Welcome
New Scouts!

Maine Jam ‘07
October 19th - 21st, 2007
Oxford Fairgrounds
Message from the President

Paul Spellman

As the world continues to celebrate the 100th anniversary of Scouting and the values that the Boy Scouts have stood for, we welcome our newest Scouts and their families, who just joined Scouting, to the Pine Tree Council. You have just become members of a proud group of young men and women who strive to do their best daily and will become the leaders of tomorrow.

One hundred years ago, Lord Baden Powell, took the first group of young boys to Brownsea Island in England, to help them build trust, learn leadership, and strong values through outdoor skills. Scouting has not changed, as we still want to instill those core values into our youth.

As part of the Pine tree council’s 100th anniversary celebrations we invite all of our Scouts and families to join us at the upcoming “Maine Jam ’07” this October at the Oxford Fairgrounds. Volunteers have been working hard to make sure the event holds true to its promise of “having something for Scouts of all ages!”

EXPLORING PROGRAMS

Exploring programs provide experiences that prepare young people to become responsible and caring adults. Exploring is designed for young men and women ages 14 (and who have completed the eighth grade) through age 21 to allow these people to get hands-on experiences in a career field of their choice while working with professionals in that field. They also gain practical knowledge in a career, engage in a program of activities centered on career opportunities, life skills, service learning, character development and leadership experience. Exploring is designed to encourage the development of the whole person.

LEARNING FOR LIFE CLASSROOM SPEAKERS

Learning for Life works with schools as they prepare young people for the real world of work. A significant impact on youth education is the introduction of classroom speakers into the classroom of elementary, middle and senior high schools. Learning for Life has a long history of matching student career interests with professionals from their local communities. If you are a builder, nurse, teacher, architect, insurance agent, photographer, dancer, etc., would you be willing to make yourself available to do a classroom presentation or twice a year for these young people? There is an amazing number of Scouting adults representing many of these careers and we can use your help. Please call Michael Dyer at 797-5770 or email mdyer@lflmail.org to help us in this school-based effort.

LEARNING FOR LIFE AUCTION AND BENEFIT

The 2008 Learning for Life Auction and Benefit is being held at The Portland Club on Wednesday, May 21st, 2008. If you would like to attend this auction and benefit, please call 797-5770 to be placed on our mailing list. This event directly supports our school-based Learning for Life and work-based Exploring programs. Proceeds from this event also helps us provide schools with character education curriculum free of charge. If you would like to donate to this auction, that would also be appreciated. Cash and item donations are currently being accepted as we begin preparations for this 2008 event. If you are interested in being a corporate sponsor we can arrange for that as well.

PRIVATE AND PUBLIC SCHOOLS AND OTHER ORGANIZATIONS

If your school is interested in implementing a character-education program in your school or organization, we would be glad to speak with you. Learning for Life has a character and career education program that can be used as a stand-alone educational program. Currently over 10,200 Maine youth are served through this program. While we cannot provide all schools with this curriculum, we will consider all requests on a first come basis while supplies last.

FIVE EAGLES IN A FAMILY

Brian Kane of Standish received his Boy Scout Eagle Award on July 28, an accomplishment for sure. But what makes his award truly remarkable is that Kane, 17, is the fifth member of his family to receive the award. His grandfather, father, uncle and cousin have all gone before him to accept the highest award a Boy Scout can get.

And his mother, Jane Kane, couldn't be more proud. “We think it is really important for our family,” she said. “It’s a tradition. It’s a lot of work, and the boys have to make a real commitment to fulfill all the requirements it takes. I’m just so proud of my son for wanting to continue that tradition and for doing the work that needed to be done.” The Kane legacy of Eagle Scout honors began with Brian’s grandfather, Tom Kane Jr., who turns 90 years old in August. He received his award in 1931 at the age of 14. His two sons -- Philip Kane, 55, Brian’s father, and Tom Kane III, 58, Brian’s uncle -- got their own award is probably more important to his father.”

