**Message from the Council Commissioner**

Greetings Commissioners,  
I want to thank all of the district commissioners and their commissioning staffs for another great year of service to the many scouting units within Pine Tree Council. For the past couple of months along with our service to units, the District Commissioners have been actively working at recruiting new and additional Unit Commissioners.

This has been a large project with the end goal of having more Unit Commissioners in each district to better serve all of our units, while reducing the workload on each individual commissioner. We have been successful in adding more commissioners to each district, but are still in the active search mode to identify and recruit even more commissioners. If you are a scouter with a desire to assist in bringing a quality scout program to more youth in our Council, please contact your District Commissioner and discuss the possibility of registering as a Unit Commissioner. It is one of the jobs in scouting that can actually be accomplished in the proverbial one hour a week. (Or at least close to it.) Commissioning is one of the most satisfying jobs at the district level. It gives you the opportunity to be a friend and guide to the units on a one to one basis. The team of a great unit along with an active commissioner is the roadmap to a Centennial Quality Unit, which will result in the Promise of Scouting being delivered to many more youth in Pine Tree Council. Remember commissioners, just because many of our units suspend weekly their meetings for the summer doesn't mean that our jobs are suspended for the summer. Summer is probably the best time of year for us to see our units in action. Visiting with our units while they are at Day Camp, Fun Pack Weekends, or long term Webelos and Boy Scout Camp is a great time to get to know our units, leaders, parents and scouts better and in a great scouting setting. Please plan on visiting your units during their time in camp.

*Yours in Scouting  
Bill Coffin  
Pine Tree Council Commissioner*

During the week of 23 through 27 June, the 2008 Youth Law Enforcement Academy is being held at the Maine Criminal Justice Academy in Vassalboro. Students from throughout the State of Maine have been invited to register. This is an excellent school-to-careers educational experience for high school students interested in pursuing careers in law enforcement or military service. State Trooper Michael Chavez, who has been a cadre at the adult academy, coordinates this youth academy. If you are just finding out about this event and have a son or daughter in high school that may be interested in attending this academy, please give us a call immediately. The cost for the entire week is \$250.00. The registration deadline has been extended to 1 June to accommodate last minute requests. Contact Michael Dyer at [midyer@lflmail.org](mailto:midyer@lflmail.org) or by calling 797-5770 to request an application and inquire about the availability of accommodations.

cost for a foursome at this tournament is \$500.00. Proceeds from this tournament directly support the Scarborough Police Explorers and the Learning for Life district. Applications can be obtained by contacting Michael Dyer at [midyer@lflmail.org](mailto:midyer@lflmail.org) or by calling 797-5770. Prouts Neck is a privately owned golf club with a wonderful view of the coastline. We welcome inquiries and applications.

**EXPLORING IN YOUR COMMUNITY**

Learning for Life would like to hear from you! If you have a son or daughter in high school, we would like to know what their career interests are and where they attend school. Recently we visited a local high school's. School-to-Careers Director who was interested in helping us create a Medical Careers Explorer program in his community because there was a high concentration of students interested in pursuing careers in the medical or medical science fields. Shortly after that meeting we met with the local hospital to see if there might be interest in partnering with us through the establishment of a Health Careers Explorer program. We received a very positive response and together we are working to make such a program available in that community. We would like to hear from you regarding your high school student's career interest. Give us a call at 797-5770 or email us at [midyer@lflmail.org](mailto:midyer@lflmail.org)

Camporee Chairperson, Alan Duplessis, and his committee have been working very hard to prepare a weekend full of fun and learning for the Troops. Troop 497 looks forward to playing host to Scouts from all over the Kennebec Valley and Pine Tree Council and possibly a couple of Guest Troops from Canada, which would qualify it as an International event!

Further information will be posted when available to the KV-Scouts.org website and will soon be available at Roundtables.

If you want more information, you may contact Alan Duplessis, Assistant Scoutmaster, Troop 497 @ 207-668-7713 or Karla Talpey, Scoutmaster, Troop 497 @ 668-4420 or ktalpey@verizon.net. See you all on the fields of Attean in September!

