Look inside for tips on successful recruitment!
I would like to start out by thanking everyone for being patient while the Pine Tree Council moved operations into the new Alton E. “Chuck” Cianchette Service Center. This was a very busy and labor-intensive project, but was worth all of the effort. The end result is that the Pine Tree Council can now better serve the youth & adults involved in Scouting.

I would like to give special thanks to the Pine Tree Council staff for all of their hard work during this move. They all put in a lot of “overtime” to help make the transition as smooth as possible. This is a tribute to the dedicated staff at the Pine Tree Council!

As the summer months approach, we can look forward to much better weather, and a busy camping season! I would encourage all the Packs, Troops, Posts, and Crews to take advantage of the great camping program opportunities that the Pine Tree Council provides. It is very important for all new Scouts, recruited during the spring, to experience a camping program early on. Statistics show these kids will stay in Scouting longer.

It is also important that your Unit is looking forward to the fall and “Race to Scouting”. It is very important that every unit has a plan in place to have a successful recruiting effort. Not only is it important to recruit new youth, but also you need to recruit and train new adult leaders. These are all essential components to healthy and successful Scouting programs.

Yours in Scouting,
Paul Spellman
Pine Tree Council President
Exploring/LFL

Welcome Maine State Credit Union Business Explorer Post!

On the evening of Tuesday, May 24th, the Maine State Credit Union conducted its open house for local youth. The Maine State Credit Union is the second financial institution to provide opportunities for youth to investigate careers in business/finance through the Exploring program. TD Banknorth Explorer Post advisors were also in attendance at this open house and shared their experiences with the adult leadership at the Maine State Credit Union. Thank you TD Banknorth for your support of our expanding Business/Finance Careers Explorer Programs.

Explorer Law Enforcement Academy

During the week of June 20 through June 24, youth interested in pursuing careers in law enforcement will be attending the 2005 Maine Explorer Law Enforcement Academy, being hosted by the Maine Criminal Justice Academy in Vassalboro. For some students, this experience will provide them with their first serious glimpse into the physical, mental and academic challenges inherent to careers in law enforcement or military career fields. This year, we also have participants from Katahdin Council and from an out of state Explorer program.

Learning for Life/Exploring Golf Tournament at Prout’s Neck Country Club

Polish up your irons, grab that big dog and put on your spikes! The Maine Chapter of Learning for Life, presents a unique opportunity for Explorers and members of the community. This year, we also have participants from Katahdin Council and from an out of state Explorer program.

Outstanding Municipal Service Award

Congratulations to Scarborough Police Explorer Post 883 for being awarded the Outstanding Municipal Service Award from the Town of Scarborough. A citation from this award reads as follows: “Your dedication to learning about the profession of law enforcement has led your Explorer Post to be recognized as a “Post of Quality.” Additionally, you have performed admirably in national competition. Your experience in keeping with the professional and committed approach you have taken with respect to your responsibilities within the Scarborough community.

Explorer Post 883 was awarded this recognition because of their value to their community. Three arrests, one for shoplifting, a second for driving to endanger, and a third involving a stolen vehicle, have all resulted, in large part, from their efforts. The Learning for Life and Exploring district congratulates Scarborough Police Explorer Post 883 for this prestigious recognition.

Hinds Rotary Training Center Gets a Facelift!

As part of the continuing Capital Campaign for improvements to the Pine Tree Council properties, the Training Center, under the direction of the Properties Committee, has received some much needed improvements. Ranger Bob Gosselin, and his work crews, have done most of the work over the past few months. Updates include re-slinging parts of the roof, complete renovations of the bathrooms, which includes handicap access, replacing the old furnace and hot water system and adding handicap ramps inside.

More improvements coming in the future include outside handicap access, refinishing the hardwood floors and improvements to the sleeping bags!

Membership - Race to Cub Scouting

This year the Boy Scouts of America is hoping that you are getting ready to Race To Scouting. This year’s recruitment program will work with chartering organizations to bring in more kids than ever to the Scouting program. Every child should be invited to join Scouting.

Start preparing now for late spring and fall recruitment by asking a unit leader to organize everything from the location of the recruitment event, working on some special incentives for new scouts to help promote this year’s sign-up.