What he doesn’t know, however, is that his own award is probably more important to his father than the one Philip Kane received himself, so many years ago. “It’s been a father/son bond for sure,” she said. “Not all the boys who join scouts make it all the way. They get tired of it or it isn’t cool anymore or whatever. But he persevered, she said, because “he knew it was important to his father.”

Kane said she figures the role models set before her son helped give him the extra push at times when getting the award seemed too much work. “The troops are smaller than they used to be,” she said. “All the boys who join scouts make it all the way. They get tired of it or it isn’t cool anymore or whatever. But he persevered, she said, because “he knew it was important to his father.”

Five Eagles in a Family

Four Casco Bay Boy Scouts were presented with the District Award of Merit at the Casco Bay BBQ on August 26th at Camp Hills. Unit Commissioner George Loidl presented Scoutmaster Joe Wiley from Troop 800 and Long time Pack and Troop 800 Committee member Sandy Winde both of Raymond, and South Portland Scoutmaster Joe Picararo of South Portland. The District Award of Merit is the highest award that a District can award to a Scout Leader. Please join with the Casco Bay District Executive, District Committee and District Commissioners and congratulating these fine volunteers. Other leaders recognized at the District BBQ were Jim Fisher, Nate Smith, Heather Judkins, Missy Bell, Michelle Josephson, and Grace Everest who each received their District Award of Merit at the Casco Bay BBQ on August 26th at Camp Hinds. Unit Commissioner Bruce Johnson, and South Portland Scoutmaster Joe Picararo of South Portland.

Friends of Scouting Presentations

We would like to get a head start on Friends of Scouting presentations for this year. All Committees are asked to look at their calendars and look for the best times that a Friends of Scouting presentation can be scheduled. As you know the best FOS presentations take place at Blue and Gold Ceremonies or Courts of Honor. Remember that you help with Friends of Scouting is an important part of delivering the high quality programming that the Casco Bay District is known for. Please contact Tony Bessey at 797-5252 ext. 23 to book your presentation or with any questions.

District Recharter Time

As we enter the Holiday Season, District Recharter time is right around the corner. The majority of units recharter in January and February so it is important that you contact your unit commissioners and work together with them to insure that your charters are filled out correctly and completed on time. It is essential that all our Scouts are officially registered and on your charters, in order to insure that they are covered by our insurance and they can enjoy a safe and productive Scouting experience. We also encourage you to use the on-line internet rechartering! If you have any questions, please feel free to call Tony Bessey at 797-5252 ext. 23 or District Commissioner Mel Montpelier at 767-0822.
The Annual Y ork District Business Meeting will be held on Thursday, November 8, 2007 at the Saco City Hall starting at 7:00 PM. Everyone is invited to come to the meeting including all Unit Charter Organization Representatives who are the unit’s voice on the operation of the District Committee. Come see what is in store for York District in 2008.

FRIENDS OF SCOUTING:

Time has arrived for Pine Tree Council’s annual Friends of Scouting (FOS) fund raising campaign. Friends of Scouting is an annual fundraising campaign that gives Scouters and their families and interested people in the community an opportunity to contribute to the financial support of the Council. This fund raising campaign helps support the council in the following ways: camp maintenance, keeping camp fees low, organizing new units, servicing existing units, maintaining service center including records, information and support staff and support for professional staff. Please note that the 15% rebate program utilized in 2007 will be available again in 2007. Over $2,100.00 went back to Y ork District in 2007. Over four thousand merit badges were earned and hopefully many great memories around the campfires with their troops leadership! At our day camps for Cub Scouts held throughout the council, the Cubs enjoyed the “Riddle of the Sphinx” theme as they visited the lands of Egypt! Our gratitude goes to the our Camp Directors Maryse Bell, Diane Vermonter, Jen Whitehill, Scott Verrill, Heather Judkins and Ray Jacques along with their Program Directors Grace Everest, Tony Beaumier, Michelle Josephson, Sheila Adkins and Andy Beaus for their leadership and planning. A special thanks to all of the volunteer den leaders, program aides and parents who also made sure the Cub Scouts had a fun and save time!

