Scout Executive's Corner- Prepare the Way

This issue of Pine Spills has some exciting announcements that will affect all of us in the Pine Tree Council. Nationally, the BSA has launched the Emergency Preparedness BSA program. This program, in conjunction with the Department of Homeland Security encourages each of us to do our part to help secure our family, neighborhood, and community from many types of threats. By preparing our neighbors and ourselves, we can help secure America. Please read the details in this issue and check out the BSA website for more details.

Prepare the Way

Locally, I am pleased to announce that we have started the early phase of our capital campaign. As you may know, the council strategic plan has for the past 8 to 10 years called for improvements to our camping facilities, development of a new office, and to increase the assets of our endowment fund. Jock McKernan is serving as our honorary chair of the campaign and Bill Ryan, President of Banknorth is serving as our campaign chairman. Jock and Bill have put together a great team, along with the leadership of our Board President Bill Thornton. We hope to raise the needed funds to develop improved service and communication, expand our camping capability, develop cub camping facilities, improve facilities at Bomazeen and Hinds, expand our endowment and build the new Scout Service Center.

The really exciting prospect of our "Prepare the Way" Capital Campaign is

the improvement to our camping and outdoor facilities. Several years ago, our strategic plan indicated that expanding our Camp Bomazeen to include more cub camping facilities and opportunities would be a way to best utilize all of our resources. Recently, our Cub Camping Development Committee recommended to the board that, when dollars are available, we should invest in the improvement of the Bomazeen infrastructure and develop Cub Camping facilities in conjunction with the existing Boy Scout year round camping opportunities. The board approved the recommendation and we are excited to announce that when the needed dollars are raised, we will make many improvements to Bomazeen and begin the development of Cub Scout camping programs, i.e. webelos camp, resident camp, fun pack weekends, family camping, any type of overnight cub camping program. In addition to the improvements to camp, it will provide more resources for our Boy Scout Troops who use Bomazeen as a year round camping location.

With your support, continued leadership, and participation at our camping programs and facilities, we can continue to do great things for the youth of the Pine Tree Council. Go out and continue to Prepare the Way, and have a wonderful and safe summer.

Pine Tree Council
2003 Junior Leader Training Conference
August 10 – 16, 2003 **Cost: \$160.00**

Junior Leader Training is an intense weeklong leadership-training course for Scouts. The course is intended for a Troop's current and future boy leaders. Scouts who are about to assume the positions of Assistant Patrol Leader, Patrol Leader, Assistant Senior Patrol Leader and Senior Patrol leaders can all benefit from this course. This is a week of fun and hard work that will provide the participants with a working knowledge of the leadership skills that have been proven successful in Scouting over the years. The skills acquired at JLT are useful outside of scouting as well.

JLT is perhaps that most powerful Boy Leadership teaching tool available in Scouting! Lord Baden-Powell once said, "Train your Scouts to do the job, then let them do it!"

To qualify for admission to JLT, a boy must be recommended by his Scoutmaster, be 13 years of age as of 8/1/03 and First Class or above. The fee is \$160.00 for the week and will be held at Camp KV in Readfield. Camp KV offers a beautiful site with 65 acres, a sports field, lodge and other amenities for this course.

Participation is limited to only 2 Scouts per troop with enrollment capped at 48 Scouts. This popular course fills up quickly.

Scoutmaster for the course is Dave Sinclair, Scoutmaster of Troop 356 in York District and a Woodbadger! Dave has served as Scoutmaster for the PTC National Jamborees and recently served on staff at the World Jamboree in Thailand. Join Dave and his staff for a great experience you won't forget!