**PTC announces Silver Beaver Recipients**

The Pine Tree Council takes great pleasure in introducing the recipients of the Silver Beaver award for 2008. The Silver Beaver award represents the highest award that a Boy Scout Council may present to a volunteer. The Pine Tree Council's Silver Beaver Committee, which is comprised of past recipients of the award from throughout the council, selects the award recipients each

year based on the applications that are submitted.

These volunteers have invested countless hours of service at the unit, district and council level and have been extremely active in activities and affiliations outside of Scouting. We thank you, not only for your service to us, but also for your service to the communities each of you represent.

## York District News

### FRIENDS OF SCOUTING

THANK YOU to all the York District Packs, Troops and Scouting Families that participated in the Friends of Scouting (FOS) campaign this year. Through the generosity of the Scouting Families in York District the money raised will go a long way to ensure that the quality programs in York District and the Pine Tree Council will continue for present and future scouts. Thank you also to the volunteers who gave their time and talent in giving presentations to the units in York District.

### YORK DISTRICT CUB SCOUT DAY CAMP 2008:

Mark July 7 - 11 and July 14 – 18 on your calendars as the dates for the York District Cub Scout Day Camp at Camp Nutter in Acton, ME. The theme for 2008 is "Super Heroes". In 2007, 160 Cub Scouts and more than 60 volunteer leaders participated in the York District Day Camp Program. Where else can Scouts do crafts, cook, earn BB & Archery recognition, learn about nature and swim in a safe environment with 100 other Scouts?

To make sure we have another successful Day Camp season, we can always use volunteers to help run our program and they do not have to be current leaders to help out. Parents are welcome to participate as Day Camp Leaders. If you help with day camp, your scout's fee will be reduced for the first scout. It's a great deal and you may even have some fun while you help out. For more information, please contact our Day Camp Director Diana Vermette at 324-2582 or

[4vermette@msn.com](mailto:4vermette@msn.com).

### POPCORN TIME AGAIN

Calling all unit Popcorn Kernels, mark Sunday, August 10, 2008 at Camp Nutter as the date for York District's Popcorn Kick-Off. A Family Barbecue has been planned with a few surprises. This is a Free Event. Please register before Wednesday, August 6, 2008 so supplies can be purchased. If your unit has not sold popcorn in the past, please consider it as your major fundraiser for your unit. Some of our packs use the popcorn sale as their ONLY fundraising event for the year. The popcorn is an easy product to sell and has repeat customers from year to year. The Show-N-Sell Popcorn Program is a great way to get started selling popcorn or add to your Take Order Popcorn Sales. Some units do both programs and have great success with them. For more information about the Trails End Popcorn program, checkout their website at [www.trails-end.com](http://www.trails-end.com). Please contact Frank Gilcreast at 797-5252 ext. 24 for more information.

### RACE INTO SCOUTING:

Race Into Scouting will be coming up quick in September to sign up new youth into our Scouting Program. Please get your sign-up date, location, time and contact information into the Frank Gilcreast for your flyers. The sooner we have the information, the sooner we can have the flyers made up for you. We would like to get them printed up for you by the September 7 Roundtable or sooner. Thank you for your help.

## Abnaki District News

### NEW ABNAKI DISTRICT EXECUTIVE (AB/DE)

It's hard to believe that it has already been about six months in this new role and yet, so much has happened. We have two Sea Scout Ships weighing anchor, several new complimentary Units taking shape, an expanded District Committee, a new level of cooperation and collaboration among Units for District Events, and we are heading into a record-breaking camping season. Every day presents a new challenge, and every day the Scouts and Scouters of Abnaki District rise to the occasion. It is truly an honor to serve with all of you, and I count myself fortunate to have such a large Scouting family.

One event after another has added to the momentum: the Klondike Derby, University of Scouting, Pinewood Derby, Spring Camporee, Tiger Day. We are wrapping up a great Friends of Scouting Campaign, and very soon we will have our Popcorn Kick-off and Program Launch. Not to mention all the great local events that we have been honored to attend: Pinewoods, Blue & Golds, Courts of Honor, the Cubmobile race, Crossovers, and Eagle Ceremonies. You have all been gracious hosts, and patient patrons of Scouting procedure. There is much to be grateful for.