Our major Race To Scouting sponsor for 2005 is NAPA Auto Parts. NAPA will provide every new Cub Scout that joins between May 2005 and October 2005 a coupon for a free Pinewood Derby car that they can redeem at a local store. Coupons will be sent out in late October and early November so it is very important to get those new applications into the Pine Tree Council as soon as possible.

Cub Scouts and families, mark your calendar for October 1st for Pine Tree Council’s next Trailblazer Day! The Trailblazer Day will be held at Camp Hinds in Raymond in conjunction with the Scout Advancement Association and will be a fun filled day filled with activities like BB and archery, fishing, wildlife groups and more!

Trailblazer Day coming again in October

Trailblazer Day is designed as a family activity for new Cub Scouts and their families to see and experience a day at camp! Cost for this program will be $5.00 per person and will include a BBQ lunch, all program equipment and free prizes and patches for all youth attending! Registration forms for Trailblazer Day can be downloaded from our web site at www.pinetreebsa.org.
Cub Scout Program Training Specifics

Cub Scout Leader Specific Training: An intensive overview providing job/position related information to Cub Scout Leaders. Specific training is offered to the Cubmaster and Assistants, Pack Committee Chair and Members, Tiger Cub Den Leaders; Cub Scout Den Leaders and Assistants; and Webelos Den Leaders and Assistants.

Basic Adult Leader Outdoor Orientation (BALOO): This training provides a hands-on learning experience designed to give leaders the outdoor skills and planning techniques they need to conduct age-appropriate parent/son overnight camping with their packs. At least one leader must have BALOO in order to take the Pack camping!

Webelos Leader Outdoor Training (WLOT): A session that is conducted in an outdoor setting where Webelos Den Leaders will receive information on the outdoor skills they will need in working with Webelos Scouts. Required by Webelos leaders before they can take their den camping.

Membership - Race to Boy Scouting

Every year, the local Cub Scout Packs across the council recruit over 1500 new kids to the scouting program. As a Boy Scout Troop, there are many opportunities to bring more Boy Scout age youth into the program with a little effort.

Here are some simple suggestions on how to recruit Boy Scouts.

1. Hold an open house and have flyers distributed to the local school inviting boys to attend and possibly join. Have a hands-on activity for new youth to be involved in that night.
2. Invite a friend to Scout night. Challenge each Boy Scout already involved in the Troop to bring a friend to a meeting specifically designed to get them interested.
3. Take a prospective youth on a camporee with you. Prospective youth are covered by Boy Scout insurance so they do not have to be registered to attend this function.
4. Make sure that your Troop visits the local Cub Scout Pack so that when crossover time comes for the Webelos, they have already made the connection to your Troop.
5. Have your Troop members serve as Den Chiefs for the local Cub Scout Pack.

As a reminder, Bill Ryan, Jr., owner of Oxford Plains Speedway and the Oxford Plains Snow Tubing Park, has agreed to donate a free one-day pass to all new scouts that sign up this fall to go snow tubing.

Pack Award

Calling all Cub Scout Packs to Keep Scouting going all summer long!

Packs can earn the Summertime Pack Activity Award by planning pack activities during the summer months. Need some ideas?

1. Host a birthday party to celebrate the 75th birthday of Cub Scouting! March in a parade!
2. Do a good turn project in your community! Attend a FunPack Weekend as a group!
3. Work on earning the Cub Scout 75th Anniversary Award!
4. Send your Scouts to Day Camp or Webelos Resident Camp!
5. Have a picnic at the beach and identify shells!
6. Take a nature hike!
7. Go stargazing and identify constellations!
8. Build birdhouses and install them around your homes!
9. Go to a Sea Dogs baseball game!
10. Hold a rain gutter regatta or space derby!

There are lots of great ideas and activities for Cub Scouts and families to do all summer long! Make sure your Pack makes the most of this summer and earns the Summertime Pack Activity Award!

York District News

Scouting Families in York District, we raised over $30,000.00, and the money will go a long way to ensure that the quality programs in York District and the Pine Tree Council will continue for present and future scouts.

Thank you also to the volunteers who gave their time and talent in giving presentations to the units in York District.

