Dear Camp Hinds Staff Member,

Congratulations on being selected to be a part of the 2019 Hinds Camp Staff Family. This summer we will have the opportunity to provide our Scouts with programs that will allow them to challenge themselves, experience new adventures and build skills and confidence to last a lifetime. We have the responsibility to instill values, be role models and give everyone who walks through the gates of Camp Hinds the greatest summer camp experience of their lives. While this is our vision, we know that it is you, the camp staff, that will help to make this program come alive.

This staff manual has been prepared to give you a better idea of what staff life will be like and how to make the most of your opportunities. It is the responsibility of each employee to read and understand this manual. If anything is unclear to you, please ask for an explanation.

One of the most rewarding parts of being on a camp staff is the friendships and the life lessons you as a staff member will be a part of this summer. Every camper and staff member that sets foot inside Camp Hinds makes an impact with what they do and how they carry themselves. You will have a chance this summer to make a difference not only in the life of a Scout, but in your personal lives as well. You will be challenged, but we know you will exceed our expectations. Make the most of this opportunity in every way possible, every day. Strive for excellence...

Yours in Scouting,

Dean, Joe, Wayne and Scott

Hail Scout Camp William Hinds!
We sing your praise high.
Camp of the towering pines,
Beneath God's clear blue sky.
Here we'll adventure find.
And Scouting friendships, too.
So, Hail to our Scout Camp!
We pledge ourselves to you.

OUR SUMMER CAMP

Our summer camp we love the best
Where pine trees gently sway
Where brotherhood survives the test
from dawn to the end of the day
Our waterfronts, our woods and fields
are where the spirits play
As active boys learn new ideals
as they go Scouting's way
Camp William Hinds, Camp William Hinds
With pines so straight and tall
and campfires in the starry night
we love you best of all.

I’ve only been on staff for two years and they were the best times of my life. I found it so mysterious how this place attracted me so much. A Scout asked me during week 4 “What makes Hinds so special?” I didn’t know what to respond with. That question haunted me into the night. As I lay awake I finally realized why it was so special. The dining hall - its walls are covered with plaques of all shapes and sizes. Traditions are such as beautiful thing, but I am seeing so much more. I see time. I see the time taken to draw, paint, and design those plaques. The floors tell me the story of all the feet that walked across. The scratches and dings on the table surfaces tell me the story of warm meals, countless waiters, and countless hands. The walls sing the songs of the past, the echoes of laughter, cheers, conversations and chants. The smells of foods from many years waft in and out.

But it doesn’t stop at the dining hall. It’s everywhere, every building, every area and every piece of land. It’s the people who walked the grounds before us. It’s the ones who ate those meals. It’s the ones who took those merit badges. It’s hard to put all this in words, but the truth is, we have such an amazing history, traditions and all.

Staff has introduced me to a beautiful position, and I truly feel like these people are family. To think we will be leaving is really painful for me. I truly don’t want to go. So if anyone ever asks you why Hinds is so important, make sure you tell them not to just look, but to see. It truly is the most beautiful place on the face of the earth.

What Is Our Purpose?

Summer Camp is Scouting’s outdoor education center. Outdoor adventure is the promise made to boys when they join Scouting. Boys yearn for outdoor programs that stir their imagination and interest. In the outdoors, boys have opportunities to acquire skills that make them more self-reliant. They can explore canoe and hiking trails and complete challenges they first thought were beyond their ability.

Summer Camp is also the laboratory of Scouting where the council leaders, the unit leaders, and the Scouts work together to learn the best that Scouting can offer in developing better units, qualified leadership and skillful, self-reliant boys and young men. Here a boy learns how to live in a democracy by working in the patrol and troop.

There is a common thread of purpose and method that runs through every part of the camping program of Scouting. Our aim is to clearly define that thread in each part of the program so that the purpose of Scouting will be made clear and the common methods that are followed will unify the camp staff as a team dedicated to the highest ideals in service.

What camping is and what camping does are described here to remind us of our goals:

- Organized camping is a creative, educational experience in cooperative group living in the outdoors. It uses the resources of the natural surroundings to contribute significantly to physical, mental, spiritual, and social growth.

- Camping contributes to good health through supervised activity, sufficient rest, good fun, and wholesome companionship.

- Camping aids in spiritual growth by helping campers recognize and appreciate the handiwork of God in nature.

- Camping contributes to the social development by providing experiences in which campers learn to deal practically and effectively with living situations.

- Camping is an experience in citizenship training, providing through its community of campers the medium for democratic participation in decision making, planning, and carrying out activities at their own level.

- Camping contributes to the development of self-reliance and resourcefulness by providing learning experiences in which campers acquire knowledge, skills, and attitudes essential to their well being.
We ask that all camper and staff behavior follow the guidelines and principles set forth in the Scout Law. Negative and inappropriate conduct will not be tolerated. We ask for your cooperation and understanding in helping us maintain a high standard of personal behavior. Mature leadership is vital to the success of a unit’s stay in camp. If your unit’s leaders lack the necessary maturity to safely lead a troop, your unit may be asked to replace the leaders in question or, as a last resort, leave camp.
Goal of the Camp Staff

Always remember that the goal of Camp Staff is to give every Scout the greatest Scout Camp experience of their lives. We will do this by having fun-filled, challenging and rewarding experiences. This will require the full talents and dedication of every staff member beyond the written requirements of their job. Remember, the staff is not just a team, we are family. We need to work together to achieve our goal.

You were selected for staff because you demonstrate certain basic qualities and live by the highest Scouting standards. You show evidence of acceptance of the Scout Oath and Law as guiding principles in your daily life. You practice good sportsmanship, play the game, and be consistently resourceful at times of special need. You also set the example and serve as a role-model for those around you.

The Scout Oath & Law As It Pertains To Camp Staff

The principles set forth in the Scout Oath and Law are the principles that guide every endeavor and action in camp. We become the prime motivators in exemplifying this way of life to each Scout in camp. Remember, the Scouts look up to you; you become their role models.

**SCOUT OATH**

ON MY HONOR I WILL DO MY BEST
TO DO MY DUTY TO GOD AND MY COUNTRY
AND TO OBEY THE SCOUT LAW;
TO HELP OTHER PEOPLE AT ALL TIMES;
TO KEEP MYSELF PHYSICALLY STRONG,
MENTALLY AWAKE AND MORALLY STRAIGHT

**SCOUT LAW**

A SCOUT IS:

- TRUSTWORTHY
- LOYAL
- HELPFUL
- FRIENDLY
- COURTEOUS
- KIND
- OBEDIENT
- CHEERFUL
- THRIFTY
- BRAVE
- CLEAN
- REVERENT
A SCOUT IS TRUSTWORTHY: Through your life as a staff member you will find that trust and success go hand in hand. The camp has specific requirements outlined for its personnel. Your Camp Director will entrust to you duties and responsibilities related to your assignment. Your very attitude in taking on an assignment is directly reflected on the Scouts with whom you deal.

During your period of employment, the staff members’ full time is at the disposal of the camp. Each day will present certain opportunities for personal recreation and program participation. These opportunities are planned so as not to interfere with the campers’ use of the facilities. Each staff member receives a time-off period each week. Your supervisor and/or Camp Director will determine the period you will have off. Staff are obligated to be in uniform when on duty unless excused by the Camp Director. Appearance when in camp and off-duty is also important. Wear appropriate, non-controversial clothing. Remember, unit leaders and Scouts do not know when you are on duty, or off.

A SCOUT IS LOYAL: Loyalty to the camp and to your associates is essential to requisites for each staff member. You should constantly be observant and concerned about matters affecting the total harmony of the camp and bring such matters to the attention of the Camp Director.

A SCOUT IS HELPFUL: It begins with an attitude of helpfulness to the newly arrived Scout, his family and leaders. Apart from the service rendered, that first impression of helpfulness means so much. Your effort will be greatly appreciated.

A SCOUT IS FRIENDLY: As you pass a Scout or leader on the trail, even if you've never met, say "Hi". A friendly word costs nothing, yet gives so much good will. Be a friend to all, not just a clique of buddies. Be a brother to every Scout in the fullest sense.

A SCOUT IS COURTEOUS: You represent the Pine Tree Council and the Boy Scouts of America as you deal with boys, leaders, parents, or the public. In your visits to nearby towns, you represent Camp Hinds. All this implies a certain code of personal conduct that will reflect credit upon you, the camp, the council, and the BSA. Courtesy may be interpreted as respect for the time of others. Be on time always. Above all, it means a reputation for reliability and promptness.

A SCOUT IS KIND: Kindness is often interpreted in its relationship to animal life. Show boys how to be thoughtful to the animals in your camp. Kindness and consideration for others, however, is of even greater importance.

A SCOUT IS OBEDIENT: A staff member carries out his responsibilities to perfection and responds to direction of supervisors and the Camp Director. This does not call for unquestioning obedience, but it does call for personal trustworthiness and a loyalty to the camp and the Camp Director.

A SCOUT IS CHEERFUL: A happy camp, a spirited camp, is a successful camp. Happiness is contagious, particularly in a Scout Camp. No one is in a better position to promote and simulate this attitude than you are. Each staff member, regardless of position, should take it upon himself to motivate and give an outlook of cheerfulness and happiness in the minds of all.

A SCOUT IS THRIFTY: Each staff member should consider his responsibilities in protecting and conserving the equipment, physical property, and resources of the camp. You are in a position to save thousands of dollars that might have to be used to replace or repair damaged property.

A SCOUT IS BRAVE: This summer you represent the largest organization for boys in the world and you are an employee of one of the finest of Scout Camps. You represent Scouting in all aspects. You believe in the Scout Oath and Law, otherwise you wouldn't, or shouldn't, be here.

A SCOUT IS CLEAN: Your personal living quarters are to be an example of cleanliness and orderliness. It is obvious that if your quarters are disorderly or dirty, campers can hardly be expected to do better.

A SCOUT IS REVERENT: Being faithful in his/her religious duties becomes of great importance to us as camp staff members because of the force our example has in molding the attitudes of those who look to us as the inspiration for right attitudes and high ideals.
BSA Registration
To ensure that all staff members are registered members of the Boy Scouts of America and have complete background checks, you will need to register as a member of Venture Crew 146 at no cost. It is our hope that Venture Crew will become an active crew and have activities and advancement opportunities throughout the year.