FunPack Weekends were just what the name says, fun packed! Held at Camp Hinds this past summer, the Cub Scouts along with Mom or Dad, explored Egypt on the archery and BB ranges, learned ancient Egyptian writing in hieroglyphics, made clay artifacts and much more! Our thanks to our District Coordinators, John Trotz, Tracy Grogan, Mary Jane Vachon, Kristen Spears, Mike York and FunPack Coordinator Leslie Ellis along with all of their volunteers. Also, thanks to Tom Morris for his instruction in BB and archery to all the staffs.

As the fall season approaches, the Pine Tree Council would like to extend it gratitude and thanks to all of the leaders, staff, volunteers and parents who assisted at our many summer camps this past summer!

Over 1400 Boy Scouts and Webelos, along with their volunteer leaders attended Camp Hinds. Boy Scout camp in July and August! A sincere thanks to the leadership of Camp Director, Matt Mower; Program Director, Ed Molleo; CIT Coordinator, Wayne Holden and their staff for their dedication to the program! Over four thousand merit badges were earned and hopefully many great memories around the campfires with their troops leadership!

RACE INTO SCOUTING:

Please get in all your registrations for new Scouts and Scouters you pick up during fall recruitment.

Remember, recruitment is a year-round endeavor and does not end after your fall recruitment night. Scouts can join throughout the year and will have the chance. Use your local schools, municipal offices, publications, churches, and other public venues as a resource for getting information out about your Scouting program and how to join. Also, your district leadership is available to help you with any follow-up recruitment efforts you would like to do.

Our lodge was well represented at the National Conservation and Leadership Summit held at Indiana State University this past July. Attending were Lodge Chief Aaron Wiggin, Lodge National Events Chairman Andrew Rueger, Lodge Staff Adviser Matt Randall and Lodge Adviser Bruce Rueger. At this conference, the national office rolled out the 2008-2012 strategic plan for the Order and provided details for ArrowCorps 5.

Speaking of ArrowCorps 5, membership has started the planning to attend this great program during 2008. The lodge has already met to discuss initial travel plans and has chosen to attend the weeklong program at Bridger Teton National Forest during the week of July 26th thru August 2, 2008. Look for information at the Annual Banquet and for the registration coupon in the November-December issue of Turtle Soup!

In anticipation of the end of year festivities, please reserve Saturday, December 1st from 1:00 to 4:00 PM on your calendars for the 2007 Lodge Annual Banquet hosted by Downeast Chapter. Recognition and presentation of the Vigil Certificates for this year’s honorees, a recap of the Lodge year, and the presentation of the Founders’ Award comprise a small part of the schedule for this annual event. Watch for the registration flyer in November in the mail and on the lodge website!

Congratulations go out to our lodge members who participated and competed honorably at the 2007 Section NE-1A Conclave held at T.L. Storer Scout Reservation. Not only did Matt Randall get appointed as Section Staff Adviser, but Turtle Soup won another Best Newsletter in Section award. The lodge also took home the Silver Tomahawk Award for providing the best service in the Section, and Phil Taschereau and Henry Zvetsoi led the new “Iron Chef” competition. By the way, this is the eleventh year out of twelve that the Silver Tomahawk has been presented to our lodge, a level of service not matched in our Section!

We’d also like to pass on our congratulations to the 2007 Vigil Honor Recipients who were tapped out in June and completed their Vigil during July at Camp Bomazeen: Nate Smith, Kevin Jewett, Nick Bouyea, Scott Berrier, Dave Sinclair and Scott Adams round out this year’s honorees!

FRIENDS OF SCOUTING

Would you still be involved in the scouting program if it costs $100 a year just to register. Your Scout wouldn’t enjoy going to summer camp without tents to sleep in or archery equipment to use, would they?

This time of the year is critical to the Pine Tree Council and to the families that are involved in the program because we are in the process of scheduling Friends of Scouting presentations at you Blue and Gold Banquet or Troop Court of Honor. Friends of Scouting allows families to make a tax-deductible donation which helps keep the scouting program affordable to every youth that wants to be involved. It also helps pay for camp equipment, pay for upgrades at camp, and provide leadership support for your unit leaders.