First Annual York District Scouter Show-N-Do

Mark September 30 - October 2, 2005 at Camp Nutter as the date for York District’s Scouter Kick-Off. A Family Barbecue has been planned. This is a Free Event. Please register before Wednesday, August 24, 2005 so supplies can be purchased.

If your unit has not sold popcorn in the past, please consider it as your major fundraiser for your unit. Some of our packs use the popcorn sale as their ONLY fundraising event for the year. The popcorn is an easy product to sell and has repeat customers from year to year. The Show-N-Sell Popcorn Program is a great way to get started selling popcorn or add to your Take Order Popcorn Sales. Some units do both programs and have great success with them.

For more information about the Trail’s End Popcorn program, check out their website at www.trails-end.com. Please contact Frank Gilcreast at 797-5252 ext. 24 for more information.

Friends of Scouting

Thank you to all the York District Packs, Troops and Scouting Families that participated in the Friends of Scouting (FOS) campaign this year. Through the generosity of the a discussion of upcoming events, as well as an informative presentation on how selling popcorn will benefit your unit. It is a great event and should surely be missed by any unit who wants to have a smooth year of scouting.

District Staff

Our program in the Kennebec Valley District will only get better with additional help. Most of what happens in a year for the youth in KV is thought up, planned, organized, run, and wrapped up by volunteers – many of whom retain strong affiliations with their local units. As the saying goes “many hands make light work.” The KV district needs “many hands.” You need not have a certain number of years under your belt with regards to experience, and you need not have prior experience in planning and running district level events. All you need is a desire to learn and a willingness to help the youth we serve. Requests for assistance vary from singular tasks to being involved in a committee. All aspects of our district operations can use help – training, advancement, finance, program/activities, public relations, Commissioner Service, and membership – all need more help.

K-Valley District News

Thank you to all the volunteers and leaders who help make this organization so wonderful. What a great year – keep the energy up for the summer. A special thanks goes out to the District Committee, headed by Charles Matthews and Lynn Corson, along with the whole district committee team. We would also like to express our thanks to Al Warner, Mitch MacArthur, Steve Madie, Troop 586, Troop 479, Scott Adams, Pack 471, Scott Haney, and all the other leaders who have worked so hard to provide such wonderful programming activities for our youth. Luanne Chesley, the popcorn team, Chip Clary and the FOS presenters team. Roger Potterleau, John Maiden, and Paul LePage also need praise for their help in the fundraising efforts for this district. I am sure we have forgotten a few folks – there are so many to thank. It has been a great year so far – let’s keep it going!

Program/Popcorn Kick-Off

August 18th, at Goodwill Hinckley in Hinckley, Maine will be the date of our district program and popcorn kick-off. Attendance will begin at 5:30 pm, with the program beginning at 6:30 pm. This event is designed for all units to send a representative for attendance, so you can begin the year with all the vital information you will need, as well as be able to ask the District Leadership questions. There will be more information will be available over the coming months.

Contact Frank Gilcreast at 797-5252 ext. 24 for more information.

Downeast District News

Summer is upon us and it is time to wind down with the scouting experience until fall. Thank you for all you have done to help shape the lives of youth in Maine. At times it may seem like a thankless job, but the impact that you have on boys is unmatched. I strongly encourage all of you to attend Day Camp, Boy Scout Camp, Fun Pack Weekend and Camp. There are plenty of opportunities for your boys to advance during the summer, so it is important to recognize their accomplishments in September at a Pack Meeting or Court of Honor. Strive to achieve the Summertime Pack Award and plan for a successful fall kick-off of the scouting program. I would like to thank the Downeast Committee and Commissioner Staff for all of their hard work this past year as this district would not be as strong as it is without them. The individual Pack, Troop and Crew program may be done for a couple of months, but we know that scouting takes place year round for most of us. Take some time for your families and enjoy what Maine has to offer. I am looking forward to the fall and what we can accomplish and provide for the thousands of youth we serve. Have a great summer and I will see you at camp.

