chilly water every morning for the Polar Bear Dip. If you need a pick-me-up that coffee can’t supply, or are up for a crazy challenge, report to the waterfront at 6:30 am Monday through Friday where you will plunge, splash, or dip into Panther Pond. For those brave enough to attend four mornings, the honor of being able to purchase the Polar Bear Dip patch will be theirs.

Mile Swim, BSA
This is a rugged swimming challenge for all campers and leaders who want to test their endurance. Swimmers swim Monday through Thursday at 7:00 pm. Participants must attend ALL the mile swim sessions. Completion cards will be given to all who complete the challenge and a patch can be purchased at the Trading Post with proof of completion. We know some conflicts can occur, for example, maybe your are taking Fingerprinting on Tuesday. Talk to our Aquatics Director to schedule an alternate time to do your laps on Tuesday.

Fishing
Scouts may go fishing with a buddy during open areas. A favorite spot is along Tenny Point or try our fishing docks! Want to fish from a boat? Scouts may only fish from rowboats during troop boating or open boating times. Fishing is not allowed off the Tenny Bridge or in the swimming or boating areas. Wading is not allowed while fishing at any time.

Sports
Want to challenge the staff to a friendly game of Frisbee or play water polo with another troop? Volleyball, soccer, basketball, baseball, badminton, ultimate Frisbee or your troop’s favorite sport are available during your week at camp. Stop at the camp office to check on availability of equipment.

Zombie Run!
The zombies of 2016 are still lingering around camp! Join us for a morning run to escape the brain eaters! Meet at the dining hall at 6:30am.

Chess and Cribbage
See if you are the best at Camp in these games or make a tournament of your own. Stop by the Office to sign up. Tournament playoff rules will be posted at Camp. Campers will need to coordinate a time to play during open areas and report the results to the Office.

Duty to God Service
A Duty to God Scout Service will be held on Tuesday evening following dinner in the council ring. Troops may join one of our offered services or plan something for their own troop. If you would like to reserve a camp spot for your service, please stop by the Office. All Camp Offices and Areas will be closed during the Service and we ask that all Scouts observe this quiet time at camp.
First Year Ice Cream Social
If this is your first year at camp, as a Scout or leader, don’t miss the sweetest Camp Hinds tradition ever. Join us for some ice cream and a chance to meet the Polaris Staff on Monday evening following merit badge sessions at the dining hall.

Scoutmaster Splash Competition:
Can you handle pain? Have a distinct style or a big cannon-ball splash? Please join us for the Scoutmaster splash competition. Always a popular event and back by demand! Don’t miss the fun this year - and bring a crowd to cheer you on!! See you at main beach at 8:30pm on Wednesday.

SPL Daily Meetings
A brief meeting will be held daily with the Program Director for all Senior Patrol Leaders. Please send a troop representative to this informative meeting if your SPL is not available. Meetings are at 1:00 pm daily at the Rec Hall.

Madockawanda Lodge - Order of the Arrow
For over 100 years, the Order of the Arrow (OA) has recognized Scouts and Scouters who best exemplify the Scout Oath and Law in their daily lives. This recognition provides encouragement for others to live these ideals as well. Arrowmen are known for maintaining camping traditions and spirit, promoting year-round and long term resident camping, and providing cheerful service to others. OA service, activities, adventures, and training for youth and adults are models of quality leadership development and programming that enrich and help to extend Scouting to America’s youth.

Thursday is OA Day!
Members are encouraged to wear their sashes to Retreat and Dinner. Madockawanda Lodge has several programs planned.

Service Hour:
Members of the Order of the Arrow will have the opportunity to participate in the OA Service Hour each week. On Thursday evenings, members of the OA will join with the OA staff members for a service project at camp. Your participation will earn your troop points in the campsite inspections and all workers will receive a specially designed patch after their “cheerful service.”

Brotherhood Conversions
A brotherhood conversion ceremony will take place on Thursday nights starting at 7pm. To be eligible, the Ordeal Member must have over 10 months of tenure as well as be a member in good standing (dues paid in full). There will be a small fee attached to cover the cost of the Brotherhood sash.