Salaries & Pay Checks
Salaries will be paid on the 15th and last day of the month. Your pay will be broken into 5 pay periods beginning June 30. All staff will need to fill out a "Direct Deposit" certificate. Salaries have been set based on the position, past experience, age, skill and knowledge. In addition to your salary, board, lodging and insurance will be provided for each member of the staff. Discussion of salaries among the staff can lead to misunderstandings; you are discouraged from doing so. Please direct your specific questions to the Camp Director.

Required Paperwork
In order to receive a paycheck, all staff members must:
- Have a signed contract on file in the office
- Provide proof of BSA Registration
- Have a Social Security number
- Return a completed W-4 & W-4ME form
- Return a completed I-9 form and show supporting documents
- Completed Direct Deposit form
- Work permit required if younger than 16 year olds
- Health form with Doctor’s Physical on file in health lodge
- Night out form (for those under 18) signed by parent/guardian

Alcohol & Drugs
No drugs, including alcohol and marijuana, in any form are allowed on BSA property. If you are found to be the possession of any drugs or alcohol you will be subject to dismissal from your duties. The Maine State Police will be notified if any drugs are found. Drug paraphernalia is not allowed in camp.

Smoking and Vaping
**Smoking** refers to the use of traditional tobacco products. **Vaping** refers to the use of electronic nicotine delivery systems or electronic smoking devices including Juul pods. Smoking and vaping are not allowed in camp by anyone under the age of 18. Persons under the age of 18 who have in their possession cigarettes or vaping devices will be disciplined and possibly dismissed from their job. Adults may smoke or vape only in the areas designated by the Camp Director. Smoking and vaping are not allowed in any camp buildings, this includes your cabin. Smokers, please be courteous of others and keep the smoking area clean.

Social Networking Sites
We are aware that many of you have online profiles on social networking websites such as Twitter, Facebook, Snapchat, and Tumblr. In fact, there are Facebook groups dedicated to Camp Hinds, Camp Hinds Staff Members as well as generic Boy Scout of America and Order of the Arrow Groups. We recognize that these social networking websites are used to keep in contact with friends, share photos and experiences and even promote yourself to potential employers. While we do not discourage you from using social networking sites, we do want you to be aware of what you place on your virtual profiles. What would someone who does not know you say about you after quickly glancing at your profile? What message is your profile sending to your employer/Scout leaders? What would the Scouts, who look up to you, see/say/duplicate as a result of viewing your profile? Are you upholding the ideals, aims and methods of the Boy Scouts, Pine Tree Council and Camp Hinds? Be aware of who can see your profile or who you invite to be friends with you. A staff member may be called in to discuss his online presence with the Camp Director and disciplinary action may be taken if it is of a heath and safety, youth protection, or illegal nature.
Medical Information

The camp medical staff is overseen by Dr. Donald Burgess - Chief of Pediatrics at Southern Maine Medical Center. A licensed health officer is in camp, on duty at all times, to handle all medical emergencies. If the injury or illness is serious, the person is brought to a local health care facility. Written agreements are in place between Camp Hinds and local health care providers to care for our campers, staff and guests.

Illnesses & Injuries

All medical illnesses or injuries must be reported to the health officers in camp. If you are feeling ill, you must report to the health lodge and inform your Area Director. The health officer will determine if you need a replacement for your job. Unless the health officer dismisses you from your duties, you are required to be at your program area. In the event of a serious illness requiring an extended period of bed rest, it may be suggested that you return home until better. All treatment by the health officer will be recorded in the camp medical logbook. A Workman Compensation form is filled out by the health officer upon in the event of any serious injuries. All staff members are covered by PTC accident insurance policy while at camp. You are strongly encouraged to have your own health and accident insurance.

Medical Forms

All Staff and family members living in camp must have a completed BSA medical form on file with the camp health office while in camp. A health form has been developed by the BSA and ALL STAFF are REQUIRED TO USE THE LATEST VERSION OF THE FORM. You must have a valid physical within 12 months of camp. The height and weight restrictions are only guidelines for summer camp but are mandatory for high adventure activities. It is a regulation of the Boy Scouts of America that anyone who does not have a completed and signed medical form at the check-in time at camp will not be allowed to remain in camp. NO exceptions will be made.

Medical Recheck & Medications

Upon arrival in camp, all Staff will go through a medical recheck at the Health Lodge. Pine Tree Council and Camp Hinds must comply with all of the State of Maine laws and BSA policies concerning medications in camp. All medications brought to camp by staff MUST be given to the Health Officer upon arrival in camp. This includes prescription and non-prescription items. The health officer is available at scheduled times to administer medications as needed. An exception may be made for a limited amount of medications to be carried by an individual for life-threatening conditions including: bee-sting kits, nitroglycerin, inhalers, and medication specifically prescribed “to be carried at all times” by a physician. Camp supplies an adequate supply of over the counter medications such as pain relievers and antihistamines, along with first aid supplies, so there is no need to bring these items to camp.
Uniforms & Attire

All staff members must be in complete uniform at all times while in camp, unless your job requires a different uniform as defined by the Camp Administration. Remember we set the example for all the Scouts and Leaders that join us at camp.

You are required to wear the Class “A” uniform during Sunday check-ins, Sunday & Friday night campfires and every evening for retreat & dinner.

Class “A”
The Camp Hinds Class “A” Uniform consists of the following:
- An official short sleeve Class A shirt, tucked in, and with appropriate insignia, properly placed.
- Silver Shoulder Loops.
- Any Official Scout Shorts with an official Scout Belt and Scout Belt Buckle.
- Boy Scout Uniform Socks
- The 2019 Camp Hinds Hat
- The 2019 Camp Hinds Neckerchief & slide – no others at retreat
- OA members should wear their sash and purple shoulder loops on OA day only.
- Appropriate footwear must be worn at all times, except at the waterfront.
- No other clothing, bandanas, jewelry, earrings, etc., shall be worn without permission of the Camp Director.

Class “B”
The Camp Hinds Class “B” uniform can be worn at the times during the day when your Class “A” is not required.

For the Class B uniform, you may wear:
- A Staff T-Shirt, Staff Polo or other Scouting T-shirt or Scouting polo shirt in place of the Class “A” Uniform Shirt - tucked in.
- Any Official Scout Shorts with an official Scout Belt and Scout Belt Buckle.
- Any Official Scout Socks.
- Your Official Camp Hinds Hat, should you wish to wear a hat in Class “B.”

In the case of extreme heat the Camp Director, together with the Health Officer, may declare a Class A-minus day, where you can remove your neckerchief from the Class A uniform. In the event of extremely cold weather the Administration may declare a Class C uniform to be appropriate. With the Class C uniform you may replace your Scout Shorts with long Scout pants.

At times, due to cold or wet weather, a sweater, sweatshirt, raincoat, etc. may be needed. Scouting clothing is preferred but all outerwear must be clean, neat and not offensive.

**No mix and match:** You may wear a uniform from any program in which you are registered: Cub Scout, Boy Scout, Sea Scout, or Venturing. However, you may not mix uniform parts. If you wear a Venturing uniform for example, it must be a complete Venturing uniform. If your program does not have a summer uniform with shorts, you will be expected to wear a Scout class “B” uniform as described above.
**Waterfront Clothing**

While working at the waterfront or while swimming or boating, a “conservative” bathing suit is required. For the males this means no cut-offs or jams but swim suits no shorter than mid-thigh, and for the females a one piece bathing suit or tankini covering the belly. If a T-shirt is desired while working at the waterfront, it must be a Scouting T-shirt. All waterfront staff must attend lunch in a Class B uniform. Long pants shall only be allowed on cool days with the approval of the Camp Administration and Waterfront Director.

**Kitchen Uniform**

The kitchen crew will wear clean and neat work clothing and hats while working in the kitchen. Long pants are required for safety reasons. T-shirts are to be Scouting T-shirts. Jeans may be worn but they must be clean, appropriate fitting, and no holes. When not working in the kitchen, the kitchen staff is required to follow the camp uniform policy.

**COPE/Climbing and Sports Uniform**

Staff working in the COPE area shall wear a “Class B” T-Shirt with Long pants, boots, and proper safety equipment. COPE staff shall be in full “Class B” uniform for lunch and non-COPE operations in camp. Bandanas and sweat bands may not be worn outside of the COPE, Climbing, or Sports areas.

**Civilian clothing**

Civilian clothing can be worn in the privacy of your own cabin or while entering or leaving camp. If you are waiting for a ride, then you should not be hanging around camp while out of uniform. If you remain in camp during your day off, then you are required to follow the uniform policy. Remember, if you are in camp, you are in uniform.

**Clothing on Nights Out**

While on nights out you are encouraged to wear civilian attire without BSA or Camp Hinds logos. If you are out of camp and are displaying BSA or Camp Hinds logos, you and all the members of your group are ambassadors for camp and everyone’s behavior MUST present a positive image of Camp Hinds and the Boy Scouts of America.

**Costumes**

Some activities are theme orientated. During those activities you are encouraged to wear appropriate costumes.

**Webelos Resident Camp**

The theme for the Webelos Resident Camp programs in 2019 is “Land of the Pharaohs”. During Webelos Resident camp you are encouraged to wear costumes at the following times:

- Opening Campfire
- Themed Meals (when designated)
- Webelos Midway

**Scout Resident Camp**

There is no theme for Scout Resident camp, but Tuesday is crazy hat day. All staff are encouraged to wear a crazy hat from breakfast until 5:00pm. Full class “A” is to be worn for round up and retreat.
Staff Uniform benefits
You will receive one staff shirt, staff neckerchief & slide, and staff hat at the beginning of camp. Additional polo shirts and staff T-shirts will be available at cost to you. If you misplace or lose your staff hat or neckerchief & slide you will be required to replace it by purchasing one at the trading post. You are required to wear these items with your Class “A” uniform during Sunday check-ins, Sunday & Friday night campfires and every evening for retreat & dinner. Please do not purchase or give staff items to non-staff. These items are a privilege for our staff members.

Additionally staff will receive a discount at the Pine Tree Scout Shop on uniform parts.

Suggested Uniform Needs
- 3-4 pairs of Scout shorts
- 1 short sleeve Class “A” Scout Shirt
- 5-6 Scouting T-shirts (Class “B” Shirts)
- 6-8 pairs of official Scout socks
- Staff hat
- Staff Neckerchief & slide
- Scout Belt with Scout belt buckle
- 1 pair of long Scout pants (optional)

Anyone unable to meet the uniform policy because of financial need, please see the Camp Director for possible assistance.