Calling All Knights

The Day Camp staff has been working hard the last couple of months to put together a program that will be sure to impress your Cub Scout. If you have not registered your son for camp, there is still time to do so. The cost for a week of day camp is $90.00, which includes a camp T-shirt and patch; fun is included at no extra cost. The Camp Staff for both Union and Topsham bring years of Cub Camping knowledge to our programs. Camp will begin each day at 8:30am and will continue until 4:30pm. Union Day Camp will run from July 11-15 with Topsham following during the week of July 18-22. There are several staff positions available and an application can be requested from the Council Service Center. If you choose to be on staff, your son will attend camp for $10.00. To register for camp, contact the Service Center or download a form from www.pinetreesba.org.

Wiscasset Raceway To Host District Popcorn Kick-Off

In the past, we have had a barbecue to signify the start of our Popcorn Campaign. This year we have teamed up with the Wiscasset Raceway to offer an exciting and enticing kick-off program. It will be held on Saturday, August 20, 2005 at 4:00pm. The raceway will be giving tickets to each Unit Kernel and 3 guests to attend the races that evening. We will meet at 4:00pm to review materials, incentives and new product lines for this popcorn sale. After the Popcorn Training, we will then enter the raceway to enjoy the evening festivities. You must be present at the training to get your tickets for the race. Additional tickets may be purchased if you have others joining you. For more information, contact Jeremy Lucas at 797-5252 ext. 28 or by email at: jlucas@blazenetme.net.

All Out For Scouting – Fall Recruitment

We are proud to announce that the Downeast District has not lost a single unit this past recharter year. What does this mean? It means that young men and boys in the mid-coast region are benefiting from the best youth serving program in the nation. What can we do to help this movement? We can do our best to ensure that every boy ages 7 through 17 has been invited to join scouting. The number one reason why boys do not join scouting is because they are not asked. The dates for All Out For Scouting are September 20 and 22, 2005. We encourage your unit to complete your recruitment on or before these dates. The Membership Committee encourages you to host your recruitment night, as early in September as possible to ensure that Scouting is one of their first choices of activities. Each unit will receive a packet with applications and information for new scouts and parents. Flyers and other recruitment materials are available, please get your dates to Jeremy Lucas or Marc Liberman. For more information or questions, contact Marc Liberman at craibassoc@aol.com.

A couple of reminders from the lodge: Please remember that the Annual Meeting and election of officers for Madockawanda Lodge will be held during the Lodge Leadership and Development Weekend ("LLD"). The LLD is a series of training sessions, activities, chapter competitions and shows culminating with the annual meeting on Sunday morning. Save the weekend of October 28-30th for this great annual event. Members should watch for the special LLD registration flyer due in September.

Secondly, later this fall, please watch for the flyer for the Lodge Family Banquet scheduled for December 3, 2005 and hosted by Abnaki Chapter. Congratulations go out to Lodge Officers Paul Froman, Dan Wanner, Tom Keister and Kirk Gagnon, as well as Matt Randall, Mike Mirisola and Lodge Advisor Bruce Rueger for completing the trek to New Jersey to complete the National Merit "Bridge of Honor" ceremony at the U.S. Coast Guard Station in New York. Former Undersecretary of the Navy James F. Goodrich was present to hand out awards and serve as the evening's keynote speaker. Secretary Goodrich shared stories of his youth as both a Boy Scout and Sea Scout to the group, explaining that his Scouting experiences had given him the tools necessary to achieve his successes later in life. The evening was a resounding success as three Sea Scouts advanced in rank and others were presented with badges of office and other achievements. For more information about Sea Scouting, contact Jonathan Widmark at 797-5252 ext. 23.

Remember, all lodge information is in the latest issue of Turtle Soup, the lodge newsletter, and updated schedules and locations are posted on the lodge website at www.pinetreelsba.org/lodge.

And finally, thanks go out to the 30 lodge members who helped with the organization, setup and training at the University of Scouting held this past March. The program was excellent and the learning experiences and fellowship was great. By the way, those were masked men!

**New Square Knot for Volunteer Unit Organizers**

The new William D. Boyce New-Unit Award recognizes volunteers who organize one or more new traditional units. Celebrating Boyce’s organizing spirit, the award consists of a silver square knot on a background of yellow, green, and red—representing the traditional Scouting programs’ colors.