*Thank you, and as always it is a pleasure to serve with you,*  
Scott Verrill

### COMMISSIONER STAFF (CSM)

We continue to recruit new members onto the Abnaki District Commissioner Staff. Our year-end goal is for every Unit to have an active Unit Commissioner who is effectively communicating with and serving a maximum of 3 Units. The Staff is growing and another round of Commissioner Training is on the schedule. Unit inventories have been coming in enabling us to compare them against the Scoutnet Rosters and correct any discrepancies. We want all of our Scouts and Leaders properly registered so they can make the most of their Scouting experience. Thank you for your strong participation in this effort.

If you are interested in becoming a Unit Commissioner please contact Clyde Cavender [ccavender1@roadrunner.com](mailto:ccavender1@roadrunner.com) or 353-5906.

### MERIT BADGE COUNSELORS (MBC)

We want to welcome the new Abnaki District Advancement Chair, Lisa Stark. Lisa is not new to Scouting and has many years of experience to benefit the advancement process. We continue to update our Merit Badge Counselor List adding new Counselors on a regular basis and making contact with existing Counselors to be sure that each one listed on the website is current and available for

service.

If you need an application, or you are just interested, contact Lisa Stark at [gerrystarkme@gwi.net](mailto:gerrystarkme@gwi.net) or 353-6293.

### ROUND TABLE (RT)

We have new Round Table Commissioners for both the Cub Scouts, and the Boy Scouts! Mike Morin is heading up an all-star cast of Scoutmasters, Merit Badge Counselors, and Special Guests at each Boy Scout Round Table, providing a great time of fun, information, and exchange of ideas. On the other side of the wall, the Cub Scout Round Tables are taking shape as Cub Scout Round Table Commissioner Sue Pinette teams up with Day Camp Director Marilee Verrill, and Craft Director Sue Breau to bring you all the excitement and activity of a Pack meeting just for the Leaders who will make it happen the very next month. We will be having a Round Table BBQ at Camp Gustin in Sabattus in place of our July Round Table. So come and join us and mark your calendar for next fall as Round Tables kick off again. You won't want to miss it.

For Boy Scout Round Tables contact Mike Morin at [gldsmt@adelphia.net](mailto:gldsmt@adelphia.net) or 786-2213, and for Cub Scout Round Tables contact Sue Pinette at [pinette@megalink.net](mailto:pinette@megalink.net) or 225-2461.

### PINEWOOD DERBY (PWD)

Congratulations to the winners of the 2008 Abnaki District Pinewood Derby! We will continue the tradition of having this year's winner design next year's patch. I look forward to working with First Place winner Zachary Rousseau on the design.

### DAY CAMP (DAY)

Abnaki District Day Camp will be held at Camp Gustin in Sabattus from July 28th – Aug 1st. This year's theme is Super Heroes and preparations are already underway to make this the best Day Camp ever. Space is limited and volunteer positions are mostly filled. Registrations are coming in and are still available at Round Tables. If you would like to volunteer please contact Marilee Verrill at [marilee1@megalink.net](mailto:marilee1@megalink.net) or 215-4701, or Andy Breau at [dbreau@quixnet.net](mailto:dbreau@quixnet.net) or 783-0653 to see if there is still room.

### FUN PACK WEEKEND (FPW)

Don't forget the Official Abnaki District Fun Pack Weekend is Aug 9th & 10th. This means that the weekend will be staffed by volunteers from Abnaki District so there will be more familiar faces. If you are interested in volunteering for Fun Pack Weekend Staff, please contact Mary-Jane Vachon at [mjucubby1@netzero.com](mailto:mjucubby1@netzero.com) or 375-6614.

## NATIONAL SUMMERTIME PACK AWARD PROGRAM

Cub Scouting is a year-round program.... September thru August. As such, every Scouting unit should plan a quality Cub program, even during the summer. During the months of June, July, and August, Cub Scouts and their families can participate in Scouting activities that are educational and fun! A full summer program keeps a pack healthy, parents interested, and Cub Scouts eager to register for another year. Participating in these Summertime activities also gives the Cub Scout, his Den, and the Pack an opportunity to earn the National Summertime Pack Award, an important component of the Quality Unit Program.

### The Requirements

All the pack has to do is plan and conduct a monthly pack activity for June, July, and August. The whole idea is to keep your pack together and doing things during the

summer when boys have the most free time.