For more information call Dave Sinclair at 646-2394 or email Scout356@cybertours.com or Cathy Gosselin at Pine Tree Council, 797-5252 ext. 14

The course will be offered in two 3 day weekends on Friday, Saturday and Sunday, September 19, 20, 21 and October 10, 11, 12. It is definitely a commitment on your part to attend all six days and also meet the registration fee of \$170.00. However, this is one training that you will never forget. The skills learned in this National BSA training program are skills that you will use, not only in your scouting position, but also in your home, job and any other group to which you may belong. The only requirements for participation in the training are that you must be a registered scout leader, you must have completed the Basic Leader Training for your scouting position, and you must receive an invitation to attend the training. There are no tenure or time requirements. The uniform for the course will be the standard full field uniform for your registered scouting position. If you wish to receive an invitation, please send your request including your name, address, telephone number, scouting position, and scout unit by mail or e-mail to Bill Coffin, 47 Mark Street, Lewiston, ME 04240 or bjc@gwi.net. The clock is ticking and there are only 48 openings on the Wood Badge Course, so please don't be left out of this truly great experience. Send in your invitation request today. For those of you that have already received your invitations, remember to get them back in as soon as possible so as not to be left out.

Emergency Preparedness BSA-Hometown Security

To respond to this important request, the Boy Scouts of America has established the Emergency Preparedness Award. This award is available to Scouts and Scouters who complete the specified age appropriate requirements. By fulfilling these requirements, Scouts and Scouters will constitute an important part of our nation's and our hometown's security.

When a member has fulfilled the requirements, a completed application is submitted to the Council. Upon approval, an Emergency Preparedness pin is awarded. The pin may be worn on civilian clothing or on the uniform, centered on the left pocket flap. The award may be earned more than once; for instance, as a young person advances through the ranks and is capable of more complex preparedness activities, but only one pin may be worn.

All emergency activities carried out by Scouting units must be appropriate for the ages and abilities of the young people involved. Units should participate only under the supervision of their own leaders, and plans for unit help must be coordinated with community agencies responsible for disaster preparedness.

Requirements for all ages and ranks can be found on the National BSA website at www.scouting.org. Applications for the award may also be found and downloaded from this website. For more information, please talk with your District Executive or call the Pine Tree Council at 797-5252.

CAMP BOMAZEEN CUB ADVENTURE CAMP

Pine Tree Council, B.S.A. is pleased to announce the expansion of Camp Bomazeen to include our Cub Adventure Camp! The Executive Board, on the recommendations from the Outdoor Program Committee and the Cub Camp Development Committee, has authorized this exciting news. The Committee's goals were to provide the greatest opportunity for all Scouts to camp, to best utilize all of the PTC camp facilities and provide a progressive camping program for all ages! These improvements to Camp Bomazeen will improve our capacity to support cub scouting programs at the camp and will expand our year round Boy Scout facility at the camp.

The need for a Cub Camp has been part of the long range plans for many years and the Cub Camp Development Committee, chaired by Mike King, has been working for over a year to help make this a reality. All of Pine Tree Council's properties were considered and the final decision was that Bomazeen was the best facility for these programs.

As part of the Pine Tree Council's Capital Campaign, funds will be allocated to help transform Bomazeen into a fun, safe and exciting facility for our Cub Scouts and their families as the primary Cub Scout summer camp. Additional year round camping opportunities for packs, troops, crews and posts are part of the plans!

This transformation will not happen overnight! The camp facility will undergo a 3 - phase plan of action over the next several years!

Some of the Highlights for the camp will include:

Themed programs areas such as:

- Native American Archery Area
- Fort McCurdy BB Range
- Pirates Cove area for boating
- Lighthouse with Keeper's Inn at the Aquatics area
- Playground
- And much more!

Facility upgrades include:

- New shower house and bathroom facilities
- Ranger Residence
- Parking Area
- Campsite improvements including some cabins
- Upgrades to staff housing
- Year round rental facilities

Part of the Capital Campaign will provide renovations to the Camp Hinds Training Center to serve as a high adventure base for older Scouts during the summer.