If you have not talked to your District Executive or the district Scouts of Citizenship Chair please give them a call as soon as possible to schedule your presentation.

Remember, that if you are looking for a program with the values that your youth will receive in Scouting you will pay a lot more with other organizations. If you are looking for an example, compare the cost of one week at either Cub Scout camp or Boy Scout camp with other camps that your kids participate in. That value is available to you because of your Friends of Scouting contributions. Please help us raise the necessary funds to continue the great service you currently receive this spring.

Get signed up now and support the largest youth organization in the world as we prepare for our 100th anniversary.

Friends of Scouting

September and October are Race To Scouting months. This year’s recruitment drive will be run a little different than in the past. The goal of this new plan is to not only help packs recruit boys, but to also recruit leaders, organ-ize dens, and get new leaders to training. The District and Council commitment to not only hold training to help your unit have a suc-cesful Race To Scouting Recruitment Night sign-up, but to also have a representative from the District attend the sign-up and help with recruitment of leadership. The goal of this sign-up plan is recruit and train qualified leaders for your packs in order to provide the best possible program for your young Scouting families.

Our Sponsor for this year’s event is again NAPA Auto Parts. NAPA has agreed to provide every new Cub Scout that registers between May 2007 and October 2007 a coupon to redeem at a local store for a free Pinewood Derby car. It is important that all registration forms are turned into the Pine Tree Council office as soon as possible or they might miss out on this opportunity. The best way to do this is to hand them in to the District represent-ative the night of the recruitment!

Look over the Race To Scouting training materials that you received at your district training to make sure that you have a great night set up for the parents and the kids. Have as many registered leaders on hand as possible to answer questions and to help register new adults and kids in the program. Here are some reminders that will help you have a successful recruitment night:

1. Please start your recruitment night at 6:30 PM in order to accommodate the full program.
2. Work with other Packs and Troops in the same community so everyone recruits new kids and adults.
3. Talk to your local school about an in class pro-motion with the boys, a few days before the sign-up night to build their enthusiasm.
4. Make sure that your local religious affiliation is aware of the nights because many will include this information in their worship service bulletins.
5. Talk with local businesses about placing infor-mation on their marquees promoting Race To Scouting.
6. Place posters in stores and high traffic areas.
7. Some Grocery stores will place a flyer in shop-ping bags.
8. Cable access stations will sometimes promote sign-up night.
9. Local phone companies will put info on their monthly bills.
10. Encourage your registered Cub Scouts to wear their uniform to school on the day of your Race To Scouting event.
11. Invite a local Boy Scout Troop to help keep the kids entertained while you talk with the parents.
12. Have your treasurer attend your recruitment night Sign-up so that one check with the correct pro-rated fees can be written to the Pine Tree Council to avoid losing any money.
13. Make a great first impression by being organ-ized.
14. Have a calendar of events for the new scout and their family so they are prepared for the up-coming activities.
15. Have fun and show new families the excite-ment of Scouting.
16. Before your new families leave the registra-tion night make sure they know the time, date, and location of your next scheduled den or pack meeting.
17. Families should have phone numbers of key unit leadership.
18. The Pine Tree Council will also be doing some direct mail promotions to families in your area with the registration night information.

Sign up by contact Rick, the Volunteer Coordinator at 782-0069 or Matt Randall. RE-CHARTER

Kits are going out to units starting around the end of October. The kits will include instructions on Internet Chartering (new, advanced and optional). If you choose to do to the online re-chartering remember that you still have to print off a copy and have it signed off by the Unit Leader and the Chartering Organization’s Executive Officer, get applications for any new Scouts or Scouting, and you need to send that paperwork to the Pine Tree Council. Get your charter into the Council by December 15th! Please contact your unit commissioner or Matt Randall if you need any assistance.