Jewelry/Accessories/Makeup Policy
- All accessories worn with the staff uniform should be respectful of the BSA.
- If any jewelry interferes with the safety of your job, it must be removed.
- Any necklaces worn while on duty should not be offensive and if possible worn under your shirt.
- Other jewelry (rings, bracelets, etc.) will be allowed if they are not offensive, excessive, or dangerous to your duties.
- No other non-approved clothing accessories will be allowed.
- Any makeup should not be excessive or offensive.
- Hair color must be of a “natural” shade
- The Camp Administration will have final say on any jewelry, makeup or accessories in camp.
Work Schedule
While typically program hours are between 7:00am-8:30pm, your work schedule will be determined by the Camp Director and is subject to change as conditions warrant. These changes are up to the discretion of the Camp Director.

Work Hours - Time Off
The camp work week runs from Sunday at 11:29 AM to Friday night after the closing campfire and staff meeting (approx. 9:30 PM). Those staff members needing transportation home should make arrangements for their ride to pick them up in the parking lot following the staff meeting.

All staff members are expected to leave camp during their time off, unless previous arrangements have been made with the Camp Director. If you have permission to remain in camp during your day off, you are expected to follow all camp rules (being in uniform, permission for nights out, etc.)

Work Hours - Sleep
Getting enough sleep can make a difference between having a great or poor summer at camp. Quiet time in campsites is from 9:30 PM - 7:00 AM. Staff should be courteous of this quiet time and conduct themselves accordingly.

A siesta is scheduled for rest time everyday directly following lunch. This is time for staff to catch up on their rest if needed or use this for some relaxation or socializing with other staff members. The swimming area will be open for staff during the siesta time.

Work Hours - Staff Curfew & Quiet Hours
Staff members under the age of eighteen must be in their own cabin by 10:00 PM. Exceptions for special occasions must be made prior to curfew time with the Camp Director. The curfew time for staff members that are 18-20, to be in their own quarters, is midnight.

In the event that staff members are becoming tired or run down the Camp Administration has the final authority in the staff curfew and quiet time. Curfew and quiet times can and will be earlier if the need arises.

Work Hours - Nights Out
Camp Hinds’ nights-out policy states that all staff members must be signed back into camp by 11:59 p.m. Occasionally, the camp may sponsor a special night out for staff groups (Funtown, Old Orchard, etc.) under the supervision of the camp administration. These nights may occasionally go past midnight. No youth staff members will be allowed on a night out without having a night out form signed by a parent/guardian on file in the camp office.
Staff members are encouraged to have one night out of camp each week. C.I.T.’s and other 15 year olds must be accompanied by an adult over the age of 21. Only licensed drivers over the age of 18 are allowed to transport staff members. Staff members are not allowed to drive any vehicle other than their own.

All nights out must be requested in writing on the camp night out form.

Staff members wanting a night out must get approval from:
1) their immediate supervisor,
2) the Support Services Director,
3) the Program Director and
4) the Camp Director.

Normally nights out will start after 8:40 PM. You are expected to be in uniform, at your job until 8:30 PM.

**Work Hours - Early Nights Out**
Each area/department will be allowed two early nights out during the summer. These are encouraged to promote team-building and fun for the staff within each area. Area Directors are encouraged to plan an early night out, with their staff, at the beginning of the camp season and again towards the end of camp. Early nights out need to be approved 4 days in advance. Early nights out will start after evening retreat.

Staff members are expected to be in uniform and participate in retreat before starting their early night out.

**Substitutes**
On occasion of early nights out, sickness, family obligations, etc. it may be necessary to find coverage for your camp duties. When this need arises, you are expected to find a substitute who is age and ability appropriate to cover your job responsibility. Staff members are encouraged to assist each other in this task and to work together for the benefit of camp and its’ staff.

**Leaving Camp  (Sign In/Sign Out)**
Any time a staff member leaves camp, it is their responsibility to sign in and out of camp, naming their destination, at the camp office. This includes when you leave camp for days off, nights out, camp errands, etc. You are not allowed to leave camp without the permission of the camp administration. Leaving camp, without permission, could result in your dismissal from staff. No one is allowed to be beyond the camp boundaries, or on the green trail or past MacMillan cabin after program hours without permission of the camp office.

**Staff Lounge**
A Staff Lounge is provided for staff use after program hours. Generally speaking it is available for use during siesta and after 8:30 PM. A TV and VCR/DVD are available for staff use. Movies to be shown must be approved by the Camp Administration. Personal items left in the Staff Lounge are done so at the owner’s risk of them being lost or damaged.
Staff and the Dining Hall

Staff will be assigned to tables in the dining for the week. One goal will be to have 8 people assigned to each table to assist the kitchen crew in getting the right amount of food out and avoiding waste. Staff will be used to fill in as needed. For example, if a troop comes in with 5 Scouts and 2 Leaders, one staff will be assigned to their table to reach the magic number of 8. Depending on the size of camp, some staff only tables may be needed. In those cases, the assigned staff members will need to come up with a waiter schedule. The waiter will need to set the table before the meal and staying after to clean the table and sweep the floor.

For breakfast and dinner a head table will be established for camp administrators and area directors: Camp Director, Program Director, Support Services Director, Camp Ranger, Aquatics Director, COPE/Climbing/Sports Director, Handicraft Director, Nature Director, Scoutcraft/Polaris Director, Shooting Sports Director, STEAM/Trail to Eagle Director, Trading Post Manager, Health Officer, and Commissioner.

For lunch each day different area staff will be asked to sit at the head table while area directors will take their places at their assigned tables.
- Monday – Aquatics Director and staff
- Tuesday – STEAM/TTE Director and Staff & Trading Post Manager and Staff
- Wednesday – COPE/Climbing/Sports Director and Staff & Handicraft Director and Staff
- Thursday – Nature Director and Staff & Shooting Sports Director and Staff
- Friday – Scoutcraft/Polaris Director and Staff & Office Clerk & Assistant Ranger

International Camp Staff

Each year we host several International Camp Staff. The International Camp Staff program operated by the Boy Scouts of America is a special plan for camp program enrichment. It provides an opportunity for local councils throughout the nation to invite qualified Scouters from other countries to be a part of their Scout camp staff.

In addition to providing our guest a summer camp job we are asked to provide the international counselor a variety of appropriate cross-cultural activities that will ensure the counselor will receive the broadest exposure to American society, culture, and institutions. The international counselor will be eager to experience as much U.S. culture as possible. Every effort should be made to provide many varied experiences of American culture while in camp and during time off.

The international counselors must be able to leave camp on days off. The camp should assist the counselor with accessible, affordable transportation to and from the nearest town. We are asked to provide hosting for the counselor during time off from camp. We ask local Scouting families as well as fellow staff members to take the opportunity to provide home hospitality (room and board) for our international counselors by taking them home for your day off and bringing them to our local tourist destinations.
Mail & Emergency Phone Numbers
The camp phone is for camp business and emergencies only. The Emergency Phone Number is (207) 655-6766.

Mailing Address:

Staff’s Name

Mail is delivered daily to camp. All emergency messages received in the camp office will be delivered immediately by the camp staff. Outgoing mail may be placed in the mailbox at the Trading Post.

Staff Quarters
Generally speaking, most of our staff stay in cabins. Certain jobs, or due to the lack of enough cabins, may dictate that you live in a tent. Each staff cabin will be designated by the Camp Director to be in one of the following 7 categories.

<table>
<thead>
<tr>
<th>Male Under 18</th>
<th>Male 18-20</th>
<th>Male 21+</th>
<th>Family</th>
</tr>
</thead>
<tbody>
<tr>
<td>Female Under 18</td>
<td>Female 18-20</td>
<td>Female 21+</td>
<td></td>
</tr>
</tbody>
</table>

Assignments to living quarters will be made at the beginning of the camp season. Generally these assignments will be for the whole summer. If a change in cabin assignments is needed, it must be made with the permission of the Camp Director.

You are expected to sleep in your own quarters at all times. Do not change quarters or spend the night in another cabin or other location without the permission of the Camp Administration.

Staff cabins and staff areas are off limits to campers, leaders, and other staff members not in your gender and age group. Please do not invite campers, leaders or staff family members to your cabins. Be respectful of your roommates. Do not touch their belongings without permission.

You will be responsible for maintaining clean and neat quarters as well as the area around your quarters. Your cabins will be inspected on a regular basis by the Camp’s Commissioner Staff or Administration. For your own protection, you should keep your quarters locked when not occupied. A copy of any key or combination code for locks put on your cabin door must be kept on file in the camp office. You may wish to have a locked footlocker for your valuables.

On occasion a guest or volunteers may obtain permission from the Camp Director to stay over night. In those cases, the guess or volunteer must abide by the same rules as the staff.
Security Deposit
A security deposit of $50.00 will be withheld from your first pay check. This security deposit will be used by the camp if your cabin needs cleaning or repair when you move out. Otherwise, the security will be returned to you.

Staff Quarters Rules
- Be respectful of your roommates, their belongings and wishes.

Trading Post
Camp Hinds operates a trading post, like a general store. The trading post offers camp T-shirts, hats, sweatshirts, postcards and stamps, souvenir items, candy, soda and toiletries. We also offer camping equipment like flashlights, bug spray, jack knives and much more. Only the trading post staff are allowed behind the counter in the trading post. Due to health & safety regulations the kitchen is off limits to all non-kitchen staff except camp administration and health officers. The bathroom in the kitchen is only for use by kitchen personnel.

Visitors
Unless arrangements have been made in advance with the camp administration, staff members should not have visitors in camp during program hours. All visitors must sign-in and sign-out at the office when they enter and leave camp. The staff lounge is the appropriate place to entertain visitors. Your cabin is also home to your cabin mates and their personal space, and this fact should be respected.

Laundry Facilities
Camp has washers and dryers available in the staff lounge and staff shower house. The kitchen has first claim to these machines. They are available to staff members when not in use. If locked, a key to the laundry room can be signed out in the office. You need to provide your own soap.
Staff Family Members
As a benefit to our adult staff members, we provide the opportunity for their dependents to join them in camp. Their attendance in camp must not interfere with the Scouts programs.