Venturing Day
Monday at Camp Hinds will be dedicated to Scouting’s older youth co-ed program called Venturing. We encourage all venturers attending camp to wearing their favorite Class “B” venturing shirt and their venturing uniform to retreat and dinner. Camp will host a special event in the evening to talk about the exciting program opportunities that Venturing offers.
At Camp Hinds we want to encourage all Campers and Scoutmasters to do their best, live the Scout Law and fully participate in everything that Camp Hinds has to offer. To encourage individual Scouts, Scoutmasters, troops, and outstanding staff, we have the following awards. Award winners will be recognized at the closing campfire on Friday.

**Best Troop Award**
Show us what your troop can do! Many things will combine to help us decide on the honor troop of the week! Camp inspections, participation in special events like the Scoutmaster Splash, plus your score earned in the Camp Wide Event will all combine to earn you this coveted award! More information will be given out at the Scoutmaster meeting.

**Honor Camper Award**
At the conclusion of the week, each troop should vote for the Scout that they feel has best lived up to the Scout Oath and Law during their week at camp. Honor campers will be recognized during a meal time as well as at the Friday Campfire.

**Honor Staff Member Award**
Troops can recognize outstanding service in our staff by nominating a favorite staff member at the end of the week. Keep your eyes open for some quality service!

**Baden Powell Award**
Can you work as a team during your week at camp? Every patrol in camp is eligible to work towards this award which includes patrol spirit, advancement, service and living the Scout Law all week.

**Paul Bunyan, Totin' Chit and Firem’n Chit**
All three of these awards are available at Camp for individuals or as a patrol activity. Contact the Scoutcraft Director for open times to earn the Totin’ and Firem’n Chits at Camp this year.

**World Conservation Award**
Scouts can earn the World Conservation Award by completing the following merit badges: Environmental Science, Fish and Wildlife Management; or Soil and Water Conservation and Citizenship in the World.
Adult Leader Training
For Scoutmasters and adult volunteers at camp. While your Scouts are in merit badge sessions, you can attend Leaders Essential and Scoutmaster training. All training will be provided by our Council Training staff. No need to pre-register. More information will be given at camp.

Climb on Safely Training
Climb on Safely training will be held for any interested adults. This training is important for any troop leaders wishing to have their youth participate in climbing activities outside of a Boy Scout camp. The training is focused on making leaders aware of BSA climbing policies and procedures so that this information can be passed to facilitators not familiar with the BSA program. This training is also available on-line.

Leave No Trace
Leave No Trace is the Boy Scouts training on how to perform successful low-impact camping excursions. The training takes 30-45 minutes and will be offered for all interested campers and leaders. Participants will receive a card verifying their training at the end of the session.

Safety Afloat and Safe Swim Defense
This training is required for troops wanting to do aquatics based activities at camp, including the Tenny River Run. Adults are encouraged to attend this important training at 12:00 on Monday at the waterfront. No swimming is involved. You can also take this training prior to camp online at www.pinetreetsa.org. Please bring proof of training to camp.

Trek Safely Training
Trek on Safely is the Boy Scout training for adult leaders on how to perform safe High Adventure activities with their unit. The training takes 30-45 minutes and will be offered for all interested adults. This training is also available on-line.

Scoutmaster Coffees and Leaders Meeting
Don’t miss your chance to sit back with the Program Director and Camp Director and learn from other Scoutmasters. Meetings will be held Tuesday and Thursday mornings at 9:30 a.m. A closing informational meeting will be held on Friday morning to confirm check out and departure procedures.

Check the complete schedule for times, dates and locations for all leadership trainings or stop by the Office for more information.

Scoutmaster Merit Badge - Scoutmasters, Assistants, Adult Leaders in Camp!!
What do you do while the Scouts are busy with merit badges? Visit the camp program areas and learn what the Scouts are doing. You can check on your Scouts and may even have a chance to help out! You may learn a new skill, you may have a new way of performing a skill, you might just catch somebody doing something great! Have the staff person in the area initial that you visited or helped. Also, attend SM meetings to share in what is going on, upcoming events, and plans for the day. See you in camp!
Every troop is required to have a MINIMUM of TWO LEADERS IN CAMP AT ALL TIMES! One MUST be 21 Years or Older and One 18+.