FIVE EAGLES IN A FAMILY

Brian Kane of Standish received his Boy Scout Eagle Award on July 28, an accomplishment for sure. But what makes his award truly remarkable is that Kane, 17, is the fifth member of his family to receive the award. His grandfather, father, uncle and cousin have all gone before him to accept the highest award a Boy Scout can get.

And his mother, Jane Kane, couldn't be more proud. "We think it is really important for our family," she said. "It's a tradition. It's a lot of work, and the boys have to make a real commitment to fulfill all the requirements it takes. I'm just so proud of my son for wanting to continue that tradition and for doing the work that needed to be done." The Kane legacy of Eagle Scout honors began with Brian's grandfather, Tom Kane Jr., who turns 90 years old in August. He received his award in 1931 at the age of 14. His two sons -- Philip Kane, 55, Brian's father, and Tom Kane III, 58, Brian's uncle -- got their own award is probably more important to his father than the one Philip Kane received himself, so many years ago. "It's been a father/son bond of work, and the boys have to make a real commitment to fulfill all the requirements it takes," she said. "They see that as an accomplishment because it is a lot of work. The badges don't come easy for the kids. It's not given that you're going to get it. It teaches the boys leadership, responsibility and how to organize." Kane said she figures the role models set for her son helped give him the extra push at times when getting the award seemed too much work. "The troops are smaller than they used to be," she said. "Not all the boys who join scouts make it all the way. They get tired of it or it isn't cool anymore or whatever. But he persevered, she said, because "he knew it was important to his father." What he doesn't know, however, is that his own award is probably more important to his father than the one Philip Kane received himself, so many years ago. "It's been a father/son bonding thing for sure," said Jane Kane. "We're just so proud of our son."

Message from the President

Paul Spellman

As the world continues to celebrate the 100th anniversary of Scouting and the values that the Boy Scouts have stood for, we welcome our newest Scouting and their families, who just joined Scouting, to the Pine Tree Council. You have just become members of a proud group of young men and women who strive to do their best daily and will become the leaders of tomorrow.

One hundred years ago, Lord Baden Powell, took the first group of young boys to Brownsea Island in England, to help them build trust, learn leadership, and strong values through outdoor skills. Scouting has not changed, as we still want to instill those core values into our youth. As part of the Pine tree council’s 100th anniversary celebrations we invite all of our Scouts and families to join us at the upcoming “Maine Jam ’07” this October at the Oxford Fairgrounds. Volunteers have been working hard to make sure the event holds true to its promise of “having something for Scouts of all ages!”

The Maine Jam ’07 will be a highlight of your Scouting career, and we encourage all to attend! It will feature such events as the Trailblazer Day for Cub Scouts in conjunction with the Sportsman Alliance, the merit badge midway, laser shooting, Brownsea Island games, scouts skills contest and military displays with equipment from the Maine National Guard and Army and will wrap up with a huge arena show on Saturday featuring live entertainment, a laser light show and fireworks!

As you move forward with Scouting, whether you are a brand new Cub Scout, a Tenderfoot Scout or Boy Scout working on his Eagle, an Explorer, a member of a Venture Crew or a Scout leader, I encourage you to re dedicate yourself to the goals and values of Scouting as those boys on Brownsea Island did just 100 years ago and just imagine where we will be in the next century of Scouting!

Sincerely,
Paul Spellman

Message from the Council Commissioner

By the time you read this our new scouting year will be going full force. I want to thank all of our commissioners for your great efforts in the Council’s “Race to Scouting” recruiting efforts. Your continued efforts in recruiting really do make a difference in both the life of Pine Tree Council and more importantly in the life of the young people that we serve. We must now all follow through with our units to assure that each of our newly recruited scouts are registered with Pine Tree Council. This is of the highest importance to assure that each youth is able to receive all of the benefits of scouting including all of the great programming, advancement and the insurance.