Staff & Family Guidelines:
- Staff functions are for staff only. This includes staff meetings, staff parties, retreat, etc. Your children may be invited to join us at some events, but remember we sometimes discuss items that are for staff only.
- Staff children are exempt from the uniform policy, unless they are a Scout. If they are a Scout, they should be respectful and wear their Class A uniform for dinner, retreat and campfires.
- All other clothing should not be offensive (beer advertising, etc.) Staff children should not be wearing the current year staff clothing articles. These articles identify who is on staff.
- Staff children will join in with the meals in the dining hall and will be assigned seating by the dining hall steward. Any parents with seating concerns should see the Camp Director. If the child is old enough, they should take turns with the waiter system. No staff children are allowed in the kitchen.
- Any child old enough and a registered Scout may participate in the MB program. Sign up for MB’s with the Administrative Assistant. They will only be allowed in if space allows.
- All safety rules and age restrictions must be followed with staff children in the program.
- Any exemptions must be approved by the Camp Director.
- Staff children may use the staff lounge during the program hours. After 8:30 PM the staff lounge should be for staff use only.
- All staff children should follow the camp curfew that is age appropriate for them.
- Campers must be in their campsites by 9 PM. Children should abide by this same curfew unless permission is granted for a special event.
- Staff children going on a night out of camp, without their parent/guardian, will need to follow the camp’s night out policy.
- Staff children WILL NOT receive free staff uniform items – this is for the summer staff only.

- Camp parking lot for staff vehicles is main parking lot, parking as close to the north side of the parking lot as possible (remember, customer service)
- Any staff member under the age of 18 must have permission from the Camp Director to have a vehicle in camp. Under 18 year olds may be asked to keep their car keys in the camp office.

Code of Conduct

Statement of Understanding:
All staff members, both youth and adult, are selected based on their qualifications in character, camping skills, physical and personal fitness, and leadership qualities. By signing the letter of agreement, all adult staff members as well as youth staff members and their parents or guardians agree to the conditions of the Statement of Understanding and Code of Conduct as a condition of participation, with the further understanding that serious misconduct or infraction of rules and regulations may result in termination and expulsion from camp. Each staff member is responsible for his or her own behavior.

All staff members are expected to abide by the Code of Conduct as follows:

21. I will comply with this Code of Conduct. Any violation may result in expulsion from the camp at my own expense. I understand that all such decisions will be final.

Camp Hinds Behavior Management Policy

The camp administration views behavior modification as an on-going process and will take as much opportunity as possible to counsel and coach an errant staff member back within the guidelines of proper staff behavior, so long as the unwanted behavior is not of a health and safety, youth protection, or illegal nature. All decisions regarding behavior management and dismissal are subject to the judgment of the camp administration and are based upon the situation and behavior in question.

There is no “strike” system for behavior modification at Camp Hinds – opportunities for correction are given, as stated above, based upon the situation at hand. Most unwanted behaviors will be corrected by a verbal warning followed by suggested corrective measures being issued to the errant staff member. Severe or repeated behaviors of an unwanted nature will result in a meeting with the administration and parents (if staffer is under 18), and a discussion for an agreed upon solution to the behavior, with set parameters for success. Extreme behaviors or actions could result in dismissal from camp for the summer.

Some situations will result in a phone call to the parents, if the staff member is under 18 years of age.
Staff Perks

Staff members have several perks including free staff clothing items (t-shirts, hats, neckerchiefs), discounted Scout Uniform parts at the Pine Tree Scout Shop, and use of staff lounge. Emergency Sounds

There are three emergency sounds:

1 - Siren

   Wail - It has a sharp pitch that rises and falls.
   Yelp - The yelp's pitch changes rapidly. Yelping sound conveys a message of urgency.

2 - Air horn

3 - (active shooter)

These are described in more detail below. Although there are two different siren sounds that staff need to know, campers and leaders do not need to know the difference. If they hear a siren, they go to the council ring for attendance.

LOST BATHER:

If the Aquatics staff deems that there is a lost or unaccounted for swimmer, the Aquatics Director or Assistant Aquatics Director for the area with the emergency will notify the Main Waterfront of the emergency and the tower bell will be rung continuously until the camp siren begins or for one minute.

- Upon hearing that signal, the Camp Office will sound a continuous “YELP” of the siren.
- A runner from the Main Waterfront will report immediately to the Camp Director at the Camp Office with the information needed and the buddy tag of the last bather.
- All Scouts and Leaders will report to the council ring for a Roster check with the Camp Administration.
- The Trading Post staff will report to the Main Waterfront to direct incoming staff members to the emergency. All Assistant Aquatics Directors must secure their waterfronts as soon as possible and report to the emergency.
- The Health Officer and Ranger will assist and report to the Buddy Boards. If the Health Officer has any patients in the Health Lodge, he/she must notify the Camp Director.
- The Shooting Sports, Rifle, Pistol, Shotgun, Archery Directors, and COPE/Climbing Directors will secure their areas. The Administrative Assistant, the Cook and the Assistant Cook will remain on post. These people will send their area staff to the waterfront when possible.
- All other staff will immediately report to the waterfront and await directions from the Aquatics Director.
- The Aquatics Director will immediately begin a search, positioning searches at arms length on shore and sweeping the entire area per Boy Scout guidelines.
FIRE:
In the event of a fire, two runners will be sent to the Camp Office with the LOCATION, SIZE, and TYPE (brush, building, vehicle, etc.) of the fire.

- The Camp Director or his representative will immediately sound the “WAIL” on the siren.
- All Scouts and Troop Leaders will report IMMEDIATELY to the council ring for a roster check.
- Unless the fire is in their building, the Health Officer, the Administrative Assistant, the Cook and the Assistant Cook will remain at their post.
- A call to the Raymond Fire Department will be made (911) from the Camp Office. The caller will state:
  - If the emergency is on the main side of camp:
    - “THIS IS CAMP HINDS BOY SCOUT CAMP ON 146 PLAINS ROAD. WE HAVE A (TYPE) FIRE AT OUR CAMP. SOMEONE WILL MEET YOU AT THE CAMP ENTRANCE TO GUIDE YOU TO THE FIRE.”
  - If the emergency is on the Tenny side of camp:
    - “THIS IS CAMP HINDS BOY SCOUT CAMP. WE HAVE A (TYPE) FIRE AT OUR CAMP ON RIVER ROAD. ACCESS TO CAMP IS AT THE PARKING LOT ON THE RIGHT SIDE OF THE ROAD. SOMEONE WILL MEET YOU AT THE PARKING LOT TO GUIDE YOU TO THE FIRE.”
  - The caller will answer the questions the 911 dispatcher asks and give them the necessary information.
  - He/she will stay on the phone until the Fire Department hangs up.
- The Camp Ranger will be the Camp Fire Warden, and will guide the fire trucks to the fire spot. In his absence, the Camp Director will assign a replacement.
- All other staff will follow the “WAIL-signal procedure.”
- EMERGENCY VEHICLES ONLY will be allowed on camp roads during a Fire Alert.

WAIL-SIGNAL PROCEDURE:
- The Rifle Range, Shotgun, Pistol and Archery Range Directors shall secure their Ranges. The COPE/ Climbing Director will secure the courses. When the range/course/area has been closed, they will report to the camp road, where they will instruct any in-coming non-emergency vehicles to park in the parking lot. They will make sure the gate is open to all in-coming emergency vehicles but not allow access to non-emergency vehicles.
- All staff will clear their program areas and buildings of all campers and leaders.
- The Kitchen Crew will check: Baden-Powell campsite. Then report to the Council Ring. The purpose of the check is to verify that all campers and leaders are on their way to the council ring. The check must include: trails and roads entering and leaving the site, the central area of the site, inside tents including under bunks, inside latrines and inside any other structures.
- The Archery staff member shall check Cadigan Lodge and the Cadigan Latrine and then report to the Council Ring.
- The Polaris Director along with his assistants will follow a similar procedure with Dan Beard &
Ridgway Campsites.

- The Scoutcraft Director along with his assistants will follow a similar procedure with Byrd, West and Boone (if in use) Campsites as well as the Staff and Leader’s shower house. They will then report to the Council Ring.
- The Craftshop Director along with his assistants will follow a similar procedure with Siple and Brownsea Campsites as well as the Tenny Side camper shower house, then Report to the Council Ring.
- The Nature Director and his assistants will follow a similar procedure checking: Bailey, Tenny, Brownsea, and Maguire campsites. Then report to the Council Ring.
- The Aquatics staff will clear the swimming and boating areas following normal procedures and then report to the Council Ring.
- Provisional staff will follow the procedure for units.
- Counselors-In-Training should follow the procedure for the area they are assigned.
- The Assistant Ranger should remain with the Ranger if he is with him, otherwise he should report to the Council Ring.
- All other staff members should report to the Council Ring.
- Health Officer, Administrative Assistant, Cook, and Assistant Cooks will remain at their posts.

**LOST BOATERS:**

- If the Aquatics staff deems that there are lost or unaccounted for boaters, a runner will be sent to the Camp Office with their buddy tags.
- The Camp Director or his representative will sound a “WAIL” signal on the siren. The runner will then be sent to the waterfront to advise the Aquatics staff of the situation.
- All Scouts and Troop leaders will report IMMEDIATELY to the Council Ring for a roster check.
- The Health Officer, Administrative Assistant, Cook, and Assistant Cooks will remain at their posts.
- The Aquatics staff will close their areas following normal procedures. Designated Aquatics staff will man the motorboat. The Aquatics Director and the remaining Aquatics staff will report to the Boating area.
- All other staff will follow the “WAIL-signal Procedures.”
- The Camp Director will send other staff members to the boating area as needed. The Aquatics Director will begin a systematic search of the lake and river utilizing the motorboats and canoes as needed.
- The Health Officer will be advised, and will pull the lost Scout’s Medical Record and note any necessary information.
- A description of the lost boaters will be obtained from the Unit Leaders, and the Camp Director will notify the local authorities if and when deemed necessary.
LOST CAMPER:
- If a unit leader deems a Scout to be lost or unaccounted for, he will report the situation to the Camp Director. He will at the same time be prepared to present a description of the lost scout.
- The Camp Director or his representative will sound a **WAIL** signal on the siren.
- All Scouts and Troop leaders will report IMMEDIATELY to the Council Ring for a roster check.
- The Health Officer, Administrative Assistant, Cook, and Assistant Cooks will remain at their posts.

- If needed, the Camp Director, including a search by vehicle of the surrounding roadways, will institute a systematic search of the camp.
- The Camp Director will notify the local authorities, if and when it is deemed necessary.

SEVERE WEATHER/LIGHTENING
Raymond Emergency Dispatch will call Camp Hinds if a severe weather alert for this area is issued by NOAA. Once a warning is issued, the camp office will monitor the weather radio station and alert camp staff of a possible storm on the camp radios.

**In the event of severe weather during daylight hours**, which includes thunder and lightning, the Severe Weather signal will be issued and outside activities will be shut down and all campers, leaders and staff will go the closest building which is listed as an emergency shelter and remain there until an all clear signal is given.