This is a major commitment of PTC and the Executive Board and will need many volunteers to help make this a reality. Three main committees in program, marketing and building are being established to continue to make plans for the Cub Adventure Camp. If you are interested in becoming part of this ongoing team, contact Mike King at mking@maine.rr.com or 767-2715 or Cathy Gosselin at Pine Tree Council, at 797-5252 ext. 14.

Downeast District

Downeast District Fall Camp-A-Way

Downeast District proudly offers the first ever "Camp-A-Way" Camporee. This fall's camporee will not be held in the district. Instead, we're going to take the fellowship and fun of "Downeast" scouting to other districts or councils. We will be mailing to each SPL and Scoutmaster/Committee a packet with information on nine camporees or jamborees in nearby districts or states. We encourage your troop to attend one of these events. (The packets will be available on June 11 at Roundtable.)

Contained in this packet will be the contact information and/or web site addresses for the camporees. The Downeast District requests that you inform Sue Kennedy of your plans so that we may assist your troop with directions and carpooling information. How do we get a patch? Attend one of the Downeast Fall Camp-A-Way camporees. Then have your SPL and Scoutmaster attend Roundtable on Nov. 12 at the Wiscasset Middle School. Show us some of your souvenirs and photos to get your Downeast District Camp-A-Way patches!

For more information, contact Susan Kennedy, District Activities and Civic Service Chairman, 798-7920 or scouter@blazenetme.net.

Be a part of this unique approach to a fall camporee!

School Night Rally Update

Would you like your pack or troop to grow? Are there less scouts than last year? Here is your chance to recruit more boys to become scouts who will benefit from the greatest program going for boys and young men. It is time to think about which date works best for your unit. Pine Tree Council and Downeast District will be holding **School Night for Scouting on September 16 and 18, 2003**. This event offers your unit an opportunity to recruit boys and increase the size of your pack or troop. Flyers and posters are available from the Council Service Center, so get your information in early. Information from a survey states that the number one reason that boys are not involved with the scouting program is because they have never been asked. Let's do them a favor and invite them to join in on the fun. Applications can be delivered to Maritime Farms in Waldoboro on Route 1 or at the Cooks Corner Burger King on September 18 from 7 to 9pm. For more information or to have flyers printed, contact Jeremy Lucas @ 797-5252 ext. 28 or jlucas@bsamail.org.

District Yard Sale

Do you need to clean out your garage, attic or closets? Here is a great opportunity to do so while helping the scouting program. The Downeast District is hosting our 1st Annual District Yard Sale to benefit the Family Friends of Scouting Campaign. The event will take place on August 23rd at the Montsweag Flea Market in Woolwich on Route 1. It will run from 8am until the flea market closes. We are looking for your help. We are soliciting donations of items that are suitable for sale. Please no large items, i.e. appliances, furniture, etc. Televisions and computers in working order are welcome. Your items will be picked up at your request by contacting Rhonda Switzer @ 798-4829, rswitzer@bsamail.org or Jeremy Lucas @ 797-5252 ext. 28 or jlucas@bsamail.org. The Downeast District thanks you for your support.

Explorer/Learning for Life

2004 National Law Enforcement Conference

The date and location of the 2004 National Law Enforcement Conference has already been set for the week of July 19 through July 24, 2004. The Conference will be held at the Georgia Institute of Technology in Atlanta, Georgia. For more information, please visit the Learning for Life website at www.learning-for-life.org. Already on this site are basic information and a reservation form. When visiting the site, click on Exploring and then click on the law enforcement section. We encourage adults and youth to visit this website often to get the latest information regarding national conferences and other Exploring events. National Law Enforcement Conference Guidebooks will be mailed to each council. When these are received, they will be disseminated to all our law enforcement Explorer posts.

State Fire Muster and Championship

The 10th Annual State Fire Muster and Championship is being held the first weekend in August. This is the 10th year anniversary of this event. We encourage as many posts to participate as possible. We also invite our Law Enforcement Posts to offer their assistance and support. Explorers can assist in the setup and offer their support through attending. Last year, law enforcement Explorers ran the concessions and assisted in other ways. We hope that you will assist this year also. Any questions regarding the State Fire Muster and Championship should be directed to David Ludden, Fairfield Fire Explorer Post 400. David can be reached by e-mailing him at luddend@gwi.net.