If your troop is having problems securing two-deep leadership for your week at camp, you should consider sharing a campsite with another troop. Arrangements for this can be done through Camp Director.

The troop is responsible for providing adult leadership for its Scouts. Discipline problems are the responsibility of the troop’s leadership, with help from the camp staff when necessary. Feel free to contact the Camp Director with any concerns while in camp. Leaders are responsible for making sure their Scouts receive their medications. Notices will be sent to Scoutmasters for any Scouts consistently missing their medication distribution times.

**Looking to Get Involved?**
Do you want to take a more active role (either before, during, or after) at Camp Hinds this summer? We would love to hear from you! Get in touch with the Camp Director to let him know.

**Leader & SPL Meetings**

**Camp Hinds 2018 Program Kickoff!**
We strongly encourage ALL Leaders and SPLs to join us at your district roundtables to get your camp questions answered! The meeting is an informational meeting to update Scoutmasters and/or troop camp leaders of the changes and program information for the 2018 camp season. Look for dates and times in Pine Spills.

**1:00 PM for Scoutmaster & SPL Orientation**
We will hold a meeting at Tabor Retreat for all Scoutmasters and Senior Patrol Leaders at 1:00PM on the day of your arrival. All Scoutmasters and SPL’s are expected to attend. No one will be allowed into camp until 2:00PM. This meeting is intended to give you the opportunity to bring in all paperwork for camp that was not mailed in ahead of time or submitted online. This includes Med forms. This is also your opportunity to sign up for your troop rotation activities.

Please bring two copies of your troop rosters. We need this information so we can assign you appropriate table space in the dining Hall.

We will also provide you with information about any new programs added after the guide was posted, any changes to policy, and we will answer any questions you may have.

**SPL Council and Scoutmaster’s Coffee**
All SPL’s will meet daily with the Program Director at 1:00 pm inside the Rec Hall. If the SPL is not available, please send a representative. Troop leaders are invited to meet with camp leadership at the Ring Dining Hall on Tuesday and Thursday at 9:30am. A brief meeting to discuss check out procedures will be held on Friday morning at 9:30am.

**Scoutmaster Dinner**
Tuesday Night at 6pm at Tabor Pavillion
This is a chance to find out what new things are planned for next year. Camp staff and council representatives will be there to hear any concerns you might have. Please understand we need your help to make sure all of our Scouts have a great camp experience.
Each troop site has two-man tents on platforms for all of our Scouts and leaders. Bunks with mattresses or cots, picnic tables with tarps, water buckets, a flagpole and a bulletin board are also provided in each campsite.

Troops are encouraged to spruce up their campsite with troop flags or banners, cooking equipment and lanterns. Troops may want to bring along sports equipment, paper products, water jugs and campsite games.

**Campsite Etiquette & Quiet Hours**
Getting enough sleep can make a difference between having a great or poor week at camp! Camp leaders should see that their Scouts are in the campsite by 9pm and that quiet hours are observed from 9:30pm-7:00am. A siesta is scheduled for rest time everyday directly following lunch. Everyone should show respect for others within the campsites, by following the quiet hours, assisting with campsites and general camp cleanliness by following the Scout Law.

**Campsite Inspection**
Camp Commissioners will inspect each campsite on a daily basis for cleanliness, safety, conservation, organization and Scout spirit! Troop Inspection Sheets are posted in each campsite. Can your troop have the best site in camp? The top troops will be recognized in front of their peers!

**Campsite Supplies & Fire Protection**
A broom, shovel, rakes, fire buckets and a water hose will be kept in each campsite. Commissioners will check daily to see if the camp equipment is there. Equipment that is lost or broken due to misuse will be charged to the unit. There is no need to bring this equipment back to the camp room at the end of the week.

Please use care around the campfires in your sites. Only established campfire rings may be used in camp for fires. No liquid fuel may be used to start any fires. No open flames, of any type, are permitted around or in any tent. Full fire buckets are required around your campfire ring. Troops need to fill out and follow the posted Troop Fire Guard Plan found on the bulletin board in your campsite. Hot showers, with individual shower stalls, are available for all campers and leaders. Latrines with toilets and hand-washing facilities are found in each campsite.