The **Severe Weather signal will be a ten second blast on an air horn, repeated in one minute intervals**. The All Clear Signal will be given out over the camp communication system.

The buildings in Camp Hinds that are designated Emergency Shelters include:
- Dining Hall
- Ring Hall
- Rec Hall
- Cadigan Cabin (When not used for housing)
- Bates Cabin
- Rotary Training Center
- Tenny Rec Hall
- Medical Lodge- for staff/emergencies only

All other buildings in camp should be avoided during severe weather.
Upon hearing the Severe Weather signal, all staff need to shut down their program areas (if open) and report to their assigned buildings with all Scouts and leaders from their areas. Advise all campers, met on the way to the shelter to join your group.

Staff Assignments:

- Dining Hall – Staff from STEAM, Trail to Eagle, Polaris, Scoutcraft, Dining Hall Steward
- Ring Hall- Staff from Nature, Craftshop, Boating.
- Rec Hall - Staff from Main waterfront and West Beach and Camp Administration
- Cadigan Cabin - Staff from Shooting Sports when applicable.
- Bates/Rotary Training Center – COPE & Climbing Staff when applicable.
- Kitchen - Kitchen staff
- Tenny Rec Hall – CIT Director
- Nearest Shelter - Sports

Once at your staff assignments - staff should oversee the Scouts in their care, keep crews as calm as possible and work on programs as directed by the Program Director using your storm packs. A clipboard with weekly troop rosters will be in each emergency shelter and staff will take attendance by troop. During the severe weather, avoid cell phone use, bathroom use and turn off and unplug all electronic equipment.

A Camp Radio should remain on in each Emergency Shelter with limited use for urgent needs only and listening for the all-clear signal. If a Scoutmaster feels that one of his/her Scouts is in danger and not in a shelter, the staff should contact the camp office by radio with the Scouts name and possible location. The administration will check with all shelters on the Scouts location. No staff, campers or leaders can leave a shelter until the all clear is issued.

In the event of severe weather while on an outing away from camp, such as a Rattlesnake Mountain Hike or Canoe trip, leaders or staff need to direct campers to seek the closest possible shelter. All watercraft must come to the shore. If no building is available avoid open areas and stay away from isolated tall trees, towers or utility poles. Groups should spread out in the same general location.

In the event of severe weather during the nighttime hours when campers and leaders are in their campsites, all should remain in their tents or cabins unless a Severe Weather signal is sounded. Staying in their tents and cabins will help prevent injury from nighttime hiking in the woods and the chance of losing campers in the dark.

DREAMING OF A CAMPFIRE
I was dreaming of a campfire
Burning clear and bright
Glistening stars were high above me
'Twas on a summer's night.
I was dreaming that my comrades
All were camping with me too
Then I woke and looked around me
And say, that dream was true.

BE PREPARED
Be, be, be prepared
The motto of the Boy Scouts
Be, be, be prepared
The motto of the Scouts.
Prepared, prepared
The motto of the Boy Scouts
Prepared, prepared
The motto of the Scouts

HARRY KACKALEGIAN
(sung to the tune of “The Battle Hymn of the Republic)

I am singing you this story
of a great man of the cloth
his name was Kackalegian
and he worked for Irving Roth.
He died while cutting velvet
on a hot July the fourth.
but his cloth goes shining on!

Chorus:
Harry, Harry Kackalegian
Harry, Harry Kackalegian
Harry, Harry Kackalegian
His cloth goes shining on!

He died while in the service of his lord
He was trampling through the warehouse
Where the drapes of Roth are stored
He got the finest funeral
that the Union could afford
But his cloth goes shining on!

CHORUS

Well, Kackalegian perished
As he stood by his machine
And when the firemen broke in
well, they found him in between
A pile of roasted Dacron
And some french fried gabardine
But his cloth goes shining on!

CHORUS

OLD MILL STREAM
(This song is usually sung twice,
First, slowly, ignoring lines in parenthesis. Second, faster injecting lines in parenthesis.)

Down by the old
(not the new but the old)
Mill stream
(not the river but the stream)
Where I first
(not last but first)
Met you
(not me but you )
with your eyes
(not your nose but your eyes)
so blue
(not green but blue)

Dressed in gingham
(not satin but gingham)
Too
(not one but two)
for it was then
(not now but then)
I knew
(not old but new)
That you loved
(not hated but loved)
Me true
(not false but true)
You were sixteen
(not eighty five)
My village queen
(not the king but the queen)
Down by the old.. mill.. stream
(not the river but the stream)

The heart of Camp William Hinds is the quality, once in a lifetime program we offer each week during the summer. Our program is diverse with something to challenge every Scout of any age and of any interest.

1 - For our First year Scouts (those who have just crossed over) our POLARIS program will provide a wonderful beginning to their Scouting journey. This exciting program will introduce the new Scout to the skills of Scouting and will allow new Scouts to complete many Tenderfoot to First Class rank requirements as well as earning their first merit badges. Highlights include an ice cream social, overnight, and a hike up scenic Rattlesnake Mountain!

2 - For returning Scouts, our Traditional Summer Camp Program will provide a multitude of opportunities. These Scouts who are in the middle of their Scouting career can earn merit badges, gain leadership skills, build troop unity and develop advanced Scouting skills and experiences.

3 - For the Older Scout we have made several additions to our selection of badges and afternoon programming. Older Scouts can choose from opportunities such as these. The number in parentheses is the minimum age required to participate.

- (14+) COPE program (Challenging Outdoor Personal Experiences) learning teamwork and advanced leadership skills while getting to experience a high adventure thrill on our high ropes course!
- (14+) Pistol program where older Scouts will learn safe, competitive pistol shooting, and earn their First Steps certification
- (13+) Motorboating Merit Badge where older Scouts will learn how to safely operate and care for motorized watercrafts
- (13+) Trail To Eagle program where older Scouts can work on many Eagle required merit badges, learn the process for becoming an Eagle Scout, and most importantly what it means to become an Eagle Scouts
- The Scuba (13+) and BSA Lifeguard (15+) program will keep them on or below the waves all week.

4 - Pine Tree Council Treks. Our week long treks will challenge any Scout. Have an older Scout that is bored with summer camp? See if they are interested in this challenge. This is a provisional program so Scouts can do this without leaders.

5 - Have a Scout that you would hold up as an example to your troop? Have a Scout that loves to lead the way and teach younger Scouts? The Counselor in Training (CIT) program is likely a great fit. In this 3 week program a Scout will get to attend camp for a week as part of the provisional CIT troop. Week 2 will be spent learning to teach and lead younger Scouts while mastering some new skills. Week 3 will be a week of internship and mentoring spent with the Camp Hinds staff. This is a great opportunity for aspiring staffers and an amazing value for 3 weeks of camp.

For Returning Scouts
Offered Every Week

PROGRAM OVERVIEW:

The traditional program is the best option for returning and older Scouts that want to take merit badges. It encompasses a week of activity that is good for advancement, involves time for popular summer favorites and allows Scouts to enjoy some free time to spend with their unit to do some troop-led activities.

In the morning following breakfast, Scouts can attend up to three merit badges or specialized skill classes offered in several different topics like aquatics, crafts, nature, shooting, and more. The morning program is designed to help in advancement and to expand on Scout skills and new interests.

In the afternoon, troops will work together in activities all over camp helping to build teamwork and allow Scouts to see other parts of the camp. On Friday we will have the Camp Wide Event, which is a challenge type program where troop members are encouraged to work together to gain points or race against the clock in order to beat the other troops staying in camp. Each afternoon will end with some open area time where Scouts can return to a favorite activity or try something new!

Evenings at Camp Hinds include merit badges, specialty program and events, campfires and open areas. With different activities every night, Scouts have plenty to do or they might choose to play a game of chess or hang at their campsite!

Most of our special programs like SCUBA are limited to one or two weeks. We recommend Scouts who want to participate in these activities join the provisional group if their troop is not coming on the specific week of a specialty program. We also give a discount to Scouts that attend camp for more than one week.

For 2019, we are offering nearly 60 different badges and classes in our traditional program. Scouts and Scoutmasters should have a meeting to decide the right badges for their Scouts. **It is important that badge selection is carefully thought through; a Scout may have the impression that they may want to take a certain badge but it may not be the right fit for that year.**

**Age Restrictions and Prerequisites**
Many of the badges in our directory have age restrictions that have been placed on them to make sure that the maturity level and educational skill are appropriate for the material that comes with the badge. **Many merit badges have prerequisites that need to be completed prior to camp.**

It is important to look over the prerequisites in this guide and make sure that Scouts have the appropriate qualifications and materials needed to successfully complete the badge at camp.

**Registration**
Our preferred method of registration is through our online portal located at [https://scoutingevent.com/218-2019BSHinds](https://scoutingevent.com/218-2019BSHinds). This can be done as you register your troop. If you are not ready at that time you may log back in to sign Scouts up for specific merit badges at a later date. Scoutmasters and Scouts in Provisional will be able to log in and add individuals to the roster, sign Scouts up for merit badges and sign older Scouts up for older Scout programs. Registration is a first come – first serve system and those who register early online will be given preference. If internet access is an issue, please contact Council or camp (when in season).

If registration must be done via mail, it is strongly suggested to send registrations in to camp no later than two weeks prior to camp. Please note that registrations mailed in will not be addressed until staff arrives at the end of June. Forms received late will be handled on your Sunday arrival day or Monday morning.

**Scouts Daily Schedule Confirmation**
If your unit has preregistered with us, leaders will get a copy of their Scouts’ signups at the Scoutmaster and SPL meeting at 1:00pm on Sunday. This will give them the opportunity to make a final check of what their Scouts are enrolled in and make final changes or correct errors.

The office staff will provide you with master and individual schedule printouts for adult leaders and Scouts by the Sunday night campfire. If you find problems with Scout schedules, please come to the camp office. Changes can be made before 5PM on Sunday or after 8:00AM on Monday.
Class Operation
When leaders receive their proof copies on Sunday, they may notice blank and moved slots in Scouts’ schedules. While we do what is possible to accommodate your Scouts’ requests, they may not always get what they signed up for. Some classes have size limits that are dependent on equipment; others cannot operate when there are too few people because of youth protection guidelines. Scouts may need to be moved to a different time slot of a particular activity to offset large differences in class sizes.

Additional Equipment
Some merit badges require special equipment (fishing reel, musical instrument, etc.) While the camp has some equipment, a Scout will increase his learning opportunities by bringing his own from home. Please label any items brought from home. The camp is not responsible for lost or damaged items.