About Character Education

"Character education holds, as a starting philosophical principle, that there are widely shared, pivotally important core values - such as caring, honesty, fairness, responsibility, and

respect for self and others - that form the basis of good character. A school committed to character education explicitly names and publicly stands for these values; promulgates them to all members of the school community; defines them in terms of behaviors that can be observed in the life of the school; models these values; studies and discusses them; uses them as the basis of human relations in the school; celebrates their manifestations in the school and the community; and upholds them by making all school members accountable to standards of conduct consistent with core values."

*Tim Likona, Eric Schaps and Catherine Lewis': Eleven Principles of Effective Character Education

Learning for Life would like to take this opportunity to thank those schools throughout Central and Southern Maine that have chosen Learning for Life's character education program for their school-based programs.

Congratulations Post 883

Congratulations to Scarborough Police Department Explorer Post 883. Post 883 was awarded an Outstanding Municipal Service Award by the Town of Scarborough. The Explorers were selected for this honor by a committee of town employees who recognized the value of the youth to the community. The Explorer Post was recognized for their consistent presence at many of the town sponsored events, including fingerprinting of Scarborough youth, directing traffic, assisting with car seat inspections, and installing new signs on private roads.

The vigilance of the Explorer Post while on patrol has led to three arrests, one for shoplifting, another for driving to endanger, and a third involving a stolen vehicle. The Explorers have also performed admirably in national competition.

The Town of Scarborough and the Pine Tree Council are proud of Explorer Post 883 for their contributions to the community and their continued dedication to learning about the profession of law enforcement. Great work!

Attention! Great Opportunity for Explorers!

September 13, 2003, will be a great opportunity for Explorers to take part in our Challenging Outdoor Personal Experience (COPE) ropes course at Camp Hinds in Raymond. The day will provide fun team building opportunities, personal challenges and an experience you will not soon forget! For more information, please call Kathryn Moorehead at 797-5770.

✓ Pine Tree Council, Boy Scouts of America

Many of you will be asked to support your local United Way Agency this fall as they kick off their Annual Giving Campaign. The Boy Scouts of America has had a long history with the United Way. As a founding agency of the United Way, the Boy Scouts of America greatly appreciates the support that has been extended to Boy Scout councils across the country. For many decades, United Way funding has helped the BSA bring the Scouting programs to underprivileged youth, introduce new programs, and broaden the existing program. Every United Way is led by a board of local volunteers who help set policies and make funding decisions. The decision to continue funding the Boy Scouts program is made individually by each United Way.

In the Pine Tree Council, many United Ways continue to support the local council by passing on to the council those financial donations that have been designated to the Boy Scouts of America. We encourage you to participate in your company's United Way Campaign, but make sure that when you fill out the pledge card you make a note that you want your gift designated to the Pine Tree Council, Boy Scouts of America. If there is not a place to designate, make sure you write it on the pledge card anyway.

The Following United Ways Designate Monies to the Pine Tree Council:

- Portland United Way
- Mid-Coast
- Mid-Maine
- Sea Coast
- York County
- Androscoggin
- K Valley
- Greater Portland

If you want the full value of your gift to go towards the Boy Scouts of America, then we suggest that you make your pledge directly to the Pine Tree Council, and not to the United Way. That way, 100% of the money you donate is used for scouting programs. If you are supporting the United Way, then make sure to designate, it makes the difference.

SCHOOL NIGHT FOR SCOUTING

September 16th and 18th are this year's School Night for Scouting registration dates. New youth and adult applications need to be turned in to the appropriate district location on September 18th. District training will be held to help your unit have a successful School Night sign-up. Information can and should be sent to your local newspaper, radio station, and television station for promotion of your recruitment night.