**Award Requirements**

1. With the approval of the district committee chair, serve as the organizer and complete the successful organization of one new traditional unit.
2. Organize the unit by following all procedures as published in the New Unit Organization Process, No. 34196, ensuring that new unit leadership is trained, program is organized and begun, the new unit committee is functioning, a unit commissioner is assigned, all paperwork is processed, and the unit charter is presented to the chartered organization.
3. Only one volunteer can be recognized as the organizer for each new unit.
4. Three program devices can be earned and worn on the new-unit organizer knot for each additional new traditional unit organized. Each program device represents the type of unit organized. Multiple program devices from the same program can be earned and worn.

Race into Scouting 2005!

This year’s All Out for Scouting will be held on Tuesday, September 20th and Thursday, September 22nd. Please take some time and sit down with your unit committees to decide which date works best for your unit, as well as determining if you will be offering your own District Afloat Clinic, as well as determining if you will be holding your sign-up night. Try to choose public places that most members of your communities will be familiar with, like schools or recreational centers.

Also, you might want to coordinate with other units in your community to centralize your recruitment efforts and offer a combined citywide sign-up. Let’s start the planning process now and make this a record year for sign-ups so that we can offer our programs to more kids than ever and make an even greater difference. Once you have chosen your date and location for sign-up, please contact Jonathan Widmark at 797-5252 ext. 23 or jwidmark@bsamail.org.

**Good Turn for America**

Larry Thibault is our new District Good Turn for America Chair. For more information on service project opportunities, how to log your service projects online or how to best get your unit involved with community service you can contact Larry at 783-6369 or dlrthibault@yahoo.com. Also check our GTFA page on www.abnakidistrict.org.

Annual Commissioner Staff Assignment Evaluation

If you haven’t already, we would like you to complete our survey asking what you have for your current unit assignments. Every year we review commissioner assignments to make sure each unit is receiving quality unit service, and to evaluate how we as a Commissioner staff can improve what we do. We hope to have assignments out to commissioners by the beginning of the summer camp season.

Boy Scout Merit Badge Program

All Out For Scouting – Fall Recruitment

We are proud to announce that the Downeast District has not lost a single unit this past recharter year. What does this mean? It means that young men and boys in the mid-coast region are benefiting from the best youth serving program in the nation. What can we do to help this movement? We can do our best to ensure that every boy ages 7 through 17 has been invited to join scouting. The number one reason why boys do not join scouting is because they are not asked. The dates for All Out For Scouting are September 20 and 22, 2005. We encourage your unit to complete your recruitment on or before these dates. The Membership Committee encourages you to host your recruitment night, as early in September as possible to ensure that Scouting is one of their first choices of activities. Boy Scout Merit Badge Program

All Out For Scouting – Fall Recruitment

We are proud to announce that the Downeast District has not lost a single unit this past recharter year. What does this mean? It means that young men and boys in the mid-coast region are benefiting from the best youth serving program in the nation. What can we do to help this movement? We can do our best to ensure that every boy ages 7 through 17 has been invited to join scouting. The number one reason why boys do not join scouting is because they are not asked. The dates for All Out For Scouting are September 20 and 22, 2005. We encourage your unit to complete your recruitment on or before these dates. Membership - Race to Boy Scouting

Every year, the local Cub Scout Packs across the county recruit over 1500 new kids to the scouting program. As a Boy Scout Troop, there are many opportunities to bring more Boy Scout age youth into the program with a little effort.

Here are some simple suggestions on how to recruit Boy Scouts.

1. Hold an open house and have flyers distributed to the local school inviting boys to attend and possibly join. Have a hands-on activity for new youth to be involved in that night.
2. Invite a friend to Scout night. Challenge each Boy Scout already involved in the Troop to bring a friend to a meeting specifically designed to get them interested.
3. Take a prospective youth on a camporee with you. Prospective youth are covered by Boy Scout insurance so they do not have to be registered to attend this function.
4. Make sure that your Troop visits the local Cub Scout Pack so that when crossover time comes for the Webelos, they have already made the connection to your Troop.
5. Have your Troop members serve as Den Chiefs for the local Cub Scout Pack.