**The Camp Room**
The camp room is located next to the camp office. Toilet paper, cleaning supplies and extra fire buckets are available at the camp room. A limited supply of cooking equipment and American Flags are also available for units to check out.

The camp room will be open daily at 8:00am. Please try to send a representative of your campsite during this time. If supplies are needed in an emergency basis, please check with the camp office.
**Camp Good Turns**
A Scout is helpful and clean! Each day troops are asked to assist in keeping camp clean with a rotating schedule of good turns. Good turns should be completed before 2:00pm. Schedules of good turns are posted in camp!

**Donations & Camp Projects**
We encourage troops to contact Camp Director during the off-season, in order to find out what camp needs for help and equipment. Troops are always welcome to perform a small service project for camp such as building erosion walls and brush removal!

**Uniforms**
Camp Hinds has a long established tradition of wearing uniforms in camp. Our staff is in uniform at all times, unless their job requires something else. We encourage all of our Scouts and leaders to proudly wear the Class A Scout Uniform every evening for retreat and the dinner meal. The 2018 camp t-shirt, hats, etc. will be available in the Trading Post for those that would like to purchase them.

**Troop Photos & Photo Release Form**
A professional photographer will be in camp to take troop photos for those units wanting them. Photos are colored 8 x 10’s. The cost for each photograph will be $10.00. A troop photo order form will be given to each troop at camp. Money needs to be collected and turned in with the order form to the Trading Post by noon on Tuesday. Troops will receive their photos at the Friday night campfire. The day and time of your photo sessions will be scheduled at camp.

Pictures may be taken in camp to be used by Pine Tree Council for advertising, marketing or to highlight our programs.

**The Trading Post**
Camp Hinds operates a trading post, like a general store. The trading post offers camp t-shirts, hats, sweatshirts, postcards and stamps, souvenir items, candy, soda and toiletries. We also offer camping equipment like flashlights, insect repellent, jackknives and much more! The amount of money that each Scout bring is an individual matter and should be determined by the Scout and his parents. Generally speaking, $40.00 is plenty for a week’s stay.

BBQ Tickets are available for purchase at the Trading Post starting on Sunday. Tickets must be purchased by noon on Tuesday to allow time for ordering food. Campers do not need to purchase tickets. The tickets are $5.00 per person.

Remember, there is no phone next to your son's tent, so parents should only use this number in case of emergency.

We strongly encourage parents to keep their Scout's cell phone at home & all leaders to keep their Scouts away from phones during the week. Experience has taught us that this really helps with homesickness. We also encourage parents to get the cell phone number of your troop's leaders in case you need to get in touch.

Scouts enjoy receiving mail from home during their stay at camp! We encourage you to write, but be sure to write early in the week as even though mail is delivered daily, sometimes it can take a day or two for mail to reach camp depending on your location. Each campsite has a mailbox in the Trading Post for mail and non-emergency messages! Leaders, please check your mailbox a couple of times each day for incoming mail and messages. All emergency messages received in the camp office will be delivered immediately to the adult leadership of the Scout by the camp staff.

Visitors & Siblings
Visitors are welcome in camp, but please understand that everybody is on a busy schedule and Scout prone to homesickness may do better without visitors. All visitors must sign in and out at the camp office. Remember that the camp facilities are primarily for the use of campers and leaders. Visitors must purchase tickets for meals, which are available in the trading post. Visitors should limit their visits to dinner & “open area” time immediately following dinner. We ask that all visitors sign out before 9pm.

Due to insurance issues, limited space requirements and program needs, younger or older siblings of Scouts are not allowed to stay overnight in camp, even if their parents are Scout leaders in the campsite. They may come as an occasional guest to visit during the week. Program activities are open for Scouts and leaders only unless advertised as a family event - such as the Friday night Campfire & BBQ. Please be aware, there may be some children of the staff that live in the camp for the summer.