Merit badge pamphlets may be required for a class. We recommend that Scouts utilize their troop library or purchase them from the Pine Tree Scout Shop ahead of time. There is a selection of merit badge pamphlets at the Trading Post, but only in limited quantities.

Paperwork
Camp Hinds uses a report generated by Scouting247/Black Pug to report all work done in camp. Completed merit badges will be recorded and kept in the records at Camp Hinds. If you are missing paperwork, please contact the camp office before August 21st. After camp please contact the Pine Tree Council Offices at 207 797 5252 to request any copies of missing merit badge paperwork from the summer. Leaders will receive a packet at the end of the Friday night campfire with your advancements reports, troop photos, and med forms. If you need to leave before the campfire, you may stop by the camp office at a later date to pick up your packet. Packets not picked up will be mailed out after August 21st.

Prerequisites
Many merit badges, including most of the Eagle required ones, have requirements that Scouts must complete before attending summer camp. If those requirements are not completed or the Scout does not bring documentation that the requirements were completed, the Scout will go home with a partial. See the chart starting on page 29 for details.

Partials
Partials are given when a Scout does not complete the prerequisites before camp, is absent from class, their work is not passed in, or the work is not to expectations within reason. Staff will try to inform leaders if their Scouts are having trouble completing the required work. It is important for leaders to check with Scouts throughout the week to make sure their assignments in and out of class are being completed. Staff is prepared to work one-on-one with a Scout in the afternoon or evening, if they need extra time or extra help. If the week is over and requirements are left undone the paperwork will reflect a partial so that they may come back and finish only what was not completed to a Counselor in their troop or at another week or season of camp.

If a Scout does take advantage of another week or comes back for another season they must bring a copy of the paperwork that was released at the end of their original week to the makeup counselor. Hinds does keep records up to a certain date but if paperwork is lost by the unit we cannot guarantee that we can recall the records quickly or at all (they are stored off campus) after a season is completed.

If a partial is to be completed after camp, you will need to find a local merit badge counselor to sign off on their paperwork (talk to your Scoutmaster or Troop Advancement Person).
Black Pug is the software we use for camp registration and it is also the software we use to track a Scout’s progress on merit badges and advancement. You can log into your account at any point during camp to see which requirements your Scouts have completed to date. Look for the “Advancement Detail” Report. The report is one page per Scout. This is the report that you will get in your packet on Friday.

For each merit badge you will see on which day the requirement was completed. Empty boxes mean requirement has not been done yet.

On the right end of each merit badge, you will see the current status and class attendance.

To get to the report, open the drop down menu from the “More” button and select “Reports”. Then scroll down and click on the “Advancement Detail” button.

Then click the “Preview Report” button on the popup.

All participants at camp are invited and encouraged to join the Camp Hinds family in our daily program. The program is open to all scouts and their leaders. Our Program consists of a variety of opportunities ranging from basic scout skills to more advanced scout skills: including camping, cooking, axemanship, wilderness survival, nature, astronomy, technology, shooting sports and swimming and boating. Engaging in these various opportunities will help instill good citizenship, establish and expand positive characteristics in youth, and offer supports to the unit’s year round program.

Anticipated behavioral outcomes will include: a higher learning opportunity for each participant, fellowship opportunities, and a broadening of social, behavioral and general good will. This program will allow opportunities for Scouts and leaders to be involved in the camp program and help us to further develop choices and opportunities for the future.

Spend the summer on beautiful Panther Pond in Raymond, Maine. We are always seeking youth (16+), college students, educators, retirees, and you to fill various camp staff positions. Send in your application today. One current staffer wrote: “I serve on Camp Hinds Staff because camp is where I feel at home and complete. Camp has given me so much fun, excitement, and adventures over the years, so I like being able to give back as much as I can to the place, and its community, that means the world to me.”
Troop H (Provisional Troop)  
Offered Every Week

Not all Scout troops can go to summer camp and some Scouts would like to stay at camp longer than the troop does. So here is a way for Scouts to enjoy Camp Hinds for as many weeks as they would like. The camp will provide the leadership by having a qualified trained Scoutmaster and assistants serve as your Scout’s leaders for the week. Each Scout will join the provisional troop in Wilderness campsite which is made up of Scouts from different troops throughout the area and even out of state. He will be entitled to participate in all camp activities as any other Scout would. He will have the added excitement of meeting and making friends from around the council. This program is a great way for Scouts to spend an extra week at camp after their troop has gone home. It will extend the fun and adventure of summer camp. In addition to taking part in the individual advancement program, the provisional campsite will be organized like a troop and will participate as a group in camp activities. Each week will be filled with hikes, games, campfires, and competitions as well as some other activities available only to provisional campers.

Pistol Program  
Two Day Program | Age 14+  
Offered Every Week

Camp Hinds is excited to announce that we have been selected to continue the pistol program in 2019! We are the only camp in New England to offer this program and we look forward to showing Scouts the excitement and responsibility of handgun marksmanship. We will be offering two sessions during the week.

The first session meets from **1:00 pm to 5:00 pm** Monday and Tuesday.

The second session meets from **1:00 pm to 5:00 pm** Wednesday and Thursday.

You will need to signup for and attend one of the sessions for the entire week. Space is **limited to 8 Scouts per session** and parents need to complete the Pine Tree Council Pistol Program Participation and Hold Harmless Agreement form.
Scuba BSA, SCUBA Diving MB & NAUI Certification

Full Week-Morning Program | Age 13+ and Adults
Class Size - Minimum: 4 Maximum: 12
Weeks 2, 3, and 4

Want to explore the world beneath the waves? The SCUBA program at Hinds will take any Scout or adult to new depths in an experience that will give them several rewards including the Scuba BSA Award, Scuba Diving Merit Badge and the NAUI Adult (16 & up) or Junior (under 16) Scuba Diver Certification. This is a morning only program instructed by Barclays Skindivers Paradise (www.skindiversparadise.com).

What is the NAUI Certification? The NAUI (National Association of Underwater Instructors) Scuba Diver Certification is an international certification that accredits adults and Scouts with the ability to Scuba Dive in open waters. Once you have finished this week and all other required material you will be able to independently go on voyages with a group or buddy and have your own underwater adventures anywhere around the world.

New for 2019 the online text should be completed prior to arrival at Camp Hinds. This modified e-Learning system streamlines the learning process, leaving more time for Water Skills that Scouts and Adults will complete while at Camp Hinds. Classroom time, as well as confined and open water time will be completed during your time at Camp Hinds. A minimum of 4 participants must be enrolled two weeks before the start of class to hold the class.

Expense: Cost for this Experience is the camp fee (early bird or late depending on when the Scout registers) plus the **$405.00** Scuba fee for the week. This includes your week's stay, instruction from Barclays Skindivers Paradise, NAUI Certification fees and Education materials, and scuba equipment use*.

Requirements:
» Must meet the age requirement
» Scouts must be strong swimmers with prerequisites of Swimming MB and Lifesaving MB
» Will require completed online class work prior to arrival date.
» Medical clearance will be required – Scouts must provide a completed copy of the NAUI Medical form, available from Skindivers Paradise or it can be downloaded at camphinds.org/downloads/NAUIMedical99-00.pdf. Those with medical concerns can have your questions answer via NAUI's affiliation with DAN (Divers Alert Network)

How to Register: Registration will be done online. Please be advised that space is limited due to instructor ratios. Homework is required and there will be a certification test administered to receive the NAUI credentials.

*Students wanting to purchase their own personal equipment (snorkel, mask, boots & fins) can do so at a special discounted rate through Skindivers Paradise. [www.skindiversparadise.com](http://www.skindiversparadise.com) or 1-800-427-3483
BSA Lifeguard
Full Week-Half Day Program | Age 15+ (and adults)
Offered Every Week

The BSA lifeguard is an intensive program led by our aquatics team at Hinds. Its greatest purpose is to educate older Scouts and adults giving them the skills necessary to be a certified lifeguard for BSA activities. The outcome of this program will give them a certification that is good for 3 years that will enable them to operate as a lifeguard at scouting camps and aquatic events, and can also be accepted by some public/private beaches, camps and YMCA’s.

Prerequisites: Scouts and adults in this program must be outstanding swimmers; a little boating experience is preferred but not required. Youth need to have Swimming, Lifesaving and First Aid merit badges. Adults will need to contact Hinds prior to sign up for approval for this program, additionally they will be charged the “extra leader” fee of $110.00 as they will not be available to oversee their troop.

Space is limited so applicants that send in registration will be accepted first. This program is open to Scouts and leaders staying with their own troop or staying with our provisional unit.

Program Overview: This is an intensive program that will run all week and involve the candidate for most of the camp week, including evenings. Scouts will learn multiple rescue techniques including rescue from a watercraft, swimming extension rescue, active drowning rescue, passive drowning rescue, and submerged victim rescue. Course also covers long shallow diving, stride jumping, compact jump and defense, grip escapes, and back boarding procedures. Students will need to pass a written exam on theory and knowledge showing an understanding of aquatics programs and emergency management skills. Scouts will serve as a lifeguard at 2 or more aquatic events during the week.

Program Schedule:

Session 1: Daily Periods 1, 2, and 3 (All morning)
Session 2: Daily Periods 4, 5, and 6 (All afternoon)
Some evening time may be required.

Note: This course covers some first aid and CPR but in order for your certification to be valid, you must hold current certification in CPR. We encourage participants to attend a class offered by the American Heart Association, the American Red Cross or the National Safety Council prior to camp.
Order of the Arrow Camp
Provisional Week for OA Members only ~ Offered Week 1 only

This provisional program is offered jointly by Camp Hinds and Madockawanda Lodge for OA members only. Scouts coming to camp week 1 with their own unit are not eligible to participate.

During the first two periods Scouts may take merit badges from the regular schedule. During period 3, we will offer a special merit badge for OA camp participants. The afternoon and evening programs will be developed by the lodge. Participants will sponsor a special OA campfire on Thursday evenings. Detailed information will be published by the Lodge when the plan is complete.

Fishing Adventure Camp
Provisional Week for anglers ~ Offered Week 1 only

This provisional program is offered for Scouts who love to fish. Scouts coming to camp week 1 with their own unit are not eligible to participate.

During the morning Scouts will work on Fishing MB, Fly Fishing MB, and Fish and Wildlife Management MB.

The afternoon and evening will provide 3 or 4 different fishing experiences such as lake fishing, river fishing, brook fishing, deep sea fishing, and lobster fishing.