### The Recognitions

A pack committee member should keep the record of activities, participation of dens, and attendance of Cub Scouts. Submit the application form to the local council service center as soon after your August activity as possible. An appropriate pack meeting ceremony should be planned for the presentation of the awards, which are:

## Keeping the 'Outing in Scouting'

### Youth join Scouting for the outdoor experiences!

Is your unit doing your best to keep the "Outing In Scouting"? Here are some helpful hints to assist you in planning your outdoor activities!

#### Who goes camping?

All ages of Scouts, but keep your activities age appropriate, progressive and inline with the BSA policies. Need some ideas on where to go – check out "Turtle Treks" a Guide to Where to Go in Maine, sponsored by the Order of the Arrow on the OA web site at [www.pinetreebsa.org](http://www.pinetreebsa.org)

#### Cub Scouting Activities Should-

- Keep activity parent/youth or family oriented.
- Make sure activity has adult supervision.
- Cub Scouts are only asked to "do their best"
- Activity is discovery-based

#### Suggested Activities for Cub Scouts:

Good weather day and overnight camping with families, visit an animal park, camp overnight at a State Park, plan a fun day event, attend a local sports game, rent a cabin at a PTC camp, go sliding, skiing or skating in winter! Make sure your unit attends a FunPack Weekend! Earn the National Summertime Pack Award, march in a parade! Go to Day Camp! Webelos can attend Resident Camp, visit a Boy Scout Troop, and go on a troop camping trip when invited!

#### Boy Scout Camping Activities Should Be:

- Led by youth with approval and supervision by adults.
- Patrol or Troop oriented.
- Meet Standards and Advancement Requirements.
- Activities are Experienced Based.

#### Some Suggestions for Boy Scouts:

Attend district and council camporees, hike in the White Mountains, go backpacking, do a map and compass orienteering course, plan a 50-miler bike trip, sponsor a "get to know your troop" weekend for new Webelos crossing over, plan a conservation project for your town! Go canoeing on a local river, try a beginner's sea kayaking course at LL Beans, and schedule a Basic Scout Skills camping weekend! Go rock climbing at a local center, camp at Baxter State Park, work on Astronomy merit badge and sleep during the day, attend summer camp as a troop, attend a National or World Jamboree the possibilities are endless, use your imagination!

Washington, go downhill skiing for a weekend, rent a cabin at camp and relax for a weekend!

#### Some Camping Awards available for Units:

#### BE PREPARED FOR SAFE SCOUTING

To help plan, carry out and ensure the safety of our Scouts, leaders and parents in Scouting activities, all units need to be aware of the policies and guidelines of the Boy Scouts of America.

Some things to keep in mind when planning an activity:

- Age Appropriate Activities – are your Scouts ready for the activity planned?
- Tour Permits- needed for an overnight, water activity or when traveling 100 miles or more.
- Permission Slips – suggested for every activity outside of regular meetings.
- Communications – are you able to communicate with at least one parent back home?
- Do you have local emergency numbers with you and directions to your site?
- First Aid – do you have a properly stocked first aid kit and a trained first aid leader?
- Weather – what precautions have you taken for the changing Maine weather?
- Plan B – always have a plan B in case your best-laid plans don't work!

# FALL POPCORN CAMPAIGN — 2008

This year we have added a few new incentives in order to make your fall popcorn campaign a success. Your unit will begin the campaign with the usual 32% base commission. This will go up 3% as long as your unit accomplishes the following three benchmarks -

Have a leader of the unit attend a Popcorn Training (the best opportunity will be at the three council trainings – being held in the Vineyard Church in Lewiston area on June 10th, the PTC offices in the Portland area on June 11th, and the Latter Day Saints Church in Waterville on June 12th. All trainings will be held at 7 pm).

Submit your Order On-Line.

Pay your bill On Time.

You will also receive other benefits and alterations to your commission percentages that will be explained at the trainings and in the Popcorn Kernel Guides for 2008.

Other programs to be aware of this year include -

**Best Popcorn Themed Photo Contest.** Submit the best popcorn themed photo to us, we will then submit it to Trails End. The winning photograph will be on the 2009 11 oz Caramel tins.

**The Best Way to Improve the Council Sale Contest.** Units have until June 30th to come up with the best way to improve our council popcorn sale. The winners will receive Free Home Delivery and a 15% increase to their base commission.