Camp Hinds offers 12 afternoon activities periods (three each day) for troops to experience all the areas of camp. Most activities are 50 minute sessions but some are longer. CAMPERSHIP APPLICATION
DEADLINE: March 15, 2018

It is the intent of the Council Campership fund, to provide assistance to youth in securing the necessary funds to experience an outdoor Scouting Adventure. Realizing that families occasionally are not in the financial position to pay for their son to attend a camping experience, the campership funds are made available to assist those Scouts with a financial need. Camperships are available to individuals with a financial need and are to support and supplement other sources of funding, such as family, unit, sponsor and/or other sources.

All information on this form must be completed for the Campership Application to be accepted for processing. All information on this form is confidential.

Full name: ____________________________________________  Phone: ____________________________
DOB: ____________________________  Telephone: ____________________________

Informed Consent, Release Agreement, and Authorization

I understand that participation in Scouting activities involves the risk of personal injury, including death, due to the physical, mental, and emotional challenges in the activities offered. Information about those activities may be obtained from the venue, activity coordinators, or your local council. I also understand that participation in these activities is entirely voluntary and requires participants to follow instructions and abide by all applicable rules and the standards of conduct.

In case of an emergency involving me or my child, I understand that efforts will be made to contact the individual listed as the emergency contact person by the medical provider and/or adult leader. In the event that this person cannot be reached, permission is hereby given to the medical provider selected by the adult leader in charge to secure proper treatment, including hospitalization, anesthesia, surgery, or injections of medication for me or my child. Medical providers are authorized to disclose protected health information to the adult in charge, camp medical staff, camp management, and/or any physician or health-care provider involved in providing medical care to the participant. Protected Health Information/Confidential Health Information (PHI/CHI) under the Standards for Privacy of Individually Identifiable Health Information, 45 C.F.R. §§160.103, 164.501, etc., seq., as amended from time to time, includes examination findings, test results, and treatment provided for purposes of medical evaluation of the participant, follow-up and communication with the participant’s parents or guardian, and/or determination of the participant’s ability to continue in the program activities.

(If applicable) I have carefully considered the risk involved and hereby give my informed consent for my child to participate in all activities offered in the program. I further authorize the sharing of the information on this form with any BSA volunteers and/or professionals who need to know of medical conditions that may require special consideration in conducting Scouting activities.

With appreciation of the dangers and risks associated with programs and activities, on my own behalf and/or on behalf of my child, I hereby fully and completely release and waive any and all claims for personal injury, death, or loss that may arise against the Boy Scouts of America, the local council, the activity coordinators, and all employees, volunteers, related parties, or other organizations associated with any program or activity.

I also hereby assign and grant to the local council and the Boy Scouts of America, as well as their authorized representatives, the right and permission to use and publish the photographs/film/videotapes/electronic representations and/or sound recordings made of me or my child at all Scouting activities, and I hereby release the Boy Scouts of America, the local council, the activity coordinators, and all employees, volunteers, related parties, or other organizations associated with the activity from any and all liability from such use and publication. I further authorize the reproduction, sale, copyright, exhibit, broadcast, electronic storage, and/or distribution of said photographs/film/videotapes/electronic representations and/or sound recordings without limitation at the discretion of the BSA, and I specifically waive any right to any compensation I may have for any of the foregoing.

NOTE: Due to the nature of programs and activities, the Boy Scouts of America and local councils cannot continually monitor compliance of program participants or any limitations imposed upon them by parents or medical providers. However, so that leaders can be as familiar as possible with any limitations, list any restrictions imposed on a child participant in connection with programs or activities below.

List participant restrictions, if any:  □ None

I understand that, if any information I/we have provided is found to be inaccurate, it may limit and/or eliminate the opportunity for participation in any event or activity. If I am participating at Philmont, Philmont Training Center, Northern Tier, Florida Sea Base, or the Summit Bechtel Reserve, I have also read and understand the supplemental risk advisories, including height and weight requirements and restrictions, and understand that the participant will not be allowed to participate in applicable high-adventure programs if those requirements are not met. The participant has permission to engage in all high-adventure activities described, except as specifically noted by me or the health-care provider. If the participant is under the age of 18, a parent or guardian’s signature is required.