Merit Badge College “Day” Camp
Provisional one day at a time ~ Offered Week 6 only

We often hear from older Scouts, “I can’t get the whole week off from work to come to camp”. Here is a chance to come to camp for a day or two.

We will have several leaders and merit badge counselors come into camp for a day and offer a merit badge not usually available in camp. A schedule of badges will be published later. If you have a particular merit badge you would like to see offered, contact the camp director.

Scouts will check-in after dinner the day before the class, spend the night in provisional, get three meals the next day, and 6 hours of instruction. Check out will be after dinner that evening.

Cost will be $70.00/day.

Enabled Camp
Aug 14-17, 2019

This is a unit based opportunity for Pine Tree Council to better accommodate our Scouts who have special needs. We will provide great staff ratios thanks to our many able volunteers. Each Scout will take two merit badges and the unit will participate in various troop activities such as swimming, boating, archery, rifle, climbing, etc.
**Trail to Eagle Program**  
**Age 13+**  
**Offered Every Week**

This program is designed to help older Scouts who are in the middle or nearing the end of their Trail to Eagle. Scouts may select to work towards required merit badges for the Eagle Scout rank along with other camp merit badges, troop afternoon activities, and other older Scout activities to create a unique schedule for themselves. Eagle required merit badges are offered throughout the program in the morning and afternoon. Many of the Eagle required merit badges offered by other areas in the morning do not require Scouts to be 13 years of age or older.

Pre-camp Preparation: **Many of the Eagle required badges have prerequisites that should be addressed prior to camp (See Merit Badge Description and Requirements).** If a Scout has fulfilled a prerequisite he will need to bring proof in an applicable form such as letter from a Scoutmaster, parent or advisor; photograph of a project, or a chart or written report. Also several badges will require the Scout to bring the merit badge pamphlet to class. We recommend that Scouts make use of their troop library or purchase a booklet from our trading post.

In addition to Eagle required merit badges a special “**Eagle Topics**” workshop will be held where information about the Eagle Trail will be discussed such as the Eagle Service Project, paper work, and board of review.
Counselor in Training Program
Three Full Weeks | Recommended Age 15 & 16
Session 1 (June 30th - July 21st)
Session 2 (July 21st - August 11th)

Get three weeks of camp for the price of one!!

What is it?
Have a Scout in your unit with an interest in the dynamics of camp life as a staff member? Then the Counselor in Training (CIT) Program is the perfect fit for them. Scouts who apply for this program will spend three weeks working alongside our staff learning and experiencing the perks of being a Hinds Staffer, building leadership and communication skills and getting an early start in some work experience.

Benefits of this Program:
There are an infinite number of benefits that come from the CIT program.

● During the 1st week CIT’s will engage in the traditional program at Hinds taking merit badges, building relationships with other CIT’s in the group, and participating in summer camp highlights like swimming, boating, shooting and crafts just like a Scout visiting for a normal week.

● Week 2 finds our CITs taking limited merit badges while doing observations and some limited assisting in many different areas throughout camp. It is our goal to introduce our CITs to all the programs at camp, including COPE.

● Week 3 From Sunday through Wednesday, they will experience life as a camp staff – assisting in some merit badge instruction, helping with troop afternoon activities and evening activities at camp, including our campfires.

● Thursday during week 3 will be a day off. Upon return they will prepare for and then instruct in a program area for the Fun Pack Weekend program. CIT will be dismissed Sunday around 1:00pm

Cost:
Early Bird: $395.00 when paid in full by April 26, 2019
Regular Fee: $440.00
This includes a 2019 t-shirt, food and living arrangements. CIT’s will be required to follow the staff uniform policies, meaning in addition to their Class A shirt they will need to have a week’s worth of Staff Class B uniform which includes any Scouting shirt, Scout shorts, official Scout socks, and a belt. A complete supply list will be provided upon acceptance to the program.

Sign Up:
The CIT program uses an application process, where Scouts interested in participating should download, fill out, and send in the application from www.camphinds.org/staff. Applications should be sent in by April 26th. Late applications will be accepted but will only be considered as space is available. Interview will be held in the month of May. If accepted into the program there will be a CIT & Parent meeting on Sunday, June. 16th at 2:00pm

Fourteen year olds may apply, but preference will be given to 15 and 16 year olds.
If your Scout is 13 years or older, they can participate in unique afternoon programs that are focused on a specific subject like water, sports or recreational challenges. Space is limited for all programs. Scouts should plan on attending every day that their activity is offered.

Make the most of your afternoons at camp this year with our afternoon schedule. Following an hour siesta the afternoon program opens up to allow Scouts to experience summer fun as a troop. On Monday through Thursday, Camp Hinds offers 12 activities periods (three each day) for troops to experience all the areas of camp. All the activities are 50 minutes. It is our hope that each troop will schedule at least one activity in each of our 12 program areas.

- Please attend activities as a group, encourage all Scouts to come and try the activity.
- If you are a large troop, you may wish to schedule more than one activity at a time.
- All troops must have an adult present at the activity.
- If you opt for a troop time and want to visit a program area please ask them ahead of time.
- If you end up not going to a scheduled session please let the office or the area know!
- Realize that you may be sharing an area with another troop!
- Never invite yourself into a program area that is not staffed!

To Register: Register for afternoon activities by completing the form in the back of this guide. Then:

- Mail the form to camp: Camp William Hinds 146 Plains Road, Raymond, Maine 04071
- Email a copy to the camp director: dzaharis@gmail.com
- Turn it in at the Scoutmaster and SPL orientation meeting at 1:00pm on Sunday

The sooner we get the form the better. Many sessions have restricted sizes or certain days of operation so preference will be given to those who register early.

The following is a description of the available activities organized by program areas.

**Boating**

Tenny River Run (3 hours 4:00pm-7:00pm)
Grab a canoe or kayak and food for dinner from the kitchen and head on a scenic adventure down the Tenny River to Crescent Lake. This type of project will be designated by the commissioner or ranger. You may be asked to do brush cleanup, move a fence, clean up an area, build or put something together.

Neckerchief Slides
Make neckerchief slides by pouring Plaster of Paris into special molds or carve them from wood. Schedule this at the beginning of the week so the plaster has time to dry or you have time to finish your carving.
Troop Painting
Scouts have an opportunity to paint a variety of projects including neckerchief slides, patrol flags, and troop plaques! (If this is scheduled before your Troop has received its plaque, you can pick one up at while at the Craftshop!)

You can use some of these materials to make bird feeders: Flowerpots, Teacups, Cookie Cutters, Shadow-Boxes, Glass Bottles, Plastic Cups, Paper Plates, Pinecones, Bowl and Plates, Mason Jars, Logs, Ceramic Saucers, Popsicle Sticks, Toilet Paper Rolls, and Plastic bottles. The nature staff will supply materials and plans.

Leave No Trace Awareness
Leave No Trace is an awareness and an attitude rather than a set of rules. It applies in your backyard or local park as much as in the backcountry. Learn how to ask questions like “What can we do to reduce our impact on the environment and on the experiences of other visitors?” Learn how to tailor camping and hiking practices to the environment where the outing will occur. Forest, mountain, seashore, plains, freshwater, and wetland environments all require different minimum impact practices.

Blindfolded Tent Pitching
Every good Scout knows how to pitch a tent. But, could you do it blindfolded? Try this for some great intra-troop patrol competition. All Scouts will be blindfolded and have to pitch a tent following the directions of the patrol leader who can see but not help. Which patrol can get it done the quickest? Which patrol has the best looking tent?

Knot Relay
This session will begin with a review of how to tie some basic knots (square, overhand, two half hitches, tautline, bowline, sheet bend, and clove hitch). The end of the session will be a knot tying relay race of between patrols.

STEAM Center

Mouse Trap Rodeo
In this activity, Scout buddies or a patrol will get to build and perfect their own creation, and then enter it in a race! You are challenged to create a "mousetrap car" that can be entered into a troop competition. The spring of a mousetrap can store a considerable amount of potential energy when it is pulled back and its tension is increased. When released, this energy can be transformed into the kinetic energy of movement, making the mousetrap the perfect "motor" for your car.
**Lego Derby**
Each pair of Scouts will be given a set of Lego derby wheels which will run on a standard Pinewood Derby track. Scouts will be given 15-20 minutes to design and build a derby car out of assorted Lego blocks following a set of pre-printed design rules. At the end of the time, all cars will have a race or two. After the race, teams will have the opportunity to re-design their cars. A second set of races will be held. Again teams will have time to re-design their cars.

**Golf Ball Catch**
Each patrol gets 12 straws, 18 inches of masking tape and a golf ball. The goal is to build a container that will catch a golf ball dropped from about ten feet. Each patrol selects a “ball dropper” who stands on a chair and holds the golf ball at eye level. Each patrol places its container on the floor under where they think the ball will land. Each patrol gets three attempts and the patrol that gets a ball to go into their container and stay wins.

**Toy Hacking Challenge**
In the Toy Hacking Challenge, each patrol is given three or four battery-operated toys. Their task is to take all their toys apart and then using at least a few parts of each toy create a new toy or invention.

**How to Use GPS**
The compass cannot be replaced, but understanding how to use electronic orienteering devices is an important skill for people who enjoy the wilderness. A GPS navigation device, GPS receiver, or simply GPS is a device that is capable of receiving information from GPS satellites and then to calculate the device's geographical position. Using suitable software, the device may display the position on a map, and it may offer directions. The Global Positioning System (GPS) is a global navigation satellite system (GNSS) made up of a network of a minimum of 24, but currently 30, satellites placed into orbit.

**Geocache Treasure Hunt**
Go on a modern day treasure hunt, on a quest to use a GPS and your know-how to locate a series of caches throughout Camp Hinds until you find the treasure.

**Troop Time**

**Troop Time**
Take a break in the afternoon and play some board games under the humid weather, work on your troop plaque, play a sport, conduct your own units program - it’s up to you!
There is something for everyone in the evenings at Camp Hinds. Scouts may choose to take a merit badge and work on advancement. Areas will be open for additional merit badge help or to stop by and do a favorite activity. Scouts may come and go from one area to another with a buddy. Areas open at 7:00 pm and close at 8:30 pm or dusk, depending on the area. Each area will have special programs that they will be offering. Check with your Senior Patrol Leader for more information.

**Evening Activities at STEAM**

**Blast Car Design, Construction, and Racing**

Blastcar is a CO₂ powered car for Scouts, BSA. Blastcar is similar to a pinewood derby car in that the scout gets a pine wood block, 4 wheels and 4 axles to build a car, but the similarity stops there. Scouts can use their knowledge to experience the engineering design process through sketching an idea for their racer, laying out a design, constructing the car, conducting trial tests, modifying their design, and adding finishing details. Scouts design their racers for optimum performance on the course.