K-Valley District News

Thank You

A big “thank you” goes out to all the volunteers and leaders who help make this organization so wonderful. What a great year – keep the energy up for the summer. A special thanks goes out to the District Committee, headed by Charles Matthews and Lynn Corson, along with the whole district committee team. We would also like to express our thanks to Al Warner, Mitch MacArthur, Steve Midie, Troop 586, Troop 479, Scott Adams, Pack 471, Scott Haney, and all the other leaders who have worked so hard to provide such wonderful programming activities for our youth. Luanne Chesley, the popcorn team, Chip Clary and the FOS presenters team. Roger Potter, John Maid, and Paul LePage also need praise for their help in the fundraising efforts for this district. I am sure we have forgotten a few folks – there are so many to thank. It has been a great year so far – let’s keep it going!

Program/Popcorn Kick-Off

August 18th, at Goodwill Hinkley in Hinkley, Maine will be the date of our district program and popcorn kick-off. Attendance is mandatory at 5:30 pm, with the program beginning at 6:30 pm. This event is designed for all units to send a representative for attendance, so you can begin the year with all the vital information you will need, as well as be able to ask the District Leadership questions. There will be a discussion of upcoming events, as well as an informative presentation on how selling popcorn will benefit your unit. It is a great event and should surely not be missed by any unit who wants to have a smooth year of scouting.

District Staff

Our program in the K-Valley District will only get better with additional help. Most of what happens in a year for the youth in KV is thought up, planned, organized, run, and wrapped up by volunteers – many of whom retain strong affiliations with their local units. As the saying goes “many hands makes light work.” The KV district needs “many hands.” You need not have a certain number of years under your belt with regards to experience, and you need not have prior experience in planning and running district level events. All you need is a desire to learn and a willingness to help the youth we serve. Requests for assistance vary from simple tasks to being involved in a committee. All aspects of our district operations can use help – training, advancement, finance, program/activities, public relations, Commissioner Service, and membership – all need more help.

If you are at all interested in learning more, please contact Matthew Randall at the council office, 797-5252 x27, at home, 725-9760, or on the internet, Honors_pride@hotmail.com.

York District News

Scouting Families in York District, we raised over $30,000.00, and the money will go a long way to ensure that the quality programs in York District and the Pine Tree Council will continue for present and future scouts.

Thank you also to the volunteers who gave their time and talent in giving presentations to the units in York District.

First Annual York District Scouter Show-N-Do

Mark September 30 - October 2, 2005 at Camp Nutter as the date at the following for the First Annual York District Scouter Show-N-Do. This event is open to ALL leaders, Cub Scout, Boy Scout and Venturing, who are interested in experiencing scouting the way our Boy Scouts do. The Patrol Method will be used throughout the weekend where each participant will become part of a Boy Scout Patrol and have the opportunity to experience camping, cooking, leadership and other areas of scouting that a scout in our program experiences.

This would be a great opportunity for Webelos leaders to get a better understanding of how the Boy Scout program functions before their Webelos cross over into a Boy Scout Troop. More information will be available over the coming months. Hope to see you there.

**Welcome Maine State Credit Union Business Explorer Post!**

On the evening of Tuesday, May 24th, the Maine State Credit Union conducted its open house for local youth. The Maine State Credit Union is the second financial institution to provide opportunities for youth to investigate careers in business/finance through the Exploring program. TD Banknorth Explorer Post advisors were also in attendance at this open house and shared their experiences with the adult leadership at the Maine State Credit Union. Thank you TD Banknorth for your support of our expanding Business/Finance Careers Explorer Programs.

**Explorer Law Enforcement Academy**

During the week of June 20 through June 24, youth interested in pursuing careers in law enforcement will be attending the 2005 Maine Explorer Law Enforcement Academy hosted by the Maine Criminal Justice Academy in Vassalboro. For some students, this experience will provide them with their first serious glimpse into the physical, mental and academic challenges inherent to careers in law enforcement or military career fields. This year, we also have participants from Katahdin Council and from an out of state Explorer program.

**Learning for Life/Exploring Golf Tournament at Prout’s Neck Country Club**

Polish up your putting, row in that big dog and put on your spikes! The Maine Chapter of Learning for Life, exploring and Camp KV have rentals available. This year, we also have participants from Katahdin Council and from an out of state Explorer program.