**The Best Kick Off Video Contest.** Units who film their Kick Off events/meetings at their unit level may submit these to the Pine Tree Council, who will then submit them to Trails End. If your video is picked as the winner by Trails End you will receive Free Home Delivery of your product AND Trails End will DOUBLE your commission for your sale (You earn \$4000 in commission from PTC, it becomes \$8000).

**Brand the Sale Contest.** All Scouts and leaders are

encouraged to submit suggestions by June 30th of the best brand for our local council sale. We want this sale to be the “Pine Tree Council’s Sale,” not Trails End’s. Ideas like “Poptober,” or “Popfest,” etc. - anything that makes it our sale. The winning scout or leader will have their unit receive Free Home Delivery of their product for the sale.

The Fall Popcorn sale is poised to be a fun and profitable event. We look forward to working with each of you in order to help your unit make as much money as possible so that you can have as much fun as possible for the rest of the year.

See you at the trainings, and remember that Popcorn Makes It Fun!!

## Spring Popcorn Sale

Through hard work and dedication, 38 scouts from the Pine Tree Council sold popcorn in order to help raise monies for their 2008 camping fees. A number of these scouts sold enough popcorn to PAY for their entire week at camp this summer.

The way this sale works is that it is family driven, not unit driven. Families pick up the product. Families make the sales. Families collect the monies. Families pay the bill for the product. Families keep the profits (35% straight commission) in the form of a voucher – good for use at any Pine Tree Council camp.

This secondary sale is a wonderful way to provide a tool so that every scout in the Pine Tree Council has the potential to earn the funds needed to pay for an adventure at camp. We will be holding this sale again in 2009, for Boy Scouts, Cub Scouts, Venturers, and Explorers - so be on the look out for information and details this fall in order to prepare to take advantage of this opportunity for your scouts.

Pine Tree Council Memorial & Tribute Fund

The Pine Tree Council has developed a way for every scout leader, parent, and family member to easily make a gift of support to the council’s endowment fund. A coupon-like booklet serves as a convenient reminder for the opportunities you have to make meaningful gifts in memory or honor of others. A completed Tribute form, enclosed with a check, should be sent to our Council address shown on the form. Once received by the Council, all gifts of \$10.00 or more will be acknowledged and a Memorial Tribute Card (not indicating the amount of the donation) will be sent to the person specified.

A gift to our Council’s Memorial & Tribute Fund is a thoughtful way of expressing respect, gratitude

and sincere affection. Your gift honoring a loved one, friend and others in time of sadness or joy will enrich the lives of thousands of youth served by our council. For example, gifts made in honor of family and friends at times such as Mother’s Day or Father’s Day; at the birth of a child or grandchild; or a birthday, wedding anniversary, or other notable occasion can be gifts of love that show how much you care.

Your Memorial & Tribute booklets are available at your monthly leader roundtables, through your District Executive and from the Council Service Center. Plan to recognize someone special in your life with a gift made in his or her name, which will ensure Scouting will remain strong for future generations of youth.

•Madockawanda Lodge was recently awarded its third National Service Award. The National Service Award is presented to two lodges in each region for exceptional service, for both quality and quantity of the service. Last year, the Lodge gave 9,361 hours of service to the Pine Tree Council. We are the only Lodge in the Northeast Region to have earned the award three times.

The other two Ordeals this year are May 30-June 1 at Camp Hinds, and September 5-7 at Camp Bomazeen in Belgrade. The Ordeal season is when the Lodge does the majority of its service to Pine Tree Council, and is a great chance for current members to come and help out. If you are a recently elected candidate, you should be or already have received your Ordeal Registration Form. Additional information on the Ordeal process can be found online

at the Lodge website, www.lodge.pinetreebsa.org. Ordeal members who are eligible for Brotherhood may do their conversion at the Ordeals.

This year's Council Golf Tournament was the most successful Tournament ever with over \$50,000 raised towards Scouting here in the Pine Tree Council. Thirty-four foursomes joined us for a day of fun and competition on May 19th at The Woodlands Golf Club in Falmouth. A special thanks goes to John Marr who

once again chaired the golf tournament and continued to beat his own records. John would also like to thank Eric Hills, Lance Bell, and Doug Moore for the invaluable work they do for the committee. Finally, thank you to all who participated in the event. We hope to see you all again next year!