Scouts need to attend all four evenings
- Monday: Scouts work on the design phase. Staff will rough cut the cars for Tuesday evening.
- Tuesday: Scouts will continue construction – shaping, filing and sanding
- Wednesday: Scouts will finish car construction – painting, adding wheels, etc.
- Thursday: Race event.

Scouts will be required to purchase the kit - $5.00

**Drop-in Coding (Monday thru Thursday)**

Scouts may drop-in for one, two, three, or four evenings. Scouts will experience various coding activities from graphic based to text based to program a Sphero or BB8 robot. Beginners can give robots commands by drawing a path in the app for their robot to follow. Intermediate coders can utilize the familiar block-based drag and drop interface, while pros can use text programming and write their own code.

**Drop in SeaPerch (Monday thru Thursday)**

SeaPerch is an innovative underwater Remotely Operated Vehicle (ROV). Scouts may drop-in to get hands-on experience “driving” the SeaPerch. The amount of time each Scout will be in control will be determined by the number of Scouts who show up.
Waterfront Orientation
A brief, but mandatory, waterfront orientation for all campers and leaders will be held at the waterfront directly after dinner on Sunday night. Everyone in camp must attend.

Camp-Wide Event
You won’t want to miss this fun and friendly competition on Friday afternoon. The campwide event is great way to build unity in your campsite. Come join us for an afternoon of fun! Senior Patrol Leaders will be involved in the planning and will get more information at the daily SPL meetings!

Are you an early riser? Say “hello” to the day – and our aquatics staff – by jumping into chilly water every morning for the Polar Bear Dip. If you need a pick-me-up that coffee can’t supply, or are up for a crazy challenge, report to the waterfront at 6:30 am Monday through Friday where you will plunge, splash, or dip into Panther Pond. For those brave enough to attend four mornings, the honor of being able to purchase the Polar Bear Dip patch will be theirs.

Mile Swim, BSA
This is a rugged swimming challenge for all campers and leaders who want to test their endurance. Swimmers swim Monday through Thursday at 7:00 pm. Participants must attend ALL the mile swim sessions. Completion cards will be given to all who complete the challenge and a patch can be purchased at the Trading Post with proof of completion. We know some conflicts can occur, for example, maybe your are taking Fingerprinting on Tuesday. Talk to our Aquatics Director to schedule an alternate time to do your laps on Tuesday.

Scouts may go fishing with a buddy during open areas. A favorite spot is along Tenny Point or try our fishing docks! Want to fish from a boat? Scouts may only fish from rowboats during troop boating or open boating times. Fishing is not allowed off the Tenny Bridge or in the swimming or boating areas. Wading is not allowed while fishing at any time.

The zombies of 2016 are still lingering around camp! Join us for a morning run to escape the brain eaters! Meet at the dining hall at 6:30am.

Chess and Cribbage
See if you are the best at Camp in these games or make a tournament of your own. Stop by the Office to sign up. Tournament playoff rules will be posted at Camp. Campers will need to coordinate a time to play during open areas and report the results to the Office.

Duty to God Service
A Duty to God Scout Service will be held on Sunday evening following the waterfront orientation in the council ring. Troops may join one of our offered services or plan something for their own troop. If you would like to reserve a camp spot for your service, please stop by the Office. Wear your crazy hat all day Tuesday until 5:00pm. Hats have been worn all throughout history for a variety of different purposes: to indicate social status or branch of military service; to indicate the wearer has a position of authority; for religious purposes or to denote nationality; for ceremonial or fashion purposes; or to protect the wearer from sun, rain or other hazards. It’s such an important article of clothing that we will celebrate this day by proudly wearing a crazy hat or your favorite hat.

Madockawanda Lodge - Order of the Arrow
For over 100 years, the Order of the Arrow (OA) has recognized Scouts and Scouters who best exemplify the Scout Oath and Law in their daily lives. This recognition provides encouragement for others to live these ideals as well. Arrowmen are known for maintaining camping traditions and spirit, promoting year-round and long term resident camping, and providing cheerful service to others. OA service, activities, adventures, and training for youth and adults are models of quality leadership development and programming that enrich and help to extend Scouting to America's youth.

Thursday is OA Day!
Members are encouraged to wear their sashes to Retreat and Dinner. Madockawanda Lodge has several programs planned.

Service Hour:
Members of the Order of the Arrow will have the opportunity to participate in the OA Service Hour each week. On Thursday evenings, members of the OA will join with the OA staff members for a service project at camp. Your participation will earn your troop points in the campsite inspections and all workers will receive a specially designed patch after their “cheerful service.”

Brotherhood Conversions
A brotherhood conversion ceremony will take place on Thursday nights starting at 7pm. To be eligible, the Ordeal Member must have over 10 months of tenure as well as be a member in good standing (dues paid in full). There will be a small fee attached to cover the cost of the Brotherhood sash.
After the initial check-in is complete, the fun begins...

Following a medical & swim check, Webelos will spend their first afternoon settling into their first overnight experience. With the help of camp provided guides, Dens will have time to host small activities that will get them comfortable with their campsite and fellow Webelos. Typically we have a ice breaker craft project that the Webelos start working on and continue to build on throughout the week. The day will round up with the world famous Camp Hinds campfire hosted by our energetic staff and will have lots of skits, songs and cheers.

Throughout the week we welcome Webelos and leaders to attend the activities in a theme-related costume. Whether it is just a small accessory or a full costume it will be sure to enhance their week at camp.

We have a program that is fun, exciting, dynamic, and appealing to today’s youth and meets the needs of the Webelos and their Packs while attending camp.

This variety of offered activities is designed to be safe while providing fun and advancement, to support the philosophy that Scouting is fun with a purpose and to be appropriate for participants’ ages. Our program stresses adventure and fun and not just advancement.

Program Groups

The camp population will be divided into 8 program groups of nearly equal size. Small Packs will be joined by other Packs and large packs may be split into smaller groups. These groups will go from area to area together.

Advancement and Offerings

While our daytime program contains advancement opportunities, our focus is creating fun and interactive activities for our Webelos and Arrow of Light candidates. Throughout the week our staff will facilitate the activities. But ultimately it is the Webelos’ leaders that can sign-off advancements when they think their Scout has fulfilled the requirements. A reference sheet of the advancement incorporated into the week will be handed out in the closing packets.
Activities just for fun and Adventure:

These activities are automatically in your schedule.

Aquatics:
Each group will spend one and a half hours on Monday and Tuesday at the Aquatics areas.

- **Open Swim** – Go to the main beach if you just want to just go swimming
- **Water Games** – Go to west beach to join in on a water game such as water polo or water volleyball.
- **Open Boating** – Go to Chipmunk Point to spend some time on the river in a rowboat, canoe, or kayak. Which boats are available for you will be determined by the color of your buddy tag.

Packs may split up amongst the three areas as long as there is an adult with each group. You may spend your entire period at one of the areas or you may break it up and do a little of each.

Archery & Pellet Rifles:
On Monday, each group will get one period at the Archery Range and one period at the Pellet Rifle Range.

Sling Shots and Sports:
On Tuesday, each group will get one period at the range for Sling Shots and one period at the sports field for Sports.

Activities for Advancement:

On each day there are advancements periods. There are separate offerings for both Webelos and Arrow of Light candidates. These offering include some of the required Adventures, some of the Elective Adventures and a Shooting Sports Award. As a pack or Den you need to pick three activities and two alternatives. Sign-up is required.

Program Sign-up

Once you have had time to look over the advancement choices and collect your unit's interest you will be able to select your den's advancement choices.

Webelos Leaders can signup for activities in one of two ways. The BEST way to signup for activities is to mail the form to camp. Forms received by mail will be processed in the order that they are received. Forms for advancement signup can be accessed from the end of the leaders guide or on-line at www.camphinds.org.

12:00 PM  Have a safe trip home

Revised: March 7, 2019
Day 1 Sunday
Following dinner on Sunday we will have a Waterfront Orientation which is required of all Webelos and leaders followed by a brief Duty to God Service in the council ring followed by a campwide welcome Campfire.

Day 2 | Monday | All Camp Event
Following dinner on Monday we will have a unified activity that we ask all Webelos to participate in. In the past we have had a camp-wide staff hunt, scavenger hunts & more. This evening is filled with games and excitement which is always best enjoyed with friends. It is also the best time to dress up with your “Land of the Pharaohs” theme costume.

Day 3 | Tuesday | Open Areas
After being at camp for two days now, each Webelos will have the chance to experience more time in their favorite area. Each activity area will be open for the Webelos so they can go swimming, boating, make crafts, participate in Scout skill activities, use one of our shooting ranges or whatever caught their eye. Find a buddy and explore these options.

Aquatics:  
Enjoy Boating at Chipmunk Point, Swimming at the Main Beach, or Water Games at West Beach.

C.O.P.E & Climbing:  
Learn to listen, see things differently, jump into a situation and talk your way out of anything! Don’t miss this chance for some team building super fun activities.

Craftshop:  
What kind of useful and decorative project can you make using only duct tape? These projects could include a neckerchief slide, watch band, toy, pouch, wallet, or den flag. Do you have favorite decorative duct tape, then bring it along.

Nature:  
Compete in a nature scavenger hunt pitting dens against each other. Which den can find the most items on the list. As well as the list, each den will be given resources to help them identify what they find.
Polaris:
Find the treasure – using a compass or GPS unit find the hidden treasure.

Scoutcraft:
Come join the Scoutcraft crew and learn how you can make donuts and funnel cake on your next campout. Sample will be available.

Shooting Sports:
The Archery and Pellet Rifle Ranges will be open

Sports
Join the sports crew at the volleyball court for some drop in volleyball or at the gaga pit for some fun.

STEAM
Sure you have built Pinewood Derby Cars but have you tried to build one out of Legos which will run on a standard Pinewood Derby track? You challenge is to design and build a derby car out of assorted Lego blocks following a set of pre-printed design rules. Now race your car against others. After the race, you will have the opportunity to re-design your car to make it better.

Trail to Eagle
Come challenge your buddy in a game of chess or checkers.
Boy Scouts Enabled Camp
at Camp Hinds

This is an opportunity for the Pine Tree Council to better accommodate our scouts who have special needs. We will be providing great staff ratios thanks to our many able volunteers.

SCOUTS! Please sign up as early as possible so that we can respect and anticipate your needs and interests.