**Explorer Post 883**

Explorer Post 883 was awarded this recognition because of their value to their community. Three arrests, one for shoplifting, a second for driving to endanger, and a third involving a stolen vehicle, have all resulted, in large part, from efforts. The Learning for Life and Exploring district congratulates Scarborough Police Explorer Post 883 for this prestigious recognition.

### Fall Property Rentals

Open September 1st

Reservations for the fall of 2005 and 2006 winter camping rentals open September 1st. Scouting groups wanting to reserve space should complete a Property Use Form and submit it to Pine Tree Council. All of our camps, including Camp Hinds, Nutter, Gustin, Homazon and Camp KV have rentals available. Units that camp at four of the properties over the course of one year can earn the Council Camping Award.

What’s available? Everything from the Training Center that comfortably sleeps 45 people indoors, to cabins holding 12 to 32 people and rustic campsites. Stay a weekend, one night, or more!

### Hinds Rotary Training Center Gets a Facelift!

As part of the continuing Capital Campaign for improvements to the Pine Tree Council properties, the Training Center, under the direction of the Properties Committee, has received some much needed improvements. Ranger Bob Gosselin, and his work crew, have done most of the work over the past few months. Updates include re-slinging parts of the roof, complete renovations of the bathrooms, which includes handicap access, replacing the old furnace and hot water system and adding handicap ramps inside.

More improvements coming in the future include outside handicap access, refinishing the hardwood floors and improvements to the sleeping bays!

### Membership - Race to Cub Scouting

This year the Boy Scouts of America is hoping that you are getting ready to Race To Scouting. This year’s recruitment program will work with chartering organizations to bring in more kids than ever to the Scouting program. Every child should be invited to join Scouting.

Start preparing now for late spring and fall recruitment by asking a unit leader to organize everything from the location of the recruitment event to working on some special incentives for new scouts to help promote your unit’s year’s sign-up.

Our major Race To Scouting sponsor for 2005 is NAPA Auto Parts. NAPA will provide every new Cub Scout that joins between May 2005 and October 2005 a coupon for a free Pinewood Derby car that they can redeem at a local store. Coupons will be sent out in late October and early November so it is very important to get those new applications into the Pine Tree Council as soon as possible.

Message from the President

I would like to start out by thanking everyone for being patient while the Pine Tree Council moved operations into the new Alton E. "Chuck" Cianchette Service Center. This was a very busy and labor-intensive project, but was worth all of the effort. The end result is that the Pine Tree Council can now better serve the youth & adults involved in Scouting.

I would like to give special thanks to the Pine Tree Council staff for all of their hard work during this move. They all put in a lot of “overtime” to help make the transition as smooth as possible. This is a tribute to the dedicated staff at the Pine Tree Council!

As the summer months approach, we can look forward to much better weather, and a busy camping season! I would encourage all the Packs, Troops, Posts, and Crews to take advantage of the great camping program opportunities that the Pine Tree Council provides. It is very important for all new Scouts, recruited during the spring, to experience a camping program early on. Statistics show these kids will stay in Scouting longer.

It is also important that your Unit is looking forward to the fall and “Race to Scouting”. It is very important that every Unit has a plan in place to have a successful recruiting effort. Not only is it important to recruit new youth, but also you need to recruit and train new adult leaders. These are all essential components to healthy and successful Scouting programs.

Yours in Scouting,
Paul Spellman
Pine Tree Council President

Message from the Council Commissioner

First, I would like to thank all of the commissioners for their committed work on this year’s re-chartering and Unit inventories. Your efforts are really appreciated. We also had over 30% of our units use the online-re-chartering which was wonderful, especially since this was the first year that this option was available. We hope that this year’s success will convince more units to try it next year.

By the time this issue of Pine Spills reaches you, our summer camp program will be just about getting started. Please commissioners; remember that this is probably the best time to visit your units. A visit to your units now, either at Boy Scout camp or possibly at Webelos camp will give you an ideal opportunity to visit and talk to both the leaders and the Scouts in a relaxed and great Scout setting. If you don’t know what week your unit is attending camp, contact your District Executive.