Look over the School Night For Scouting training materials that you will receive at your district training to make sure that you have a great night set up for the parents and the kids. Have as many registered leaders on hand as possible to answer questions and to help register new adults and kids in the program. Here are some reminders that will help you have a successful recruitment night:

1. Contact the Pine Tree Council by August 20th with your School Night location and date of either September 16th or 18th. Please start your recruitment night at 7 PM to help with Council wide publicity information.
2. Work with other Packs and Troops in the same community so everyone recruits new kids and adults.
3. Talk to your local school about an in-class promotion with the boys, a few days before the sign-up night, to build their enthusiasm.
4. Make sure that your local religious affiliation is aware of the nights because many will include this information in their worship service bulletins.
5. Talk with local businesses about placing information on their marquees promoting School Night.
6. Place posters in stores and high traffic areas.
7. Some Grocery stores will place a flyer in shopping bags.

8. Cable access stations will sometimes promote sign-up night.
9. Local phone companies will put info on their monthly bills.
10. Invite a local Boy Scout Troop to help keep the kids entertained while you talk with the parents.
11. Have your treasurer attend your School Night Sign-up so that one check with the correct pro-rated fees can be written to the Pine Tree Council to avoid losing any money.
12. Make a great first impression by being organized.
13. Have a calendar of events for the new scout and their family so they are prepared for the upcoming activities.
14. All applications and appropriate pro-rated fees should be taken to the drop-off location on Thursday, September 18th, unless other arrangements have been made with the District Executive.
15. Have fun and show new families the excitement of Scouting.
16. Before your new families leave the registration night, make sure they know the time, date, and location of your next scheduled den or pack meeting.
17. Families should have phone numbers of key unit leadership.

School Night application turn-in locations have not been secured as of press time. Drop-off locations will be given to you at your School Night orientation. Please make sure that your applications have all the proper signatures and pro-rated fees before delivering them to the proper collection site on September 18.

Popcorn Kick Off/ Training Event

Selling Trail's End Popcorn will provide your unit with

the "Ideal Year of Scouting." Popcorn Kick-Off has returned to the district. We hope by doing this that more units will attend the Kick-Off event and sell popcorn. This annual fundraiser provides an opportunity to keep 70% of the profit locally to support scouting. Join us on August 21, 6pm @ the Topsham Fairgrounds for a Popcorn Kick-Off Cookout. The training will begin at 6:15pm during dinner. Be sure that your Unit Kernel or a representative from your unit is present to get all of the necessary literature about this exciting opportunity. There will be new incentives for individuals as well as units. Visit www.trails-end.com to check out the new product line for this year and receive great information on how to budget for the "Ideal Year of Scouting." 2005 NATIONAL SCOUT JAMBOREE

The Pine Tree Council will be sending two troops to the 2005 National Scout Jamboree! Are you interested in being a part of one of the troops?

The 2005 National Jamboree will take place in July and August of 2005. Scouts who are at least First Class rank and will be 12 years or older by July 1, 2005, but not yet 18, will be eligible to attend.

The National Jamboree is held at Fort A.P. Hill in Virginia and will be attended by over 40,000 Scouts and leaders. The Pine Tree Council, B.S.A. contingent will travel together with volunteer Scoutmasters and promises to be one of the highlights of your Scouting career!

Program features reflect the skills of Scouting, our national heritage, physical fitness, environmental conserva-

tion, and the true spirit of Scouting.

Daily activities include archery, biathlon, buckskin games, confidence course, conservation programs, scuba, kayak fun, racing shell run, and raft encounters.

Regional action centers with rappelling towers are truly popular, as are trap shooting, an American Indian village, and the opening and closing arena shows, not to mention daily stage shows and many other activities. It's Scouting and American history at their very best!

Keep watch in future Pine Spills issues, as well as the PTC web site for further Jambo information!