All of our scouting districts are now at some stage of the rechartering efforts or will be shortly. As commissioners we must remain engaged in delivering one of our major roles and duties in the service to units that we accepted when we became commissioners. I urge you to make every contact with each unit that you serve to assure that each unit is well prepared for the rechartering process and rechartering accurately and on time. Last year approximately forty percent of Pine Tree Council Units utilized the on-line rechartering option. These units found the on-line process to be very user friendly and that it made the process of rechartering. Using the on line method assures that the unit’s information is accurately recorded and reported, and is done with a higher degree of accuracy than the old paper version. I urge each commissioner to work with your units and assist them when necessary to help as many units as possible utilize this great method of rechartering.

If a thought goes out to all adult volunteers in Pine Tree Council. If you truly want to help to bring the great benefits of the scouting program to as many youth programs as possible consider volunteering to serve as a commissioner. Our dedicated Commissioners work directly with our units to assist them in delivering one of our major roles and duties in the service to units that we accepted when we became commissioners. I urge you to make every contact with each unit that you serve to assure that each unit is well prepared for the rechartering process and rechartering accurately and on time. Last year approximately forty percent of Pine Tree Council Commissioner Bill Coffin

EXPLORING PROGRAMS

Exploring programs provide experiences that prepare young people to become responsible and caring adults. Exploring is designed for young men and women ages 14 (and who have completed the eighth grade) through 20 (and who have completed the twelfth grade). Exploring allows young people to gain hands-on experiences in a career field of their choice while working with professionals in that field. They also gain practical knowledge in a career, engage in a program of activities centered on career opportunities, life skills, service learning, character development and leadership experience. Exploring is designed to encourage the development of the whole person. Interested educators, parents, community organizations and youth are invited to contact Learning for Life at 797-5770 or by email at midyer@lflmail.org for additional information about this program.

LEARNING FOR LIFE CLASSROOM SPEAKERS

Learning for Life works with schools as they prepare young people for the real world of work. A significant impact on youth education is the introduction of classroom speakers into the classroom of elementary, middle and senior high schools. Learning for Life has a long history of matching student career interests with professionals from their local communities. If you are a builder, nurse, teacher, architect, insurance agent, photographer, dancer, etc., would you be willing to make yourself available to do a classroom presentation once or twice a year for these young people? There is an amazing number of Scouting adults representing many of these careers and we can use your help. Please call Michael Dyer at 797-5770 or email midyer@lflmail.org to help us in this school-based effort.

VOLUNTEERS

Learning for Life and Exploring offers many opportunities for adult leadership at the district committee level. Our program serves over 20,200 youth people through its school and work-based programs. If you are interested in serving young people through a district committee position, please call me at 797-5770. We would very much like to talk with you.

NEW EXPLORING PROGRAMS

Recent new Exploring programs include science, dental, and aviation career programs. We are currently in discussion with UNUM to create a business Exploring program in Portland. If you are an employer who would be interested in partnering with us to create a career program for youth, we’d like to hear from you. Exploring programs help businesses become more visible in the community, prepare young men and women for for additional responsibility and connect students and businesses with the community in creative ways. If you are interested in exploring these new programs and the benefits of community involvement and service, please contact us at 797-5770 or through email at midyer@lflmail.org.

LEARNING FOR LIFE AUCTION AND BENEFIT

The 2008 Learning for Life Auction and Benefit is being held at The Portland Club on Wednesday, May 21st, 2008. If you would like to attend this auction and benefit, please call 797-5770 to be placed on our mailing list. This event directly supports our school- based Learning for Life and work-based Exploring programs. Proceeds from this event also helps us provide schools with character education curriculum free of charge. If you would like to donate to this auction, that would also be appreciated. Cash and item donations are currently being accepted as we begin preparations for this 2008 event. If you are interested in being a corporate sponsor we can arrange for that as well.

PRIVATE AND PUBLIC SCHOOLS AND OTHER ORGANIZATIONS

If your school is interested in implementing a career-education program in your school or organization, we would be glad to speak with you. Learning for Life has a career and character education program that can be used as a stand alone or integrated program. Currently over 10,200 Maine youth are served through this program. While we cannot provide all schools with this curriculum, we will consider all requests on a first come basis while supplies last.