A final thought is on this fall’s “Race To Scouting”. This recruiting effort is shaping up to be one of the best ever. There is already great support on the national level from General Motors Corporation. In Pine Tree Council we have the support of both VIP Auto Centers and Oxford Plains Speedway. With these three sponsors backing a racing theme for recruiting, how can we not be winners. All of our commissioners should be contacting their units to offer any advice, guidance and especially any and all help that the units need to fully take an active part in this great recruiting effort. With these great sponsors, our terrific units and the commissioner’s hard work, we have the opportunity to bring the greatest youth program in the world to hundreds more youth in southern and central Maine. Make sure that you attend your District Commissioner’s meetings to get the full details on this great recruiting effort. Enjoy your summer months and get rested up for a great “Race To Scouting”.

Yours in Scouting,
Bill Coffin
Pine Tree Council Commissioner

Boys Life Subscription Rate

Beginning September 1, 2005, the Scout subscription of Boys’ Life Magazine will increase to $12 for 12 issues, the non-Scout subscription will increase to $18 for 12 issues, and postage outside the United States will increase from $18 per year to $21 per year.

The fee increase is necessary due to rising paper prices, postage rates, and production costs, and the extra pages incurred by the three demographic editions of Boy’s Life.

Boy’s Life is the best value in the youth magazine market. Even with the fee increase, the subscription rate for Scout subscribers is still one-half to one-third the cost of other youth magazines, while the quality of Boy’s Life continues to be second to none.

Updates on Camp Bomazeen

Plans are continuing as Pine Tree Council works on the transition of Camp Bomazeen into a Cub Scout family camp! The Properties Committee has been hard at work making final plans on moving the camp road out of the main program areas and campsites to provide better camp access, safety and security. The current road offers a high concern of safety as it has Scouts coming through the main areas of camp.

A new access road has been planned to skirt the perimeter of the camp. The road design is being done by Sebago Technics of Westbrook and will include a new camp entrance and gateway, a large parking lot and access to our neighbor’s properties. The Department of Environmental Protection has given tentative approval for the new road, but we need to go through the permitting and final approval process.

Once final designs, and permit approval for the road are granted by the town of Belgrade and the DEP, the National Engineers of the BSA approve the final camp layout of program areas and campsites! Watch for more news in the near future for this exciting project!

Scouting For Food

As we get ready for summer and the numerous camping opportunities that await us, it is difficult to not look forward to the future. The Boy Scouts of America nationwide have been providing an invaluable service to this country and most importantly, the hungry. The new initiative; Good Turn for America, through the National Boy Scouts, has provided all of us an opportunity to recognize the thousands of hours of community service that we provide. Included in this initiative is Scouting for Food, which is a program that has helped local food banks and agencies throughout the Pine Tree Council service area. Last year, all of the scouts in the council collected over 140,000 containers of food. We would like to build 0ur efforts and help more people with this great drive. The great thing about Scouting for Food is that all of the food items collected remains local to the area where they were collected, benefiting our communities.

Bag distribution is scheduled for October 29, 2005 with collection of the items on November 5, 2005. On November 5, we will have several Salvation Army trucks, along with media coverage at the Pine Tree Council Service Center, as we hand over collected food items. We invite units to bring their food items to this drop off location. Scouting for Food report forms are available when you pack up your bags. When your report sheets are completed, please mail or fax them to the Pine Tree Council Service Center so that we can tally the total numbers of containers collected.

For more information about Scouting for Food and the Good Turn for America Program, log onto www.goodturnforamerica.org.

Catholic Committee on Scouting

Sunday, July 24th is a day filled with activities and fun. It includes sessions on the Luminous Mysteries, free time for games, making new friends or sitting by the lake. Mass is celebrated outside (weather permitting), followed by a BBQ. The evening is topped off by a campfire and skits, and a friendly game of Manhunt (hide-and-go-seek in the dark). The evening concludes with the Last Supper experience. Scouts leave for home on Sunday morning.

The Roman Catholic Diocese of Portland Boy Scout Committee welcomes Catholic Cub, Boy, Venture, or Explorer Scouts in addition to Girl Scouts in grades 5 to 12. The fee for the weekend is $35. For additional information or to receive a Camporee newsletter and registration form, please contact: Office of Catholic Scouting, P.O.
